There is some talk of a valuable silver mine being discovered somewhere near Mr. Purdy's caves. It is to be hoped the report may be true.

There is no better medicine for family use than Ayer's Cathartic Pills. Their sugar-coating makes it easy and even agreeable to take, and as they contain no calomel or other injurious drug, they are perfectly safe for patients of any age.

An apple buyer in a town not far from Kincardine has played a pretty sharp trick on a large number of farmers living in the neighborhood of this certain town. He went to them early in the fall when apples were selling at \$1 for fall and \$1.50 for winter. He offered 75 cents for fall, \$1.25 for winter and the "raise." The last clause caught many farmers, and he made heavy purchases. Now the farmers are demanding the "raise," but he coolly tells them that apples are no dearer now than they were then, and that consequently there is no such thing as a "raise." Needless to say there are scores of angry farmers there, but the shrewd buyer cares not so long as he continues to pocket 25 cents extra per barrel. —[Chesley Enterprise.

Rebecca Wilkinson, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which done me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy. I consider it the grandest medicine in the world." A trial bottle will convince you. Warranted by Richardson & Co.

THE GREAT SOUTH AMERICAN

NERVINE TONIC

—AND—

Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

IT IS A GREAT REMEDY FOR THE CURE OF

- Nervousness, Nervous Prostration, Nervous Headache, Sick Headache, Female Weakness, Nervous Chills, Paralysis, Nervous Paroxysms and Nervous Choking, Hot Flashes, Palpitation of the Heart, Mental Despondency, Sleeplessness, St. Vitus' Dance, Nervousness of Females, Nervousness of Old Age, Neuralgia, Pains in the Heart, Pains in the Back, Failing Health, Broken Constitution, Debility of Old Age, Indigestion and Dyspepsia, Heartburn and Sour Stomach, Weight and Tenderness in Stomach, Loss of Appetite, Frightful Dreams, Dizziness and Ringing in the Ears, Weakness of Extremities and Fainting, Impure and Impoverished Blood, Boils and Carbuncles, Scrofula, Scrofulous Swellings and Ulcers, Consumption of the Lungs, Catarrh of the Lungs, Bronchitis and Chronic Cough, Liver Complaint, Chronic Diarrhoea, Delicate and Scrofulous Children, Summer Complaint of Infants.

All these and many other complaints cured by this wonderful Nervine Tonic.

NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

CRAWFORDSVILLE, IND., June 22, 1887. My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

State of Indiana, Montgomery County, ss: JOHN T. MISH.

Subscribed and sworn to before me this June 22, 1887. CHAS. W. WRIGHT, Notary Public.

INDIGESTION AND DYSPEPSIA. The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and ONLY ONE great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIET E. HALL, of Waynetown, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, Indigestion, Nervous Prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

Mrs. ELLA A. BRATTON, of New Ross, Indiana, says: "I cannot express how much I owe to the Nervine Tonic. My system was completely shattered, appetite gone, was coughing and spitting up blood; am sure I was in the first stages of consumption, an inheritance handed down through several generations. I began taking the Nervine Tonic, and continued its use for about six months, and am entirely cured. It is the greatest remedy for nerves, stomach and lungs I have ever seen."

No remedy compares with SOUTH AMERICAN NERVINE as a cure for the Nerves. No remedy compares with South American Nervine as a wondrous cure for the Stomach. No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon; if you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses.
