B. G. Evans—The Store on the Hill,

Wodehouse Items.

From our own Correspondent.

Mr. Editor, our items of three weeks ago went astray, and now we must repeat a little.

Business is on the move in our village. Plenty of snow yet, and the people are busy hauling logs and lumber in the opportune time. They have also most of the bricks for the new church placed on the building site. The church will soon go up, as the people have a mind to work.

Since our last writing several of the young have left us. Master Earnest Morwood and his sister, Miss Maggie, accompanied their uncle, James Morwood, on his return to his home in N. D. Mr. Morwood speaks well of the country there, and is well satisfied to stay there.

Mr. Chas. Dowding went to B. C. this spring to his brother's.

The annual church tea held in the Methodist church was a success. We were very sorry that our pastor, owing to illness, was not able to attend. Rev. Mr. Davey, of Markdale, addressed us in a very pleasing manner. The music by the choir was all that could be desired.

Messrs. Reid & Moore, of Lindsay, Victoria county, are visiting friends in this and Vandeleur neighborhoods.

Mr. T. B. Carruthers attended the meeting of the Grand Lodge of the Orange association held last week at Owen Sound.—[Crowded out last week. Ed.]

Meaford Road.

From our own Correspondent.

More sickness—Mrs. G. Pritchard and Mrs. G. Warling have had an attack of inflammation of the lungs.

We fear that our merchant is going to try farming for a change. The Sabbath school anniversary was held last week and was as heretofore a decided success.

Mr. J. Weber and Mr. J. I. Graham are up at the county town this week attending the court.

Mr. J. Brodie was there last week attending the meetings of the Grand Black and Orange Lodges.

Mr. Richard Smith is the successful competitor for running the Meaford Road milk waggon this season.

From a Special Correspondent.

Rev. Fydel, of Euphrasia circuit occupied the pulpit here last Sabbath, and preached from "I am the bread of life." He showed the necessity of personally partaking of that Bread in order that spiritual life be maintained.

The Rev. — of — is announced for next Sabbath afternoon to preach the Educational sermon.

Our pastor has obtained the promise of a treat for us (if we pay a trifle for it of course) in the form of an illustrated lecture by the Rev. Trollope, of Singhampton, on an Inchoate people, in connection with a concert by the Flesherton choir, on Tuesday evening, 22nd inst.

Feversham News.

From our own Correspondent.

We have had a high old time with the weather.

The board of directors for the Farmers' Milling Co. met last Saturday and accepted the mills conditionally. Messrs. Ross & Johnson have left, thus leaving the miller practically boss of the situation and he, with the help of Mr. A. Conron, is doing big work in tying bags.

Mr. W. B. Galloway is making an unusual hum in the singing line, he having secured a class of something over thirty and more to follow. Outsiders who can't sing can have a good time, so come along.

We are never too old to learn and would therefore like to know, 1st, who is Dugal Archie and 2nd, where is Hogg's Hollow, Osprey.

Kimberley.

From our own Correspondent.

The first sociable under the auspices of the Y. P. S. of C. E., of Kimberley, was held in the parlors of J.

M. Thurston on Monday evening last. Amusements consisted of readings, recitations, solos, duets, etc. An evening of enjoyment and of profit was spent, all present uniting in the verdict that it was good to be there.

Mr. Wm. Stewart, wife and family left on Monday for Powassan, Muskoka, where he has purchased a farm. The people of Kimberley, wishing to give some substantial evidence of the esteem in which they were held, assembled in the union hall, where tables were set, and justice done to the good things thereupon laid. After the inner man was satisfied, a few hours were spent in which Miss Myles and Miss Thurston gave some appropriate selections on the organ, accompanied by Mr. Hannah on the flute, and Mr. Heard and Mr. Bell on the violin. The following address was read, to which Mr. Stuart made a suitable reply. The people then dispersed to their respective homes, all joining in saying they had a good time.

Mr. and Mrs. W. H. Stuart:

DEAR FRIENDS,—It is with heartfelt regret that we learn of your intention of leaving Kimberley. Your integrity, kindness and hospitality have gained for you the best wishes of all who have had the pleasure of your acquaintance, and now on behalf of the people of Kimberley, allow us to present Mrs. Stuart with these tokens of our friendship, not for their intrinsic value, but as a slight token of our esteem. May God spare your lives and give health and prosperity to use them, and may His rich blessings rest on you and your children is the heartfelt wishes of the people of Kimberley.

Signed (Mrs. J. R. FAWCETT,
Mrs. J. PLEWIS,
J. A. McCONNELL.)

Kimberley, March 10th, 1892.

Mount Zion.

From our own Correspondent.

Feed around here is getting scarce with a great many farmers and judging by the weather we are only beginning the winter as far as storms go.

Miss Lillie Ross, who has been visiting friends and parents here, intends going to Shelburne this week.

Mrs. Cornfield is still improving. James Cornfield jr. is again laid up with the quinsy.

Walter and Lillie Taylor paid a visit to friends near Rocklyn recently.

The numerous friends and acquaintances of Willie Morton will be glad to learn that his health is as much improved as to enable him to reach home, although far from being in as good health as when he left us.

Miss Lizzie Rehill has gone to Toronto.

Farmers are busy getting their seed ready, and judging from the quantity of new seed coming into this part, farming is looking up.

The storms of Sunday and Monday have filled up the roads and made them very heavy.

Married.

SPICER—STONE—On the 9th inst., by Rev. E. J. Husband, at the residence of the bride's aunt, Mr. Henry M. Spicer, of Dunlop, to Miss Eva E. Stone, of Artemesia.

The following amended fisheries regulation, applicable to the province of Ontario, has been passed: "No one shall fish for, catch, kill, buy, sell or possess any speckled trout (Salvelinus Fontinalis) between the 15th day of September and the 31st day of March, both days inclusive in each year."

The Orangemen of Meaford are completing arrangements for holding a monster demonstration on the 12th of July. Lodges are expected from all parts of the county, and an effort is being made to induce the Simcoe fraternity to attend also. A great day is expected.—[Mirror.
