Northern Business College, Owen Sound, Ont.

If You Desire To Get A Good BUSINESS EDUCATION.

Hundreds of young men and women have taken a business course during the past ten years who are now successful in business or filling lucrative positions. The business course of study is by far the most thorough and complete in Canada. There is as much in the junior department as in the entire course of many of the so-called business colleges. The shorthand course is thorough and complete. Send for a copy of the Annual Announcement containing full particulars. It is sent free to any address.

From our own Correspondent.

Owing to the very favorable weather laying operations are finished for this year. The crop has been somewhat light, but farmers in this vicinity have no reason to complain for in several sections of this province the hay has not been worth the cutting.

The pleasant click of the knottor and the musical ruffle of the sickle blades here and there in fields of fall wheat evidences the beginning of harvest, and we are pleased to note that the foregoing earal promises a very fair yield per acre this season.

At a meeting of the ratepayers in the Academy a resolution was passed in favor of building a new school house next year. We are glad to hear of such a sensible action and trust it may come to a happy consummation.

Two weeks ago the Boothville cheese factory made their first sale amounting to 210 boxes at 8 1/2 cts. a lb. Mr. Geo. Watson, the sec. -treas., was kept very busy for a few days reckoning up and cashing each patron's account. Something over \$1100 worth of cheese was disposed of.

S.P. now receives its mail 3 times a week which is a great convenience to the citizens of this burg. Many thanks are due to our genial P.M., Mr. Jas. Martin, for his indefatigable exertions in this matter.

A very serious accident occurred in S.P. on the 19th ult., whereby Mr. McDonald of the 13th concession of Proton, nearly lost his life. In returning home from church his buggy through some mismanagement was upset, throwing its occupants, Mr. and Mrs. McDonald, very violently to the ground. Mrs. McD. escaped unhurt but Mr. McD. was not so fortunate, his head being badly cut by striking against a stump, thus rendering him unconscious for some time. Dr. McKenzie was immediately sent for and dressed the wound, which was of such a serious nature that the life of the patient hung, as it were, in a balance. We are glad to state, however, that Mr. McD. is now on a fair way to recovery.

It is likely there will be great excitement in Hopeville on Thursday the 6th inst., at 2 p. m., the occasion being a contest in putting the 16 pound-shot, between Mr. Donald McDonald of Artemesia and Mr. Troy of Harriston. We have every confidence in the Artemesia boy, who defeated his opponent in Mt. Forest on Dominion Day. The stakes are \$25 a side. Now or never Dan!

Messrs. Hugh Hardy and W. J. Blaheston spent a few days lately at Big Bay and vicinity.

The Misses Morgan, of Pontypool, have returned home after a very pleasant and enjoyable visit among their friends in S. P.

Miss M. C. Hardy spent a few days in the city during the meeting of the N.E.A.

Mr. W. J. Blakeston has become a member of the Canadian Order of Chosen Friends, in the Hopeville Council.

Miss Katie Campbell and Miss Lizzie Ferguson, pupils of Hillside Academy, were successful in the recent entrance exam. Congratulations girls.

Miss Jenny Kennell, of Dundalk, paid a brief visit to her paternal mansion last week.

We trust Mr. Editor that the Entrance exam. papers will be examined before xmas, as some of the candidates may possibly wish to attend a high school or Coll. Inst. at the beginning of 1892. However their is no occasion for a rush.

We had our budget ready for mailing when just in the nick of time we learned that the entrance papers have been examined and the results published, consequently the item preceding this one is unnecessary but let her go gallagher.

Flesherton Station.

By our own Reporter.

No items for the past three weeks, reporter being ill.

Mr. Cairns and family moved to Durham last week. Mr. Cairns kept a good house in every respect. No better could be kept. His family will be missed in our Sabbath School.

Mr. T. Duncan moved to Toronto last week where he intends to live with his daughter.

Messrs. Pichel and Cook brought a car load of cattle from Toronto last Friday and sold them here on Saturday. This looks as if the farmers of this section would have to lower their prices, as dealers are complaining that they cannot buy at the prices demanded and ship to Toronto without losing money.

Mr. Oliver returned home last Monday from his mines in Algoma.

Miss Hopkins of Owen Sound spent last Monday night with Mrs. Cook. Miss H is a welcome visitor to this part.

We think the Owen Sound people are very selfish when they couldn't let her have more than one day.

Mrs. James McMillan spent a week with friends in Allenford.

Mrs. Lawrence spent two weeks with her sister in Port Elgin.

Mrs. Trsiner of Owen Sound and Mrs. Morgan of Corbetton have been spending a few weeks with Mrs. Egan.

Mr. and Mrs. Tottenham have been spending a week with friends in Meaford.

We are glad to learn that Mr. G. McFarlane's little boy is on the mend.

We are glad to know that the parents here are taking an interest in our Sabbath School to encourage their children.

We ask God to enter the heart of many more of the people here that they may be brought out to work in the service of the Lord.

God bless said, forever blessed Those who seek me in their youth; They shall find the path of wisdom, And the narrow way of truth. Guide us, Savior, In the narrow way of truth.

All the publishers and editors of the morning newspapers in New York have been indicted for publishing more details than the law allows at the recent elections at Sing Sing.

Tuesday night Henry Bartel, a New York bar tender, while trying to take down a box of cigars from a high shelf grasped hold of an electric light wire, received an electric shock and fell dead.

Hattie and Lillie Dumas, aged twelve and two years, were drowned at Leamington Tuesday afternoon. They were driving on the docks with their uncle when the horse became restive and backed up, the children falling into the water.

CONSUMPTION CURED.

Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Ayer's Hair Vigor

It is the "ideal" Hair-dressing. It restores the color to gray hair; promotes a fresh and vigorous growth; prevents the formation of dandruff; makes the hair soft and silken; and imparts a delicate but lasting perfume.

"Several months ago my hair commenced falling out, and in a few weeks my head was almost bald. I tried many remedies, but they did no good. I finally bought a bottle of Ayer's Hair Vigor, and, after using only a part of the contents, my head was covered with a heavy growth of hair. I recommend your preparation as the best in the world."—T. Munday, Sharon Grove, Ky.

"I have used Ayer's Hair Vigor for a number of years, and it has always given me satisfaction. It is an excellent dressing, prevents the hair from turning gray, insures its vigorous growth, and keeps the scalp white and clean."—Mary A. Jackson, Salem, Mass.

"I have used Ayer's Hair Vigor for promoting the growth of the hair, and think it unequalled. For restoring the hair to its original color, and for a dressing, it cannot be surpassed."—Mrs. Geo. La Fever, Eaton Rapids, Mich.

"Ayer's Hair Vigor is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair and makes it glossy and soft. The Vigor is also a cure for dandruff."—J. W. Bowen, Editor "Enquirer," McArthur, Ohio.

"I have used Ayer's Hair Vigor for the past two years, and found it all it is represented to be. It restores the natural color to gray hair, causes the hair to grow freely, and keeps it soft and pliant."—Mrs. M. V. Day, Cohoes, N. Y.

"My father, at about the age of fifty, lost all the hair from the top of his head. After one month's trial of Ayer's Hair Vigor the hair began coming, and, in three months, he had a fine growth of hair of the natural color."—P. J. Cullen, Saratoga Springs, N. Y.
