B. G. EVANS.

To the Editor of The Advance.

DEAR SIR,—We would humbly beg of you to grant us a short space in your highly esteemed paper to correct some statements that, we understand, have been written by some one at Eugenia to the Markdale Standard. As that correspondent is not connected in any way with our Orange lodge, we consider that he has taken upon himself something that we never gave authority for, and that was to criticize our teaming, and trying to bring discredit on some who are not deserving of such. As for our Kimberley friends, they do not merit what he is trying to put on them. The conduct of the young ladies, who favored us with their presence from Kimberley was above reproach, and the young gentlemen who accompanied would not stoop to anything so low as to come to disturb our meeting. If one poor fellow was unfortunate enough to be overcome with a glass too much, are all the rest from Kimberley to be dragged into the mud on his account? The Eugenia correspondent to the Standard must be an immaculate person when he is able to throw stones at a fallen brother. However, we never asked him to throw them for us. If we have anything of that kind to do we will do it ourselves, therefore we sincerely hope Kimberley people will accept this as an apology for anything that has been said amiss, as such as has thus been said never came from any member of our lodge, and we are not responsible for outside grumblers. If we knew the person who wrote we would willingly give him back his twenty-five cents if he is not satisfied.

From the members of Loyal Orange Lodge No. 1118.

Eugenia, March 28.

### Feverham News.

From our own Correspondent.

A mass meeting of shareholders of the Osprey Farmers' Milling Co., was held last Tuesday, in the Orange Hall. More particulars next week. We might say that the mill is running night and day and still cannot keep up with the work.

We are sorry to have to relate the sad end of our beautiful singing school and while we bemoan our fate, we are comforted with the thought that no more we'll here the tolling bell, no more cutter rides to Maxwell.

Another bereavement that Feverham is called upon to bear, is the sad fact that Ted has resigned the Mayors chair; thus forcing upon us an election in the near future. Ted's reason for resigning is that the country business is pressing too heavy upon him.

Mr. Ira Perigo has been engaged to run the sawmill.

Mat Woods, who has been upon the shelf with a sore knee, is around again.

We are sorry to hear that Miss Annie McLearn has been suffering with neuralgia.

Miss Godfrey, of Meaford, is visiting at Mr. Robert Paul's.

Mr. Henry Alexander has now completed his cutting education, and we may expect a first-class tailor shop to be opened in our midst.

Mr. John Park paid a short visit to his home last week. Boys it is too early for 1st of April jokes.

Miss Alice Whewell intends opening out a first-class dressmaker's shop in the near future. Success to it.

### McIntyre.

From our own Correspondent.

Your correspondent from here has been negligent of late in reporting the important events, but will try and be more punctual in future.

Mr. Donald McIntyre, on the gravel road, has disposed of his stock and implements and has leased his farm to Mr. Malcolm McIntyre.

Mr. D. McIntyre with his wife and family, and Mr. D. McFadden and Mr. M. McIntyre, wife and family, all intend leaving in a few days for Oregon.

Mr. Thomas Parsons, from Not-

tawasaga, has leased Mr. R. Morrison's farm on the gravel road and is moving there this spring.

The Averill family have leased the old McLean farm to Wm. Veitch, and are moving back on their old farm, which has been occupied last year by Mr. A. Bell. Mr. Bell is moving on to his own farm lately occupied by Mr. Veitch.

One of those pleasant events took place on Tuesday of last week, at the residence of Mr. Newell, by which Mr. Louis Moore and Mr. Newell's fourth daughter, Ellen, were joined in the bonds of Matrimony, by Rev. Mr. Trollope. The young couple have the best wishes of the community. Everything passed off pleasantly, but Geo. delayed his departure till an early hour.

Rev. Mr. Johnson, from Maple Valley, occupied the pulpit here on Sunday evening.

Miss Mary Ann McLean is ill at present, with inflammation of the lungs. Dr. McEwen is in attendance.

Mr. John Douglas, sr., is slowly recovering from a severe attack of la grippe.

### Flesherton Station.

By Our Reporter.

Messrs. Arch. Campbell and Arch. Ferguson, of Caledon, are visiting at Mr. John Muir's.

Miss Sarah Ann Muir returned home after spending a few weeks visiting friends in Caledon township.

Miss Mitchell, of Dundalk, left for home on Thursday last after a few days pleasantly spent at Mr. Alex. Stewart's (cousin) and other friends.

Mr. Alex. McPherson left last week for Montana. Alex. is a hustler, and is sure to get along well in the "wild and woolly west."

Miss Clara Snowdon left for her home in Guelph on Monday last, after rusticing for a few weeks at her uncle's, Mr. Alex Stewart's.

Mr. Duncan Muir shipped three car loads of pressed hay from this station last week for the Toronto market.

Mr. Mark Stewart sold the farm recently purchased by him to Mr. Andrew Gilchrist. Mark saw a chance of turning an honest dollar by way of speculation and certainly "let her go."

Mr. D. D. McFarlane, our popular merchant, is going to leave our town about the first of April, and locate near Uxbridge. He has nightly auction sales, where goods are almost given away by the comical auctioneer, Mr. J. W. Morrow. We are sorry to lose a citizen like Mac, as he is one of those wicked Grits.

### Instioge.

From our own Correspondent.

While handling lumber some days ago Mr. Robert McQuay had a sliver accidentally forced under the nail of a finger, which resulted in blood poisoning, leaving Mr. Mc. in a serious condition. The best medical aid in the country was procured, and Mr. McQuay is now in a good way to recovery.

Mrs. Geo. Bannon is again convalescent.

Mr. Wm. Maxwell has removed to his farm at Zion.

Mr. Henry Gallaher has come to live on Mr. Richard Campbell's old farm. We bid Mr. G. a hearty welcome amongst us.

The Victoria cheese factory will be in full operation this season. Mr. Wm. Hames is yet the proprietor.

The revival services conducted here during the last three weeks by Miss Williams (evangelist) were brought to a close on Friday evening last. As a result, forty persons were received on trial, in the C. M. church here, six of them publicly receiving the rite of baptism. The church here has apparently received a great spiritual help.

Ladies appreciate Anti-Dandruff from the fact that it not only thoroughly removes Dandruff with three applications, but stops falling of the hair, restores fading hair to its original color, and makes it soft and pliable without leaving any indication of dressing being used—clear as crystal, clean to use, it is a valuable toilet preparation.

A. Audette, proprietor House of Commons barber shop, Ottawa, says: A number of my customers are using Anti-Dandruff, and it gives the best of satisfaction and I consider it a success for the purposes advertised.
