COUNTY AND DISTRICT.

The editor of the Meaford Monitor is off on a trip to Iowa.

One of the parties who sold liquor at the R. C. picnic at Melanethon, was fined \$50. The fine was paid.

About 50 cannon balls were brought up from the bottom of the Detroit River by the Dominion Government dredge Ontario. They were landed at Amherstburg and were eagerly sought for by relic hunters.

Fire bugs are said to be at work in the vicinity of Meaford. Mr. Jas. Lemon, of Woodford, and Mr. E. Wright town-line Sydenham and St. Vincent, each had a barn burned, together with the contents.

Whilst leaning against an iron pillar during a thunderstorm on Tuesday afternoon, Chief Dealy experienced a shock from a flash of lightning and was completely paralyzed for some moments.—[Meaford Mirror.

John Fargrave, hotel keeper at Waldemar, after spending a day in a drunken carousal, died instantly while sitting at table eating his supper. The body remained in a sitting posture in the chair until 10 o'clock a. m. next day before it was removed by an undertaker.

A neighbor not far from here observed a large eagle ascend from a pond in a field and when it had risen to a great height it closed its wings and fell to the earth. The observer was somewhat surprised, when on examination he found a weasel concealed under its wing, sucking it heart's blood.—[Whitfield cor. Orange-Advertiser.

Two weeks ago Mr. Chas. McInnes, of Yeovil, found it necessary to confine his wife in an asylum for the insane and in company with his wife's brother, deputy-reeve Swanton, took the unfortunate lady to Orilla. On Thursday last word was received that in an attempt to escape from the asylum she had fallen from the top of a verandah, three stories from the ground, and received injuries which resulted in her death. On Friday Mr. McInnes proceeded to Orilla and in the evening returned with the remains. On Saturday the funeral took place at Yeovil. Deep sympathy prevails throughout this section for the husband and family of five children, and other friends of the deceased in their sad loss and terrible affliction.—[Mt. Forest Representative.

The Western Fair.

THE \$2,000 ADDITION TO THE PRIZE LIST IS A GOOD EFFECT.—THE ENTRIES AWAY IN ADVANCE OF LAST YEAR.—SPECIAL ATTRACTIONS.

The Secretary and Directors of Canada's Favorite Exhibition are busy arranging all the preliminaries for the coming fair. The exhibit promises to be larger and better and more instructive than ever before.

The prizes in the speeding contests have been doubled, and the Directors have added \$2,000 to the prize list. This step, they felt was necessary to encourage the farmers and breeders, who go to great expense every year to secure their stock and products, as nothing but the finest seeds and breeding stock satisfy the present demands. This action on the part of the Directors, has had its good effect, the entries in the live stock departments being far and away ahead of last year in numbers. Space is all taken up in the main building and other buildings.

The programme of the special attractions has been issued, and if everything is carried out as stated therein, the patrons of the fair will have rare entertainment. Among the special attractions, we notice Madame Marantette and her horses, Lyon's Trick Oxen, "Cat" Orchestra, Tubular Chime Bells, Bongo Company of Gymnasts, etc., Ballon Ascensions, Fire Works, Cross cut Sawing contests, Fire Engine contests, Palace of Illusions and a lot of others.

The Secretary informs us that 30,000 daily programmes are now being sent out from the offices of the association and can be had on application.

The dates on which this great exhibition will be held are from Sept. 15th to 24th.

Back-ache is caused by sick kidneys. Dodd's Kidney Pills will remove it. By their peculiar action on the kidneys, they impart activity and benefit the system by purifying the blood. You cannot have pure blood with disordered kidneys; health's existence depends upon their natural condition; they are the governors of the system, continual disorder results in kidney consumption, which is Bright's disease.

AYER'S Sarsaparilla

Is superior to all other preparations claiming to be blood-purifiers. First of all, because the principal ingredient used in it is the extract of genuine Honduras sarsaparilla root, the variety richest in medicinal properties. Also, because Cures Catarrh the yellow dock, being raised expressly for the Company, is always fresh and of the very best kind. With equal discrimination and care, each of the other ingredients are selected and compounded. It is

THE Superior Medicine

because it is always the same in appearance, flavor, and effect, and, being highly concentrated, only small doses are needed. It is, therefore, the most economical blood-purifier in existence. It makes food nourishing, work pleasant, sleep refreshing, and life enjoyable. It searches out all impurities in the system and expels them harmlessly by the natural channels. AYER'S Sarsaparilla gives elasticity to the step, and imparts to the aged and infirm, renewed health, strength, and vitality.
