In Memoriam.

JOHN JAMES WYATT.

He came to make our hearts rejoice,
To yield with joy our darkest days;
He came, with music in his voice,
And sunshine in his winsome ways.

He seemed for some high service meted;
Always to sacred things inclined;
In disposition pure and sweet,
Confiding, gentle, true and kind.

We loved him as our infant son;
His steady growth we watched with joy;
And, as the days passed swiftly on,
We loved him as our darling boy.

But angel hands have seized our prize,
And borne our dearest boy away;
On him now smiles the cloudless skies—
To us is left a sunless day.

And yet we will not murmur stand,
Nor grieve as though all hope were gone.
We'll grasp our Father's gracious hand,
And try to say, "Thy will be done,"

T. WATSON.

Five Hundred Dollars

Will be given for a case of catarrh which cannot be cured permanently by Clark's catarrh cure. Step right up to the office and prove your case and get the reward. Thousands have tried this remedy, but no one has claimed the reward, because it enters in every case. If you have a cold or are troubled with catarrh, ask your druggist for Clark's catarrh cure, price 50 cents, and see what a pleasant relief it will be instantly. If you are asked to take something else send to us direct, and we will send you a bottle by mail on receipt of price. Clark Chemical Co., Toronto, New York.

Vinegar Hill.

From an occasional Correspondent.

Thinking that the readers of The Advance might be slightly interested in a few items from Vinegar Hill, as they have not heard from there since last fall, when our quiet neighborhood was thrown into such excitement over the alleged outrage on that boy Wright. For some unknown reason the parties connected with it were left unpunished. One of the parties who denied having any part in it has got himself into another disgraceful affair and suddenly decamped, for fear some constable might be looking for him. May he never return is our best wish, as we are well rid of such a low, depraved creature in our neighborhood.

Mr. Richard Miller has sold his farm to Mr. Irwin Fawcett and has removed to the ninth line of Euphrasia, and although we are sorry to lose such good neighbors we wish them every success in their new home.

W. T. McConnell had a raising of a frame barn on Wednesday last. There was no accident of any kind, and all went together in tip top style.

Sudden Changes.

A cold or exposure may cause the poisonous acids in the blood to clog its circulation. This is Rheumatism. Clark's Lightning Liment will stop the pain at once. It should be taken both internally and externally if the attack is severe, and it affords instant relief. If the pain appears again, it should be met with the same treatment, until a cure is effected. This wonderful preparation has worked some remarkable cures among Rheumatic sufferers. Where once tried it is always used after. Sold by all druggists; price fifty cents. Clark Chemical Co., Toronto New York.

McIntyre.

From our own Correspondent.

The snow has once more disappeared, the fields freed of their covering, and the farmer once more singing with a contented mind as he follows his team.

Mr. Archibald McIntyre has been seriously ill, but we are glad to hear he is once more recovering.

Mr. Thos. Scott's little girl has also been seriously ill with eroup and bronchitis, and is yet in a very low condition.

The cows in this part are bound to take advantage of the high price of cattle and prove themselves profitable to their owners by increasing their progeny in double quick time. Mr. John Priddle and Mr. Cameron each has a cow that gave birth to twin calves last week.

Mr. Beatty, from Markdale, was in these parts last week buying horses. He bought some choice brood mares from Messrs. Cameron, N. McLean, J. McKinnon and Brewster, and is shipping them to the Pacific coast.

We understand Mr. Hector Bell has rented Mr. Averill's farm and has abandoned the idea of going up the lakes for this summer.

BIRTH.—On March 20, the wife of Mr. Thos. Scott, of a son. Mother and child are doing well.

Breaking in isn't needed with the Ball corset. It's easy from the start. Coils of tiny wire springs in the sides make it so. Try it, and you'll like it. If you don't, after a few weeks' wear, just return it and get your money.
