Priceville.

From our own Correspondent.

The fair last Monday was well attended considering the character of the day. Good prices were paid for good stock, while "scrubs" were bought for a trifle.

Two-year-old steers ranged all the way from \$16 to \$28, the latter price was given for some extra fine animals.

As a result of the little snow and the comparatively good "slipping," last Saturday was an unusually busy day at the mill and among the storekeepers. Truly it is an "ill wind that blows nobody good." However, such truisms are not of much consolation to those who have turnips out in the muddy, slushy fields.

Mr. John McArthur has opened out his store with a bran new stock of staple goods, which he intends to dispose of according to his motto, viz.: "Small profits and quick returns." We have not the least doubt but that Mr. McArthur will receive a goodly share of the public patronage as he is well and favorably known throughout the four adjoining townships.

Mr. M. Bolger has pulled down the rickety and dreary shed near the stable and erected a more commodious and comfortable one in its place.

Mr. L. Hutton, of Brampton, is at present staying with his brother, Dr. Hutton, who, we are glad to state, has taken a change for the better under the skilful treatment of Drs. Jamieson and Bonnar.

Mr. Bonnar, of Bolton, will attend to the practice of Dr. Hutton during his illness.

The Rev. Chas. Duff, M. A., delivered an exceedingly interesting and instructive address in the Methodist church last Thursday evening in the interests of the Bible Society. In connection with the foregoing society the following officers were elected for the Priceville branch, viz.: President, Rev. D. McLeod; Sec., Mr. A. Brown; Treas., Mr. Alex. James; Depositor, Mr. A. Brown; Committee of management, Messrs. C. C. James, Geo. Tryon, Arch'd. McLean, John Burnett, Daniel Ferguson, J. T. Wilson, John McKechnie and Malcolm McKinnon. The first meeting of the committee will be held in the depository on the first Monday of December.

Miss Aggie Bull, of Durham, was the guest of Miss Tillie Best for a day or two during the forepart of this week.

Miss Rosie Brander returned home last week from a two month's visit among friends in Burlington, Toronto and elsewhere.

Miss Fanny James, accompanied by Mr. and Miss Dazell, of Hopeville, spent Saturday and Sunday with the former's father, Mr. C. C. James.

What we know:—That the Pomona scribe to the Review must be barking the wrong tree. No "dandy white man" from this township has been "lost," "strayed," or stolen, for that matter.

That somebody will surely have a pleasant, cheery 10 by 12 smile now.

HAVE YOU BACK-ACHE

WILL CURE YOU

"Backache means the kid-neys are in trouble. Dodd's Kidney Pills give prompt relief." "75 per cent. of disease is first caused by disordered kid-neys." "Might as well try to have a healthy city without sewer-age, as good health when the kidneys are clogged, they are the scavengers of the system. Delay is dangerous. Neg-lected kidney troubles result in Bad Blood, Dyspepsia, Liver Complaint, and the most dan-gerous of all, Brights Disease, Diabetes and Dropsy." "The above diseases cannot exist where Dodd's Kidney Pills are used."
