Flesherton Station.

By Our Reporter.

Mr. Mark Stewart is home, after spending the summer in Caledon Tp. Mr. Sydney Blakeston was initiated into the mysteries of Forestry in Court Priceville, No. 476 I. O. F.

Mr. William J. Meads was thrown from his horse, and considerably shaken. We are pleased to see him around again.

The Syndicate machine from the hills had rather a bad break while threshing for Mr. Alex. McRae, about two feet being broken out of the big wheel of the horse power.

The Durham Road Association, P. of I. are to have an Oyster supper on Dec. 7th. A good time is expected.

Mr. John D. Brown, of Priceville, is thinking seriously of opening out a Patron store at the Station. Mr. Brown is well pleased with the Patron patronage, and thinks it is just the thing.

We are highly pleased that we have another correspondent in this place which will be a valuable acquisition as a "mud-slinger". As we have not graduated in "Cast up" fishwifery we will be excused from mentioning anything in that line, but will cheerfully allow our "Occasional correspondent" to handle it with their marked ability.

Priceville.

From our own Correspondent.

For the last two weeks, wood has been almost as scarce in this burg as mosquitos on Castle Hill in January. We were comparatively safe, as a picket fence was very convenient.

The Presbyterian and Methodist Sunday schools are preparing programs for their respective Anniversaries. The former will be held on the 13th of December, the latter sometime between New Years and Xmas.

Mr. John McQuarrie, of the north line, is suffering severely with a sore knee, occasioned by a prod from a fork at a threshing. The wound at first seemed trifling but is now assuming a serious aspect. Dr. Jamieson is in attendance.

We are glad to state that Dr. Hutton is gradually improving. We trust that he will soon be able to attend to his practice.

Municipal excitement is at a discount in this ward. We have not heard of any new aspirants for municipal honors. However, nomination day will tell the tale.

Miss Fanny Watson has returned from Georgetown, where she has been residing for some time.

Mr. Robert Riley spent a few days lately visiting friends in the vicinity of Swinton Park.

Miss A. V. Ross has been engaged as teacher of the junior department of our school for next year.

Mr. Peter McKechnie, of Chicago, is home on a visit. Pete looks well after his sojourn in the western metropolis of Uncle Sam's domains.

Miss Ella Husband, of Flesherton, spent Sunday with her parents.

Mr. Robert Watson, of Walter's Falls, spent a day or two of last week in town. Miss Emma Ferguson returned with him to the Falls.

Principal Blakeston has purchased Park lot No. 4 east of Artemesia St., from the Rev. Charles Cameron, of Durham. Our dominie is no doubt expecting the proposed railway to strike this town.

Mr. George Parslow, of Proton, spent a day or two last week as the guest of Mr. Robert Reily.

Feversham.

From our own Correspondent.

Feversham is still in the same place although sometimes you can hardly find it for teams calling at the mill.

Mr. W. B. Galloway is about organizing a singing school here. We have no doubt it will be a success.

Mr. F. C. Bruce was surprised last Friday by receiving an address and hanging lamp from the Sunday School.

Mrs. Bruce has been laid up for some time with a severe cold. Paul Bros. are selling cutters very

fast, turning off last Saturday no less than four.

Our present snow is causing a great demand for livery rigs.

We are sorry to say Mr. H. Henderson is very ill, but is some better now.

Mrs. Wood and T. Wood have returned from visiting friends in and around Newmarket.

Miss Emma Brown was visiting friends in Flesherton last Sunday.

J. McLoud visited friends at Rob Roy last Sunday.

R. Warling and A. G. Proctor were visiting at the Beaver last week.

Mrs. Pool visited friends on the tenth last week.

We are inclined to think the directors of the O. F. M. C. have put their foot in it by hampering the miller so that he cannot sell stuff at the mill without orders. The day for orders is past, as a great many will not go to anyone's store for orders. The miller has worked up a business in the mill second to none in the county, so give him a chance, Gents, to expand your trade. The present order of things will be a sad loss to the mill, as a number are going elsewhere for their stuff now rather than go for orders.

Kimberley.

From our own Correspondent.

Squire Stuart returned home on the 25th inst., having taken a three weeks' trip through Muskoka district.

Mr. Stuart and Mr. McCauslin, Deputy Reeves of Euphrasia, are this week attending the County Council at Owen Sound.

This burg has its troubles with the rest. This time measles are keeping the children indoors, thereby hindering, to some degree, the work of preparation for the Xmas tree on 21st December.

Alex Carruthers and Wm. Ellis left this place on the 28th inst., with a team and sleigh, going to Puvassan, where they will remain for some weeks.

Rev. A. Bone, of St. Catharines, preached in the Hall, Sunday evening last, taking Mr. Moore's work, he being unable to attend.

Mr. James Laidlaw, of Mono Centre, has leased Mr. J. M. Thurston's farm for a number of years.

Mr. J. Hanna, our school teacher for the present year, has been engaged for 1893. Mr. Hanna is an efficient teacher and his work is appreciated.

Mrs. McLean is at present very ill.

Mount Zion.

From our own Correspondent.

On Tuesday the 22nd Miss Sarah Ann White departed this life, aged 83 years. The deceased was ailing about four years and bore her illness with christian fortitude. She was highly respected by all who knew her, her gentle and cheerful demeanor endearing her to all. She died as she had lived, "leaving on Jesus". The body was interred in Flesherton cemetery on Thursday the 24th, Rev. Mr. Grinnell officiating. The family have the sympathy of the whole community in their bereavement.

Mr. and Mrs. Montgomery visited Sunndale last week.

Mr. and Mrs. John Kerr, of Sunndale, and Mr. Arthur White, of Toronto, were present for Miss White's funeral on Thursday.

Mr. Robbie Taylor is home from Toronto.

We do not know of any preparation that has caught the public favor in so short a time as Dodd's Kidney Pills, but when we consider that three-fourths of the Canadian people are afflicted with kidney troubles in some form or other, and that Dodd's Pills are a quick and permanent cure for all these troubles, the large and increasing demand can scarcely be wondered at. Sold by all dealers or by mail on receipt of price, 50 cts. per box. Dr. L. A. Smith & Co., Toronto.

A wildcat offered to fight Francis Beamish's dog the other day on that gentleman's farm near Bolton, for a small purse and the championship of Albion. When the dog got into fighting trim the wildcat postponed the fight and climbed a tree to further consider the matter. —Bolton Enterprise.
