Durham, according to the Review, has a "cracked marksman," who slew a groundhog the other day. There is a rising fear that Durham also has a "cracked" editor.

They are having a prolific crop of lambs around Hoath Head. Mr. Geo. Wilkison has one ewe with three lambs, Mr. Neil McDonald another with three lambs, and Mr. Irwin still another with three lambs. But Mr. Malcolm McKerrroll heads the list. He has one ewe with three lambs, another with four lambs, and still another with five lambs. In other words they have six ewes with 21 lambs inside of half a mile.—[O.S. Tiscr.

Alderman Lucas, of Toronto, has been in town for a few days, and on Saturday afternoon he and Mr. John Corbet, jr., son of our well-known townsman of that name, took a drive to Shallow Lake. When about two miles this side the Lake on their way out they noticed that the roof of a small farm house was blazing merrily round the chimney. They pulled up, and while the portly alderman proceeded to extract himself from the buggy with due regard to the springs, his younger companion sped on ahead to call the attention of the inmates to the danger menacing their home. Here, however, the difficulty came in, for apparently there were no inmates. Repeated calls and rappings produced nobody; but, looking through the window, Jack saw a baby cosily asleep in its cradle within. He speedily got inside, picked up the youngster, cradle and all, and transferred it to safer quarters under the sky blanket. By this time he was joined by Mr. Lucas, and seeing one man in the landscape ploughing at some distance they lifted up their voices together for his benefit. After shouting themselves hoarse they finally conveyed to him the state of affairs, and he unharnessed his horses, put them in the stable and strolled to the rescue. The travellers by this time had hunted up some pail, and a neighbor or two happening along, a bucket brigade was organized and the fire put out by throwing water from the ground to the roof. The mother too returned from a call at a neighbor's and was much concerned to find her baby out in the cold. The drivers continued their journey wet to the skin with water from the roof; but next time they pass a burning house with a baby inside they will do their duty just the same.—[O. S. Advertiser.

People Wonder

WHEN they find how rapidly health is restored by taking Ayer's Sarsaparilla. The reason is that this preparation contains only the purest and most powerful alteratives and tonics. To thousands yearly it proves a veritable elixir of life.

Mrs. Jos. Lake, Brockway Centre, Mich., writes: "Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony. I was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I began the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an

Improvement

In my condition, my appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life, and I cannot thank you too much."

"We, the undersigned, citizens of Brockway Centre, Mich., hereby certify that the above statement, made by Mrs. Lake, is true in every particular and entitled to full credence."—O. P. Chamberlain, G. W. Waring, C. A. Wells, Druggist.

"My brother, in England, was, for a long time, unable to attend to his occupation, by reason of sores on his foot. I sent him Ayer's Almanac and the testimonials it contained induced him to try Ayer's Sarsaparilla. After using it a little while, he was cured, and is now a well man, working in a sugar mill at Brisbane, Queensland, Australia."—A. Attewell, Sharbot Lake, Ontario.
