The Hon. Thos. McGreevy is said to have paid a visit to Quebec on Thursday last. By the way, it is high time the honorary prefix was dropped from McGreevy's name. It is a travesty.

The late senate investigation into the Pacaud-Armstrong affair must tend to popularize that body in a certain degree, and cause those who demanded its dissolution to pause in their campaign against the "effete old woman's convention."

The Quebec government has accepted Lieut. Governor Angers' commission to enquire into the Pacaud-Armstrong deal.

People Wonder

WHEN they find how rapidly health is restored by taking Ayer's Sarsaparilla. The reason is that this preparation contains only the purest and most powerful alteratives and tonics. To thousands yearly it proves a veritable elixir of life.

Mrs. Jos. Lake, Brockway Centre, Mich., writes: "Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony. I was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I began the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an

Improvement

in my condition, my appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and I cannot thank you too much."

"We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. Lake, is true in every particular and entitled to full credence."—O. P. Chamberlain, G. W. Waring, C. A. Chambers, Druggists.

"My brother, in England, was, for a long time, unable to attend to his occupation, by reason of sores on his feet. I sent him Ayer's Almanac and the testimonials it contained induced him to try Ayer's Sarsaparilla. After using it a little while, he was cured, and is now a well man, working in a sugar mill at Brisbane, Queensland, Australia."—A. Attewell, Sharbot Lake, Ontario.
