COUNTY AND DISTRICT.

Owen Sound, which has hitherto had twelve licensed hotels, will hereafter be allowed twenty.

Burglars attempted to blow open the safe in the Meaford postoffice one night last week, but were frustrated in their attempt.

OWEN SOUND, April 29.—James F. Farrow who was arrested in St. Thomas some ten days ago appeared for trial at Owen Sound Friday afternoon before Geo. Price, J. P. The prisoner was sent down for trial at the Fall Assizes without bail. Both of his alleged wives, Lizzie Carmichel, of New York State, and Martha Holmes, of Tobermorey, were present, and they chatted together in an unconcerned manner. It is probable Farrow will apply to the county judge to be admitted on bail.

Be a Missionary.

How often in church, lecture-room or theatre one will notice the shoulders of a good-looking and well fitting garment plentifully besprinkled with Dandruff. Be a missionary and tell people that Anti-Dandruff is guaranteed to remove Dandruff with three applications.

Residents on the second concession of Vaughan Township, close to Cook's mill, are telling of a remarkable incident that occurred there a day or two ago. A wagon loaded with hay was standing on the road near the mill, having come to a halt there. There was not a shadow of breeze at the time. Suddenly without the least warning the wagon and load spun half round and was thrown over on the road, the horse and driver going with it. The affair seemed most incomprehensible to the driver, who was considerably bruised. The onlookers held an investigation into the incident and decided that the mishap was caused by a whirlwind.

For past year I have been troubled to a very great extent with Dandruff, also a dullness of color in my hair, and through the advice of a friend (who spoke from experience) I tried your Anti-Dandruff, which, upon application of less than a bottle of your fluid I find my hair not thoroughly cleaned but a vast improvement in the color and growth.

I have and do recommend it as highly beneficial to the profession and public generally as an agreeable and welcome innovation in the remedies put forth for public favor.  
Yours, etc. Wm. F. WOLFE,  
Advertising Agt., "Frank Daniels Co."  
Season 1890-92.

Friday morning last, about 3 o'clock, burglars entered the stores of E. Berwick & Co. and Trewin Bros., of Shelburne. They bored Trewin Bros. safe and succeeded in knocking off the the combination. There was a considerable sum of money in the safe, but a number of dogs made a noise and this woke several young men who room over the store. Mr. Thomas Dunkin went down stairs to see what was the matter, and it is thought the burglars heard him coming down and left the store. They did not take time to search the safe after breaking the combination. As soon as Mr. Dunkin appeared on the street several shots were fired at him one taking effect in his leg, but fortunately the wound is not serious. Having nothing to protect himself with, Mr. Dunkin sought refuge in his room and the burglars escaped and are still at large.

"Like Magic,"

THE effect produced by Ayer's Cherry Pectoral. Colds, Coughs, Croup, and Sore Throat are, in most cases, immediately relieved by the use of this wonderful remedy. It strengthens the vocal organs, allays irritation, and prevents the inroads of Consumption; in every stage of that dread disease, Ayer's Cherry Pectoral relieves coughing and induces refreshing rest.

"I have used Ayer's Cherry Pectoral in my family for thirty years and have always found it the best remedy for croup, to which complaint my children have been subject."—Capt. U. Carley, Brooklyn, N. Y.

"From an experience of over thirty years in the sale of proprietary medicines, I feel justified in recommending Ayer's Cherry Pectoral. One of the best recommendations of the Pectoral is the enduring quality of its popularity, it being more salable now than it was twenty-five years ago, when its great success was considered marvelous."—R. S. Drake, M. D., Beloit, Kans.

"My little sister, four years of age, was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skillful man and of large experience, pronounced it useless to give her any more medicine; saying that he had done all it was possible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly say, with the most happy results. After taking a few doses she seemed to breathe easier, and, within a week, was out of danger. We continued giving the Pectoral until satisfied she was entirely well. This has given me unbounded faith in the preparation, and I recommend it confidently to my customers."—C. O. Lepper, Druggist, Fort Wayne, Ind.
