Eugenia

From our own Correspondent.
The Rev. Mr. Wells preached a sermon to the Orangemen at Eugenia on Sabbath afternoon to an immense gathering. The Orange hall would not hold one half of those present, so they concluded to hold the service in the grove belonging to Mr. Purdy. Every one was highly pleased with the sermon. In the evening Mr. Thompson preached an excellent sermon to a large congregation.

Miss Mary Walker, of Kimberley, has been visiting at her uncle's, Mr. John Beecroft.

Miss Fida Bowerman was home on a visit.

Our old friend, Mrs. Hadley, is so much better that she was able to return home again. Her many friends were very glad to welcome her back.

The Orangemen of this locality with a great many adherents went out to Flesherton to celebrate the ever glorious twelfth. Although a day behind time it did not seem to dampen their ardor one bit. Their highly decorated teams cut a good show in the procession, and conspicuous amongst them was General Tom Thumb.

Mr. Jake Williams was home on a visit to his father.

Mr. James Linton is home on a visit to his parents at present.

Mr. Henry Fenwick is building an addition to his house which will be a great improvement to his place.

Mr. William Magee raised a fine barn last week at his place near Salem.

Mrs. Wellington Smith, of St. Vincent, is home on a visit at present.

Mr. Wesley Pedlar is gone off on a short visit to friends at Pickering and other places in that vicinity.

Inistioge.

From our own Correspondent.
Mr. James Russell, who had his hip joint dislocated and fractured by a fall of 23 feet while in assistance at Mr. Henry Lonsway's barn raising some time ago, is improving well under the treatment of Dr. McWilliams, of Dundalk.

Mr. Brown (contractor) of Proton Station, is at present engaged building the church shed here.

Miss Harper, of Toronto, is the guest of Mr. Geo. Hutchinson.

The Bethel and Inistioge Temperance Organizations picnicked at Eugenia falls on Wednesday last. They all say that they had a number 1 outing. Wish I had been there.

Miss Euphemia Johnson is almost better of the attack of rheumatism which she recently enjoyed.

One of our young men is in a very disconsolate mood, he evidently wishes that the school vacation was not so long, however he consoles himself by singing "In the sweet by and by we shall meet."

Commissioners Sharp and Corbett of Artemesia and Proton respectively, have let the contract of gravelling 54 rods of the road running north from Proton Station.

Mr. John Latt is busily engaged working at the erection of Mr. Geo. Ludlow's new dwelling house.

The stone masons are building a foundation under Mr. Jas. Best's barn.

The recent rains have brightened the outlook for the farmers here.

The Inistioge division Sons of Temperance is in a flourishing condition. Following are the names of the officers for the current quarter: Annie Bannan, W. P.; John F. Hutchinson, W. A.; Edith Armstrong, R. S.; Robt. Acheson, A. S.; Wellington Roseborough, F. S.; Kate Acheson, Treasurer; J. Roseborough, Conductor; Rea. Bannan, A. C.; Wm. Guest, Chaplain; Herby Nicholes, I. S.; Jas. McQuay, O. S.; Teene Acheson, P. W.

Miss Minnie Waikley returned from Orangeville High School.

Wodehouse Items.

From our own Correspondent.
We have succeeded in getting a foot ball team organised, and one we

are not ashamed of. On Wednesday last they played a friendly game at Rocklyn with a team made up of a few picked men from Walters Falls, Owen Sound, Toronto, and the 11th line teams. Of course this team could not be expected to play with an old team, it being made up for the most part of men who had never played foot ball. However, the record is one goal to none in favor of the 11th line, Walters Falls, Owen Sound, Toronto, and perhaps other little towns. Good order prevailed, and at the close a cheer was given for the winners and one for the bride who visited Wodehouse and Rocklyn on her wedding tour that day.

Miss Ella Wilcox leaves this week for a two or three month's visit in Meaford.

Mr. Jas. Morwood, sr., is busy repairing his house in Markdale. He intends leaving the farm soon to live retired.

Miss Allie Breadner is visiting friends in Markdale.

A small picnic party visited our village last week. Call again friends.

Mr. and Mrs. R. Wiley, accompanied by Mrs. Wilcox and Mr. and Mrs. Geo. Lawson were, visiting friends the first of this week near "the block," Sydenham.

Lady Bank.

From our own Correspondent.

Weather and crops better than our fears.

Every one seems bent on honoring King William, if the fine rigs that are leaving for Feversham and Flesherton this morning are to be taken as indications of honor.

Mr. Pool, of Lady Bank, is building a good frame barn, with stone stable under.

Lizzie Osburn is home from Collingwood for a few days.

Mr. Geo. Davidson, Sec. and salesman of Feversham and his daughter Mrs. Whewell, and widow Lawler, three confessedly critical cases, have received much benefit from Dr. Carter's treatment. The first two suffered from dropsy, and the latter from lung trouble. They are moving around to the delight of their friends.

To the Editor of The Advance.

DEAR SIR,—In last week's Advance the Kimberley cor. takes you to task for an impartial account of the base ball match between Vandeleur and Kimberley juniors, and lectures you on fair play. Now for the facts: At the Institute picnic in 1890 the Vandeleurs played a match at Kimberley and challenged Kimberley to a return match at the Vandeleur picnic in two weeks. They accepted, but failed to put in an appearance, although the day was fine. Again they were invited to play the return match, several times this season. Finally they agreed to play at the Institute picnic this summer. On that day when the Vandeleurs were on Kimberley grounds, Kimberley refused to play unless Vandeleur would play foot ball. Vandeleur refused, when Kimberley refused to play base ball unless Vandeleur would kick foot ball immediately after. Vandeleur has no foot ball team, no foot ball, and most of them had never seen the game played, but to get the base ball match on, they consented. They certainly had no Parry Sound player on their base ball team as the Kimberley cor. says. Fair Play, thou art a jewel!

ONE OF VANDELEUR TEAM.

The C. P. R. steamship Athabasca struck the steamer Pontiac, ore laden, at the Sault yesterday. The Pontiac was sunk in thirty feet of water, and is badly injured. Her value was \$200,000.

Tenders Wanted.

Tenders will be received up to Monday, 27th inst. for the erection of a frame shed at the Meaford Road Methodist church. Size of shed, 60 ft. long. No stone work; in other respects to be exactly similar to the shed at Flesherton Methodist church. Tenders to be sent to the undersigned. The lowest or any tender not necessarily accepted. The contract must be completed on or before Nov. 1 next, and contractor must furnish all material required.
