The tax collectors are now wending their weary ways around the concessions and sidelines in an endeavor to collect the necessary amount of "grease" required to keep our municipal axes from heating for another twelve months.

The consciousness of having a remedy at hand for croup, pneumonia, sore throat, and sudden colds, is very consoling to a parent. With a bottle of Ayer's Cherry Pectoral in the house, one feels in such cases a sense of security nothing else can give.

I. B. Lucas, barrister, Markdale, has \$10,000 private funds to lend on farm mortgages within the next few months at lowest current rates. No commissions, no delays, expenses low. Apply at office in Markdale during the week or at Dundalk office on Saturdays.

"One touch of nature makes the whole world kin." Diseases common to the race compel the search for a common remedy. It is found in Ayer's Sarsaparilla, the reputation of which is worldwide, having largely superseded every other blood medicine in use.

Over Coats and Suits in piles. All sizes and prices to suit your purse. W. W. Trimble.

Division court will be held in Flesherton one week from to-day (Thanksgiving day). No doubt there will be those at court who will have much reason to be thankful. On the other hand there will be those there who will find it difficult to indulge in any thankful offertory. This division court will utterly spoil the day for some people.

It pays to advertise in The Advance if you desire to dispose of stock, if you have lost anything, or if you have found anything. Almost innumerable articles have been recovered in this way during the past summer and fall. We make no charge where a lost article or animal is not found, which goes to show that we are prepared to prove our words when we say it pays to advertise in this paper. Could anything be fairer?

At this season, farmers are looking up live stock which has been at large during the summer. If on counting up any are missing, you will save time and money by at once advertising. If animals are

estrays, upon your premises, it is your moral and legal duty to advertise them. If you do not do so, you can recover nothing for their keep, and are liable to prosecution and the imputation that you dishonestly desire to retain them.

Grip's Comic Almanac for '92 will be the thirteenth issue of that popular annual, and the Publishers have determined that it shall break the record for brilliancy, humor and typographic beauty. Amongst the features of it will be a double page Cartoon, entitled, "The Dicken's Christmas Party," in which a large number of our public men will figure in more or less appropriate characters, from the works of the great novelist. The work is to be brought out in the highest style of the printers' art, though there will be no increase in price—10 cents. It will be out sometime in November.

Mantle Cloths and Dress Goods in new patterns opening out this week. W. W. Trimble.

The telephone is now in operation as far as Markdale. Two wires are being strung between here and Owen Sound—one to run through to Toronto and the other to Durham, Mt. Forest and Stratford. These lines south and west are completed and our conversational powers are unlimited so far as the main cities and towns of the province are concerned. A number of private 'phones have been and are being put into business places here and at the station, and all are united in saying that the telephone is a great institution. The private instruments have not yet been put in at Durham, although there are a large number of subscribers there.

Miss M. E. Smith, of Poplar Hill, is the guest of Miss M. E. Smith, of this place.

Master George Thurston of the Hanover Post staff, was a guest of The Advance on Saturday and Sunday last.

Miss Lou Armstrong returned home on Monday evening last after spending a couple of months with friends in Toronto and elsewhere.

Mr. Victor Kester, who spent three years in the employ of this office, departed for Toronto on Monday to seek a situation. Vic was a trustworthy boy, and we wish him success.

Mantles! Mantles! A beautiful assortment in ready-made Mantles. W. W. Trimble.

Hallowe'en.

The "Eve of Vigil" came off this year without any special attractions being forced upon the vigilant people of Flesherton. The same old gate-moving racket was resorted to to a small extent. An out-house belonging to Mr. Wm. Strain was demolished, but a detective was put on the track of the miscreants, and Monday night witnessed a raising at which the jokers officiated in order to save their Thanksgiving pennies. In plain English Mr. Strain laid a complaint before J. W. Armstrong, J. P., and the young rascals thought it better to undo the damage than to pay a fine. The detective, however, is having a hard time of it, and the affair has created considerable amusement.

Church News.

Rev. Mr. Tonge will preach at the station at 3 o'clock p. m. on Sunday next.

the regular quarterly communion. Rev. J. K. Davey, chairman of the district, will preach in the morning.

Council.

The regular monthly meeting of Artemesia township council was held in the town hall on Monday last, all the members present, the reeve in the chair. Minutes of previous meeting read and confirmed. The following accounts were rendered: W. J. Bellamy, expenses, \$5.05; W. Richardson, stationery, \$1; John McGruther, covering culvert, \$4.50; selecting jurors, \$12; W. J. Percy, repairs, \$2. Joseph Dorner requested reduction in taxes owing to having his barn burned, which matter was referred to Mr. Kells. The various accounts as above given were, on motion, ordered to be paid. A communication, received from Mr. F. Whewell, requesting repairs to a hill east of lot 40, con. 10, was, on motion of Messrs. Kells and McMillan, held in abeyance for a time as council was not in position to deal with the matter. Mr. McMillan was instructed to have railing repaired on the Saugeen bridge at Priceville.

Moved by Mr. Kells, seconded by Mr. J. Thompson, that the reeve be paid twenty dollars and fifty cents disbursements in connection with land improvement fund. Carried.

Council then adjourned to meet again on Tuesday, Dec. 15, at 9 a.m., for the purpose of receiving treasurer's financial statement and general business.

Married.

STINSON—McLEAN—At the residence of the bride's father, Collingwood, on Wednesday, Oct. 28, Mr. J. O. Stinson, druggist, of Chesley, to Miss Tess McLean.

Lady Bank.

From our own Correspondent.

Indian summer's short life seems ended.

Ploughing generally behind what it ought to be. Threshing about completed. Fall wheat looks well.

Hallowe've has come and gone. Three gates were taken off their hinges and carried up the hill to the vacant Methodist church. It is said "boys will be boys." It is to be hoped they will find better evening employment. I was along the gravel road and saw several gates were wanting. It is to be hoped the coming maw will not distinguish his youth by celebrating hallow eve after the fashion of young Canada hereabouts.

Miss Phillips, of Toronto, is visiting at Mr. E. Hanley's.

I heard some persons discussing the merits of a recent communication to The Advance. I think the quotation from Longfellow would be appropriate: "Let the dead past bury its dead."

The students of Toronto gathered in force Saturday night and celebrated Hallowe'en by demolishing the fence around the Normal School.

WHY COUGH,

WHEN a few doses of Ayer's Cherry Pectoral will relieve you? Try it. Keep it in the house. You are liable to have a cough at any time, and no other remedy is so effective as this world-renowned preparation. No household, with young children, should be without it. Scores of lives are saved every year by its timely use.

Amanda B. Jenner, Northampton, Mass., writes: "Common gratitude impels me to acknowledge the great benefits I have derived for my children from the use of Ayer's most excellent Cherry Pectoral. I had lost two dear children from croup and consumption, and had the greatest fear of losing my only remaining daughter and son, as they were delicate. Happily, I find that by giving them Ayer's Cherry Pectoral, on the first symptoms of throat or lung trouble, they are relieved from danger, and are becoming robust, healthy children."

"In the winter of 1883 I took a bad cold which, in spite of every known remedy, grew worse, so that the family physician considered me incurable, supposing me to be in consumption. As a last resort I tried Ayer's Cherry Pectoral, and, in a short time, the cure was complete. Since then I have never been without this medicine. I am fifty years of age, weigh over 180 pounds, and attribute my good health to the use of Ayer's Cherry Pectoral."—G. W. Youker, Salem, N. J.

"Last winter I contracted a severe cold, which by repeated exposure, became quite obstinate. I was much troubled with hoarseness and bronchial irritation. After trying various medicines, without relief, I at last purchased a bottle of Ayer's Cherry Pectoral. On taking this medicine, my cough ceased almost immediately, and I have been well ever since."—Rev. Thos. B. Russell, Secretary Holston Conference and P. M. of the Greenville District, Meigs Co., Jonesboro, Tenn.
