Kimberley.

From our own Correspondent.

The Kimberley correspondent has been idle for a couple of weeks, but will try and mend his ways, and do better in the future.

I see by last Advance that you, Mr. Editor, have got a little ahead of me in writing about the twenty-fourth in Kimberley. However, I may state a few things which will be of interest. We wonder why there was not a better reception made by our Patrons for other edges who visited us that day. Visitors began to arrive in the morning, but there was not a member near to welcome them in any way. It would be well after this to have a committee appointed to attend to all such matters. I suppose it is quite unnecessary to state that it rained and spoiled the pleasure to a certain extent. In the evening Rev. Mr. Trollope, of Singhampton, delivered a pleasing and instructive lecture. Subject, "An Inchoate People." It was not so largely attended, as it would have been had the weather been more favorable.

Mrs. James Magee and family have gone to Toronto to reside.

Mr. Neely, of Harkaway, occupied the Methodist pulpit last Sunday morning in the absence of Rev. Mr. Thompson. Mr. Neely is a young man of pleasing manner and good ability. We predict for him a bright future in the good work he has chosen.

The Bishop of Huron visited our village and preached in the union church. The discourse was good, and those who did not avail themselves of the opportunity of hearing this learned gentleman missed a rare treat.

Gardening, and the small boy with a spring whistle are all the rage now.

We do not know of the preparation that has gained the public favor, but we should like to see Dodd's Kidney Pills, but when we consider that three-fourths of the Canadian people are affected with kidney troubles in some form or other, and that Dodd's Pills are a quick and permanent cure for all these troubles, the large and increasing demand can scarcely be wondered at.
