Knocked Out!

Is but a figurative expression to indicate the condition of the merchant who buys on credit in this progressive age of business. The credit buyer compared with the cash buyer is like a lamp rag compared with a sturdy oak. The man who pays cash is able to knock out the poor fellow who has to have credit.

Going thro' the World,

Especially that portion of it which immediately surrounds Flesherton, you will find no more intrepid explorers after low prices on merchandise than The Cash Store. They are bound that their store shall be headquarters for all the low price hunters in the county, and to still keep up that reputation we have received and opened out this week some low-priced paralyzers which we will be glad to show you, bought for spot cash, which no merchant dare sell lower.

Mind Your Own Business.

The advice may sound impertinent, but it is sound advice anyway. The most successful business men have always done so. It is the mischievous meddler in other folk's business who makes a mess of it. By minding our own business we have been able to attend to it with pleasure and profit. We have mastered all its secrets followed up all its avenues, and reached the fountain of success, and we are minding our own business when we advise you to give us a call. We will be at home all day, waiting and longing to see you, and to have the opportunity of showing you what you never saw before nor since.

Don't forget McDonald & Evans, and the low priced Goods always on hand.

McDONALD & EVANS.
THE STORE ON THE HILL.

Hopeville.

From our own Correspondent.

Our village was the scene of an exciting contest between Mr. Troy, of Harriston, and Mr. McDonald, of Artemesia, who met for the purpose of throwing the shoulder stone. Mr. McD. came off victorious. A great number of people from the surrounding country and Pricerville and Mt. Forest vicinity were present. While these scenes and others equally interesting were being transacted a pencil was noticed on a hay loft busily recording the events of the day. Talk about your phonographs!

Mr. Glenister spent a few days here. Thrifty farmers are preparing for harvest as may be seen by Mr. Love and Mr. John McDonald each purchasing a binder.

Mr. Richard Parslow has purchased a handsome democrat. Geo. Parslow and W. J. McLean are assisting in the erection of the newschool house for S.S.No.12.

James McMurdo had his knee cut with an adze four weeks ago. About a week ago it began to pain him severely although the wound was healed. Dr. McWilliams was consulted who pronounced it blood poisoning. He is now recovering.

Mr. Robt. Parslow, and little Hughie have gone to Port Hope to see friends.

Mr. Geo. Coulter is raising a new house.

Mr. D. Allan will soon be moving into his new dwelling.

Quite a number of our young people attended the circus in Mt. Forest with which they were highly pleased.

Mr. G. McArthur left for his home in Mich. on the 7th.

Flesherton Station.

By our own Reporter.

School will commence in another week, God willing. I am sure it will be a blessing to the parents as well as their children.

The Rev. Mr. Baskerville will preach in the hall Sabbath morning at half past ten.

We are glad to know that George McPherson is recovering from his illness.

Mr. and Mrs. McMillan left on Saturday for their home in Manitoba.

Mrs. Burnett left on Saturday to spend a few weeks with friends in Varney.

Miss Hemphill, of Dundalk, is spending a week with her friends here.

R. Cook has just finished his new stable, 24x36.

W. Ross is raising his house and is putting a foundation under it.

W. Rumsey is building a stone cellar under his house.

R. Whittaker has moved back to his old stand.

The young men who whistle and dance on the Sabbath day must not forget but what they have a soul to be saved as well as any one else.

Mrs. W. Hacken of Owen Sound, gave the station a short call.

Eugenia

From our own Correspondent.

Mr. George Parks is thinking of retiring from farming. I understand he has bought a house in Flesherton, so the family intends to move out there soon.

Mr. William Pedlar was made very happy one day last week by the arrival of a fine little boy at his house. Billy says the more the merrier.

Mr. Thomas Spence and family, of Toronto, are visiting at Mr. William Purvis's.

Mr. James and Mr. Will Purvis are home from Toronto on a visit at present.

The numerous friends of Mr. Jake Williams in this neighborhood are all very sorry at his departure from Flesherton, where he has been working for the last three years. He has gone to a situation in Hamburg. Jake will soon gain plenty of friends no matter where he goes. He is just what you can call a right good fellow, and every one wishes him the best of good luck in his new home, and we hope soon to see him back home again. The girls especially are sorry at his going away.

Mr. Editor, I wish you to correct a statement that appeared in the Orange Sentinel, dated July 13th. The heading was "Well done Flesherton," but Eugenia is the place that deserves the praise, for on the 1st twelfth of July Mr. John Williams, of Eugenia, and his seven sons, all Orangemen, one of them master of Eugenia lodge, marched in the procession. The old gentleman, although over seventy years of age, walked with as firm a step and form erect as any man present. So now I think Eugenia is entitled to be called the Banner Lodge of Canada, as there is not another Orange lodge can claim such a membership as that out of one family. Another incident I wish to mention: Mr. Williams ten years ago buried a fine little boy at Salem burying

ground, and on visiting there on the 12th of July I found two beautiful Orange lilies blooming on his grave, although none of the family ever remember of planting them there.

The thunder storms of Saturday and Sunday evening were the heaviest we had here for some years. There was some hail, but the rain fell in perfect torrents on Sunday, both morning and evening.

McIntyre.

From our own Correspondent.

The heaviest rain storm that has been for years passed over here on Sunday afternoon. However, little damage is thought to be done to the crops. Very sharp lightning accompanied the storm throughout. A fence post close to Hugh Robert's house was struck that the splinters from the post broke the windows.

There is much sickness around here just now. Mr. Neil McFadyen is very low at present.

Mr. John Miller is getting much weaker, and will not probably last much longer.

Little Fanny, daughter of Mr. Thos. Scott, is very low with inflammation of the lungs and bronchitis. At the time of writing very little hope is held out for her recovery.

Master Willie J. Robins has also been on the sick list for the last week with malarial fever, but is fast improving.

Mr. Alex. Muirhead was successful at the entrance examination in Flesherton, and we believe carried off the highest number of marks. Success Alex; go ahead.

Mr. Samuel McLean, from Dromore paid his many friends here a short visit last week. He reports doing a rushing business at the tailoring.

Kimberley.

From our own Correspondent.

The harvest is in full blast and the sample of wheat is good. Farmers are expecting a good turn out of wheat, although the straw is short. Threshing will commence this week.

Mr. Cook and son, of Toronto, who has been rusticated in this place for some time past, returned home last week.

Miss Victoria Myles has been quite ill for a week but we are glad to hear that she is around again.

Mr. W. Scott is having his house veneered with brick. It will present a lovely appearance.

Mr. Jacob Allan has completed the burning of his brick kiln, and is turning out first class brick.

Mr. Henry Hurd, and Mr. M. Gilbert left last week for Dakota. We are sorry to lose these citizens from our midst as they were very highly respected. But we hope they may prosper in the far west. They intend to return after the Dakota harvest is over.

Rev. W. Dinwoodie occupied the pulpit in the Methodist church on the second inst., and delivered a very good discourse.

I suppose your humble servant will have to answer for the very grievous sin he has committed against the Vandeleur team. The poor fellow must have been wandering in his mind or some evil spirit must have been propelling him, surely something was wrong or he would not have troubled his mind in the way he did for he goes away back more than a year ago and tells us about a baseball match and nobody was saying anything about it. Then he goes on with a lot of trash and at last he says that the Vandeleur team had not a player from Parry Sound as we said. Well perhaps we did not make the distinction plain enough to suit the poor fellow, but we thought it was plain enough for most people to understand. The Kimberley football team did wipe the ground with Vandeleur as much as the latter did with Kimberley in the base ball game notwithstanding that the Vandeleur football team had a player from Parry Sound. Don't get excited, but keep cool, and you will come around all right.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.
