Thursday, Nov. 10, has been appointed Thanksgiving day.

Bills have been issued for the Artemesia fall fair, which is to be held in Priceville on Oct. 11 and 12.

Rev. A. Mc Gillivray, H. C. R., lecturer for the I. O. F., will deliver a lecture in the Town Hall on Friday evening, Oct. 7. See bills for particulars. Admission free.

Mr. Barlow, of the Kimberley circuit, filled the Methodist pulpit very acceptably on Sunday evening, preaching from the text, "Now ye are clean through the words which I have spoken unto you."

L. B. Lucas, barrister, Markdale, has \$10,000 private funds to lend on farm mortgages within the next few months at lowest current rates. No commissions, no delays, expenses low. Apply at office in Markdale during the week or at Dundalk office on Saturdays.

A Universal Beautifier.—Harmless, effective, and agreeable, Ayers Hair Vigor has taken high rank among toilet articles. This preparation causes thin, weak hair to become abundant, strong, and healthy, and restores gray hair to its original color.

The teaming at Meaford Road on Monday evening was a decided success, some twenty-one dollars being made. Rev. A. W. Tonge occupied the chair. The speakers were felicitous, the eatables enjoyable and everything went off most pleasantly.

Another lot of that tea that pleased everybody. 6 lbs. for \$1, at M. Richardson & Co's.

In an age of fraud and adulteration, it is certainly gratifying to know that such an extensively-used preparation as Ayer's Sarsaparilla may be implicitly relied upon. It never varies either in quality, appearance, or effect, but is always up to the standard.

Mr. J. I. Graham will exhibit at the East Grey fair nearly 100 varieties of fruit, named. This will make an exhibit worth looking at and studying, as Mr. Graham has gone to much pains to have his fruit properly classified. It will also give amateur fruit raisers a chance of studying and comparing the various varieties grown.

Bro. Fawcett of the Streetsville Review is gloating over a 9-foot 10-inch corn stalk which he has discovered down there. Pshaw, A. R. I! Didn't you notice our 11-footer of a few weeks ago? Since then we have heard of another measuring thirteen feet. Toronto township may be able to raise Credit-able suckers and afford iron bridges, but it can't get there on the same day with Artemesia corn!

The Presbyterian congregation at Eugenia will have a harvest home festival in the Orange Hall, on the evening of Friday, the 7th October. Tea will be served from 7 to 8 o'clock, to be followed by vocal and instrumental music, speeches, readings and recitations. The public are cordially invited and they may depend upon an excellent tea and a first class entertainment. Admission 25 cts. each.

The weekly Empire is presenting its subscribers for next year with a picture of the Conservative members of the House of Commons, 1892. The picture is a very large one, and each individual is as distinct and true to life as the art of photography can possibly make them. This picture is, without doubt, one of the finest things ever given away as a premium by any newspaper. The Empire is generous to its patrons.

A shipment of cheese was made from the Flesherton factory last week, which brought 94 cts. per lb., the highest price paid. The inspector visited our factory on Saturday week. He found everything in apple-pie order and advised Mr. Stewart to exhibit a sample of his cheese at the world's fair in Chicago.

This gives an idea of how the inspector estimates Charley's ability as a cheese maker.

There is not, and there cannot be any smoking tobacco superior to the "Myrtle Navy brand." A wrapper of brighter appearance and higher price it is possible to get, but all wrappers are very poor smoking tobacco and but a single leaf is wrapped round a plug. The stock used in the body of the "Myrtle Navy" plug is the very best which money can purchase. The powers of the Virginia soil can produce nothing better, and no other soil in the world can produce as fine tobacco as that of Virginia.

Miss Pringle, of Toronto, and Jas. Fax, humorist, have been engaged for the concert on the evening of the second day of our fall fair. Mr. Fax and Miss Pringle are costly talent to engage, but the directors were bound to furnish an extra good program at the risk of losing money, rather than give a poor program for the sake of saving a few coppers. Anyone who wishes to enjoy a pleasant evening, forgetting cares and worries, can do no better than attend this concert. Tickets have been placed at 25 cents to any part of the hall—no lower figures.

On Sunday evening, while returning home from church, Mrs. W. Irwin received a serious fall from the sidewalk west of the Methodist church. Just at this point the sidewalk is raised about four feet from the ground, and in the intense darkness Mrs. Irwin walked off the side, receiving injuries which may result seriously, and in any event will lay her up for several days. Such man traps as these raised sidewalks should have railings affixed. If we cannot have light in this village we should at least have protection against such accidents as these.

A Snap. New Flamelets at 6 cents a yard at M. Richardson & Co's.

A couple of young men who live out beyond the station met with an experience on Friday night last which they will not soon forget. They were driving home from the Markdale fair, and when starting around the new deviation between this village and the station their horses bolted and threw them both out. The team then ran over the embankment, crashing into the logs and brush at the bottom, about twenty feet below. The democrat was, of course, badly broken and the horses injured. This occurred about 12 o'clock at night, and the horses were not extracted from their uncomfortable position until 7 o'clock a. m., much chopping and work having to be put in before they could be released. The young men may thank their lucky stars that they were dumped before the final crash came.

Millinery.

Ladies! Call and see the novelties in hats, flowers, feathers and ornaments ready for inspection in my new shop, next door to R. Trimble's. All are cordially invited to come. No trouble to show goods. Mrs. Trimble.

Glenelg Fair.

Markdale had excellent weather for its fall fair on Friday last. The morning was threatening but the afternoon was perfection. There was a very good show of cattle and horses, but the inside exhibit was poor, and especially so in roots. Considering the bad season the exhibit of grain was very good, although it is said that part of that shown germinated and matured under the sun of 1891. D. Clayton, of this village, took first prize for carriage horses. The bicycle races did not come off. Altogether the exhibition was quite as successful as last year's.

Piles of new dress goods, Mantle cloths and millinery, and imports just opening at Richardsons.

Church Anniversary.

The anniversary of the Methodist church, Flesherton, will be celebrated on Sunday, October 2nd, 1892, when two sermons will be preached by Rev. Wm. Briggs, D. D., of Toronto. Services to commence at 11 a. m. and 7 p. m. Special collections in aid of the trust fund. The anniversary tea-meeting will be held on Monday, Oct. 3rd. A choice repast will be served from 5 to 7.30 p. m., after which a platform meeting will be held, and addresses delivered by Revs. Geo. H. Cobblestick, M. A., of Dundalk; William J. Waddell, of Kimberley, and Harvey D. Moyer, of Walters Falls. A musical treat will be furnished by the choir during the course of the evening. Chair to be taken at 7.30 p. m. by Rev. R. Davey, chairman of Owen Sound district. Admission to tea and platform meeting, 25 and 15 cents.

Personals.

Mrs. Dr. Reid, of Hornings Mills, visited her home in town this week.

Mr. George Holman left last week to accept a position at Washington Ind.

Miss Florrie Moore is visiting with her aunt, Mrs. W. H. Moore, of Owen Sound.

Miss Clemina Armstrong returned from a lengthy visit to friends in the city last week.

Mrs. Jno. Gerow, of Brongham, and Mrs. Wm. Hooper, of Chicago, have been visiting with Mrs. W. H. Elder and other friends.

Mr. J. I. Graham, of Vandeleur, was judge on fruit at the Durham show on Tuesday. He says they had a good exhibit of fruit this year.

Dr. Griffiths, of the Barnardo home, Toronto, was in town last week looking into the welfare of some of his boys. He states that about 600 youngsters have been sent out this year by his institution.

Mrs. and Mrs. A. M. Gibson visited friends in Toronto last week, and while there attended the opening of the Pan Presbyterian council. Mr. Gibson had the great pleasure of shaking hands with his quondam pastor of Auld Scotia, who chanced to be a delegate.

Mr. Geo. Stewart, the genial president of East Grey Agricultural Society, was down town on Saturday for the first time since his accident two weeks ago. He has recovered nicely and is quite prepared to hold up his end of the work in the exhibition to be held here on Thursday and Friday of this week.

Pastor Johnson, of the Baptist church, leaves this week for McMaster Hall, Toronto Baptist College, to take a higher theological course. At the urgent request of the church last October he remained with us for a year, having only come for the vacation months. Again this year he received a unanimous call to remain with us, but could not be prevailed upon to stay longer. He leaves with the love and esteem of all who knew both him and his estimable wife.

Tea direct from Japan picked and packed specially for M. Richardson & Co. just arrived.

Dr. Hugh Watt, of Barkerville, B. C. has been elected to the Local House of that province as member for the District of Cariboo in the place of the late Hon. John Robson, Premier, deceased.
