Maxwell.

From our own Correspondent.

The recent rains have caused a rapid growth of pasture, grain, and even the meadows are going to bring forth double the amount of hay expected at first.

Mr. Sam Linley returned home from his trip to the west. He looks well, and claims having a good time while away.

Mr. Alex. Hudson, who has been unwell for some time, has recovered, and is at work again.

Some from here attended the picnic at Irish Lake and also the celebration at Dundalk. In both cases they report having a good time.

The Rev. H. A. Brown, Mrs. Brown and Howard returned home. They, while away, visited Seagrave, their former circuit, and while there met with many friends.

Reeve Gamey and deputy reeve Preston attended council at Owen Sound last week.

George Preston, Howard Sproule and Wm. Fairry are writing on the entrance examination at Flesherton this week.

School closed for vacation on Tuesday, but for the benefit of the boys who were going to write on the entrance they were brought up to have a review on Wednesday forenoon.

Miss Radley is visiting friends here now.

Miss Gamey is home visiting her parents, and Mr. Will Bemrose was home on Sunday.

Rev. H. A. Brown preached an eloquent and touching sermon on temperance last Sunday. He based his remarks on the golden text of the Sunday school lesson.

The business in connection with the Williams' estate will be brought to a close about the fourth of this month.

A poor wanderer, in the form of a girl, comes to our village occasionally from the Eugenia neighborhood. As she is more to be pitied than laughed at, we believe something should be done for her, as she must suffer from want of food.

The building, fencing, etc., that has been done in Maxwell this year has added greatly to its beauty, and we believe it is looking forward to be a beautiful and prosperous village.

Eugenia

From our own Correspondent.

The picnic and concert, that is annually held at Eugenia in connection with the Union Sabbath School, was held on the afternoon and evening of Thursday last. Although the heat prevented many attending the picnic, yet there was a large number present. The concert at night was quite a success, the hall being crowded. The singing by the children of the Sabbath school was a surprise to a great many, their young voices having received good training. The school has a right to be proud of its young choir. The Misses McKee kindly assisted in the entertainment. Altogether it was an enjoyable affair. The proceeds amounted to nine dollars and twenty cents.

The organization of the Presbyterian church was held here on Friday afternoon of last week, and on Sabbath afternoon the sacrament of the Lord's supper was dispensed. The church starts with a membership of fifty or over. That shows how the labor of Mr. McLeash has been blessed in this community. He labored hard during his stay amongst us, and we hope the Presbyterian church of Eugenia will be a blessing to this part of the Lord's vineyard, and that Mr. McLeash may long be spared to be a blessing to all who listen to his exhortations.

Mr. and Mrs. J. W. Hoath paid a short visit to their numerous friends here. Every one was pleased to see them.

Mr. John Parsons and sister, and Mr. Joseph H. Fenwick and sister, from Invermay, are visiting at their uncle's, Mr. Joseph Fenwick.

Mr. Alexander Madill had a raising on Saturday last. Some of our boys

had a very enjoyable time.

Mr. Richard Parks has been on the sick list for the last four weeks. He is now a little better.

Mr. Willie Bell has taken a situation with Mr. J. W. McFarland, of Markdale. Every one wishes him success.

Mr. Rob Purvis is building a new house this summer.

Mr. Richard Porteous is erecting a good barn.

Crops don't look as well as formerly in this vicinity on account of the continued drought.

Meaford Road.

From our own Correspondent.

The genial rains that have visited other places have passed us by, hence we have dusty roads and the prospect of very short crops.

Miss Jane Warling is on the sick list with inflammation of the lungs.

Mrs. John Holly has been very ill for some time, but is at present slowly recovering.

Mrs. Richardson, of Chatsworth, was visiting here last week.

Our pathmasters were at work with their men last week and this, improving the roads.

The annual garden party on the school grounds came off last Friday evening and was well attended. Choice music was rendered by the Markdale string band.

Mr. Enoch Ball, of Meaford, passed through here lately taking orders for fruit trees. "I will send you good ones, I will, I will!"

The Vandeleur team beat the Kimberley team at base ball at the picnic but were cleared out at the foot ball game.

Mrs. Melvin has again come to reside with us here. She is looking fairly well after all the fatigue of travelling, and the recent affliction she has come through.

Flesherton Station.

By our own Reporter.

Times have been quiet. Ditching has commenced, and has been badly needed. We hope all will take an interest.

Three car loads of hay have been shipped by R. Cook last week and all bought by J. Oliver.

Mr. J. E. Moore has commenced to fit up his mill. We welcome Mr. Moore to our midst.

Miss Janet Muir was married on the 23rd, to Mr. W. Patton, of Proton. Our best wishes go with them through life.

Mrs. W. Wood, of King, is visiting her daughter, Miss C. Wood.

Mr. W. Wood left last week for his home in King.

Mrs. C. Moore, of Corbetton, gave us a call last week.

Mr. Egan, of Hamilton, spent Sabbath with his brother here, Mr. J. Egan.
