COUNTY AND DISTRICT.

Wm. Smart, of Tottenham, was killed by his horses running away.

The village of Kagawong, Manitoulin Island, has been totally destroyed by fire.

On Sunday morning last a sad death took place in the family of Mr. Chas. Lemkie of Warton which has thrown a gloom over the whole village. His daughter August, a girl of 14 years of age, went to her bed on Saturday night in her usual good health, and on Sunday morning when they went to her room to awaken her she was found lying on the floor cold in death. The girl had been subject to fits and it is supposed that she took one in the night and not making sufficient noise to wake any of the family passed away in the spasm.

English Spavin Liniment removes all hard, soft or calloused Lumps and Blemishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Sweeney, Stiffles, Sprains, Sore and Swollen Throat, Coughs, etc. Save \$50 by use of one bottle. Warranted the most wonderful Blemish Cure ever known. Warranted by Richardson & Co.

All the ways of swindlers are past finding out. Here is a new way, described by the Merchant Sentinel, of Cleveland, in which the plausible scamp approaches the agriculturist of the Western Reserve. "He makes a contract with each farmer for his wheat, agreeing to pay \$1.05 a bushel, delivered at the nearest station whenever he desires it. In order to bind the contract he pays a little down and agrees to pay the remainder when the wheat is delivered. He only approaches those who have large quantities. After he gets the contracts he will hold them, never calling for the wheat, and worry the farmer into giving him a nice sum to release the contract."—[Monetary Times.

Rebecca Wilkinson, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which done me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy. I consider it the grandest medicine in the world." A trial bottle will convince you. Warranted by Richardson & Co.

We do not hear so much about our friends the Patrons of Industry now as we did this time last year. Has the novelty of the thing worn off, or have they discovered as one man did recently, that they can frequently buy articles cheaper through ordinary channels than they can where the "middleman's" services are dispensed with? It is urged, I believe, that the society has been seriously injured by the penchant of some of its most prominent members for introducing political planks into the Patrons' platform. This is a genuine mistake, for the society is composed of people claiming alliance to both political parties, and very few of them have been educated up to that point where they will tolerate anything that will militate against the interests of the party with which they stand identified.—[Streetsville Review.

Itch on human and all animals cured in 30 minutes by Woolford's Sanitary Lotion. Warranted by Richardson & Co.

On Saturday afternoon, Thos. Lavery, a pensioner, 58 years of age, committed suicide at Mt. Forest by taking paris green. Two weeks ago he drew his quarter's pension, then entered upon a long debauch, which brought him to the verge of delirium tremens, when he ended his life by taking poison. He was found in the shed in the rear of the Coyne house in a dying condition and expired a few minutes later in the billiard room of the hotel, to which he was taken. A doctor was summoned as soon as he was discovered but could do nothing for him. An inquest was held on Monday by Coroner Jones, when the jury returned a verdict that he had died by his own hand. The deceased was a native of Belfast, Ireland. He was a quiet, inoffensive man. He served as a soldier in India, and had a good conduct discharge.—[Orangeville Advertiser.

Rheumatism Cured in a day.—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. Warranted by Richardson & Co.

A Chicago despatch says the loss to shipping by Saturday's storms on the lakes will reach \$1,000,000.
