W. H. THURSTON,
 Editor and Proprietor
Priceville.

From our own Correspondent.

Our village is improving if new buildings is any criterion. In our perambulations around town we notice that Mr. Dougal McCormack has been preparing for winter by having his house veneered with brick. Mr. Fox was the contractor, aided by his able assistant, Mr. Hector McLean. Messrs. Jos. McDonald and Donald Campbell have also erected neat and comfortable looking domiciles, while Mr. M. Riley, our energetic, industrious knight of vulcan has a pile of brick on one of his suburban lots big enough to build a small castle. However, to counteract as it were the pleasant and thrifty appearance of our burg, here and there are dotted worthless, dilapidated, ramshackle structures in different degrees of tumblification. Such useless buildings are not only eyesores, but have the effect of lessening the value of village property. But we must call a halt for we fancy we hear some Advance(d) reader shouting, "Tell us something we don't know!" Well dear reader there's the rub. Our means of knowing your "wants" are limited, hence the following items may not satisfy your newsy desires:

A week ago last Monday Secretary Brodie distributed the booklet to the several prize winners at our annual fall show. It is needless to add that we still wear our two-year old tile and last year's brogans.

The champion heavy-weight threshers of this district are Messrs. Cole, Hector and John McDonald, whose combined avoirdupois is 615 lbs. What other gang of threshers can tip the scale at the same weight?

The Priceville branch of the Bible Society will hold their annual meeting on Tuesday evening, Nov. the 10th, in the Methodist church. The Rev. Chas. Duff will address the meeting.

United services will be held in the Presbyterian church on Thanksgiving Day, commencing at 11 o'clock. The Revs. Chas. Duff, Husband and McLeod will deliver short addresses.

The regular quarterly meeting services of the Methodist church in this circuit will be held at the Ebenezer appointment, consequently the preaching in Priceville will be at 7 p.m.

Miss Tillie Best spent Saturday and Sunday with her parents near Shelburne.

Miss Fanny James paid a short visit to her home last week. Miss James is re-engaged in her school at increased salary.

Miss Sara E. Parslow of Swinton Park was the guest of Mrs. W. J. Blakeston last week.

BIRTH—On Tuesday, Oct. 24th, Mrs. John McGowan of a daughter.

"Sounds From the Sanctum."

THINK HE'LL CATCH IT?
 Mr. John W. Ferguson, the well-known tailor, is around again after a somewhat severe illness.—[Orangeville Advertiser.]

MIDNIGHT OBSERVATIONS.

The orchards reveal their tempting rosy fruits, framed in rich-hued leaves, soon to fall a prey to the gatherer. A drowsy restfulness pervades all. At night the full-orbed moon sheds golden glories on the variegated landscape, lending an ethereal beauty to the last efforts of the dying summer.—[Orangeville Advertiser.]

Fishermen's grain boots guaranteed waterproof, \$2.75 per pair, solid stock and well made, at M. Richardson & Co's.

Ask your neighbors if they use Dodd's Kidney Pills? They strengthen the nerves, tone the system, and the most stubborn cases of kidney disease yield to their influence. They are especially appreciated by the old. Ask your neighbor about them.

 GRAHAM—MOORE—At Munshaw's hotel, Flesherton, on the 19th ult., by the Rev. John Wells, M. A., John Graham to Margaret Jane Moore, both of the township of Osprey.

While Mr. Henry Petty, of Normanby, was threshing Wednesday a spark supposed to be from the engine door set fire to the barn, and there being a high wind, in a few minutes the whole building was in a blaze. So quickly did it go that it was impossible to save the separator which belonged to Robert Morice, of the same township. Part of the implements from the adjoining buildings were saved. The buildings, which were erected in 1890, were about the finest in these parts, and the loss is a severe one. Loss, \$4,000; insured in London Mutual for \$1,400.—[Mt. Forest Representative.]

It is reported in Winnipeg that ex-Attorney-General Martin will again oppose Hon. T. M. Daly in Selkirk, Man., and that he will advocate purely secular schools.

A Friend

Wishes to speak through the Register of the beneficial results he has received from a regular use of Ayer's Pills. He says: "I was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me relief until I was induced to try the old reliable Ayer's Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are

In Need

of a laxative to try Ayer's Pills."—Boothbay (Me.) Register.
 "Between the ages of five and fifteen, I was troubled with a kind of salt-rheum, or eruption, chiefly confined to the legs, and especially to the bend of the knee above the calf. Here, running sores formed which would scab over, but would break immediately on moving the leg. My mother tried everything she could think of, but all was without avail. Although a child, I read in the papers about the beneficial effects of Ayer's Pills, and persuaded my mother to let me try them. With no great faith in the result, she procured

Ayer's Pills

and I began to use them, and soon noticed an improvement. Encouraged by this, I kept on till I took two boxes, when the sores disappeared and have never troubled me since."—H. Chipman, Real Estate Agent, Roanoke, Va.
 "I suffered for years from stomach and kidney troubles, causing very severe pains in various parts of the body. None of the remedies I tried afforded me any relief until I began taking Ayer's Pills, and was cured."—Wm. Goddard, Notary Public, Five Lakes, Mich.
