McIntyre.

From our own Correspondent.

A beautiful rain, the heaviest of the season fell here on Friday and Saturday which was much needed.

Mrs. D. McPhail, from Manitoulin island, is at her father's, Mr. A. McIntyre for a few weeks.

Mrs. D. C. McFarlane has returned from Muskoka, where she has been visiting for a few weeks.

Mr. Neil McPhail is home at present from the North shore. Neil looks well and has greatly improved in appearance since he went away.

Mr. Neil McFadden is quite ill at present.

Miss Sarah McPhail, we are glad to say is improving in health.

Our popular blacksmith, Mr. Roberts, is building a new house on his lot near the church. He has the basement excavated, and has let the contract for the stone work to James Silley and the frame work to James Patts.

It is with pleasure we state that Mr. John Ferguson has received his insurance on his barn and contents which were destroyed by fire a few weeks ago, and he is busy preparing to replace it with a new barn.

The brick layers have about half the brick laid on Mr. John Miller's house. They have not been working during the last week.

This part has been well represented with agents, of late more particularly implement agents. One farmer reports having six of them at his place in one day last week. Now if this old gentleman does not get his harvest off in good shape he cannot blame any body but himself, as the profit of having a machine to cut his crop with has been clearly shown to him.

The 1st of July passed off very quietly no sports or amusements have been announced. Our foot ball club made arrangements with the Lavender club, to play a match with them at Lavender, which resulted with our boys being beaten for the first time. Our club has not had sufficient practice this season to have matched another team, however we understand they did well.

Mr. Sinclair, has had his house thoroughly overhauled both outside and inside, and now he occupies a very comfortable dwelling.

Osprey Items.

From our own Correspondent.

The program of sports as announced on bills was successfully carried out in Feversham Dominion day. Although the crowd was not uncomfortably large all present seemed to enjoy themselves. All the sports were well contested, especially the tug of war.

The Bailey Bros. will soon have the stonework completed under Mr. J. Kernaghan's barn.

The Presbyterian church in Feversham is to receive a new coat of shingles this week.

Ira H. Perigo is erecting an addition to his dwelling.

Mr. Irish completed a substantial implement house for Mr. George Hale last week.

Mr. Michael Madden, of Chicago, has been visiting his native home for the last two weeks.

Mr. James Burns, of Thorn Hill, and Miss Eliza Jane Murphy, of the 8th con., Osprey, were united in matrimony last week. Quite a number of friends and relatives witnessed the ceremony which was performed by the Rev. Father Maloney. The presents were numerous and costly.

Mr. George Burk has purchased a fine top buggy. Good luck, George. The shoddy men have left this locality.

A pugilistic encounter took place on the evening of Dominion Day between two youths of the tenth line. Matt knocked his opponent out the fifth round it is said. Fred went home a sadder but a wiser boy.

The rain of the past three days has cheered the heart of many a farmer in Osprey.

Maxwell.

From our own Correspondent.

The recent rain has added much to the improvement of the crops.

The 1st of July passed off rather quietly around here. Quite a number of our young people went on the excursion to Parry Sound, report having a good time.

Miss Minto Radley and Miss Watts have returned to their home in Toronto.

Mrs. Love, of Toronto, and Mr. A. Fleury, of Stouffville, are visiting their sister, Mrs. Thos. Gamey.

Miss Buckingham, of Collingwood, spent a few days with her brother, Mr. J. Buckingham, of this place.

Mr. William Clarke, of Toronto, is visiting his parental home. His

many friends are pleased to see him.

The Methodists are having a new shed erected at the church. When they get the church bricked things will look quite snug.

Road work is the order of the day. Hope the friends haven't forgotten the sidewalk question.

Osprey council met at Badgero's Monday.

Kimberley.

From our own Correspondent.

The long looked for rain has come at last, and things look quite fresh again. Some people are wishing it would not rain any more for a while. Some people will never be satisfied.

We are glad to learn that Mr. James Myles, who was severely hurt, by being thrown from his democrat, is as well as may be expected. As also is Miss Sadie Myles.

Master Joseph Carruthers, has been very ill with an attack of bilious fever. He is recovering.

Miss A. McClean, has not been as well lately, as she had been for some time past.

The mumps are raging around here at present. Some of the people look like a chipmunk with a beech nut in his mouth.

Rev. Mr. Thompson, will preach a sermon to the Orangemen in the Methodist church here on Sunday, the 12th of July at ten a.m.

There were only seven scholars wrote for the entrance examination here. The writers say it was easy work.

We think the Editor was rather partial in his report of the F. I. picnic, in referring to the baseball match which was played between Vandeleur and Kimberley, we did not think that Vandeleur wiped the ground with Kimberley any more in the baseball, than Kimberley did with the former in the football, considering that Vandeleur had one of Parry Sound's senior team with them. We think 6 goals to none was as bad a ground wiping as 34 to 4 in baseball. Fair play Mr. Editor and every body will love you.

Married.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 520 Powers' Block, Rochester, N. Y. 17Mar-1891

Farms for Sale.

The undersigned is offering two good farms for sale, situated on lot 1, 9th con., Collingwood twp., and east half lot 1, 10th con., Collingwood twp., 300 acres. For particulars apply to REV. C. E. THOMPSON, West Toronto Junction. Or to DAVID MADILL, Maxwell P. O.

WHY COUGH,

WHEN a few doses of Ayer's Cherry Pectoral will relieve you? Try it. Keep it in the house. You are liable to have a cough at any time, and no other remedy is so effective as this world-renowned preparation. No household, with young children, should be without it. Scores of lives are saved every year by its timely use.

Amanda B. Jenner, Northampton, Mass., writes: "Common gratitude impels me to acknowledge the great benefits I have derived for my children from the use of Ayer's most excellent Cherry Pectoral. I had lost two dear children from croup and consumption, and had the greatest fear of losing my only remaining daughter and son, as they were delicate. Happily, I find that by giving them Ayer's Cherry Pectoral, on the first symptoms of throat or lung trouble, they are relieved from danger, and are becoming robust, healthy children."

"In the winter of 1885 I took a bad cold which, in spite of every known remedy, grew worse, so that the family physician considered me incurable, supposing me to be in consumption. As a last resort I tried Ayer's Cherry Pectoral, and, in a short time, the cure was complete. Since then I have never been without this medicine. I am fifty years of age, weigh over 180 pounds, and attribute my good health to the use of Ayer's Cherry Pectoral."—G. W. Youker, Salem, N. J.

"Last winter I contracted a severe cold, which by repeated exposure, became quite obstinate. I was much troubled with hoarseness and bronchial irritation. After trying various medicines, without relief, I at last purchased a bottle of Ayer's Cherry Pectoral. On taking this medicine, my cough ceased almost immediately, and I have been well ever since."—Rev. Thos. B. Russell, Secretary Holston Conference and P. E. of the Greenville District, M. E. C., Jonesboro, Tenn.
