### Priceville.

From our own Correspondent.

"Coasting" may be a dangerous sport but it certainly is the most enjoyable, healthy and exhilarating recreation that we know of. However, pleasure is often bought with pain, consequently we would advise the boys to be careful while enjoying themselves on the steep hills of our burg.

Our item in last week's Advance said H. Heitman was not manager of the Milling Company. We said it on the strength of one of the directors, but we since hear that he is manager. We did not mean any slight on Mr. Heitman, but I think he dismissed the miller with very little ceremony. If I have made any mistake, I am willing to admit it, though I thought my authority was good.

A very enjoyable tea-meeting was held last Thursday in the Orange hall on the fourth line, for the benefit of the Sunday school there. The speakers were: Rev's Woodger, Hudson, Grinnell, and Waddell, also J. L. Woods. The school took a very creditable part. The proceeds amounted to over \$17.

A social in connection with the above was held at Mr. William McKee's residence on Monday night.

## Best Cure For

All disorders of the Throat and Lungs is Ayer's Cherry Pectoral. It has no equal as a cough-cure.

## Bronchitis

"When I was a boy, I had a bronchial trouble of such a persistent and stubborn character, that the doctor pronounced it incurable with ordinary remedies, but recommended me to try Ayer's Cherry Pectoral. I did so, and one bottle cured me. For the last fifteen years, I have used this preparation with good effect whenever I take a bad cold, and I know of numbers of people who keep it in the house all the time, not considering it safe to be without it."—J. C. Woodson, P.M., Forest Hill, W. Va.

## Cough

"For more than twenty-five years, I was a sufferer from lung trouble, attended with coughing so severe at times as to cause hemorrhage, the paroxysms frequently lasting three or four hours. I was induced to try Ayer's Cherry Pectoral, and after taking four bottles, was thoroughly cured."—Franz Hoffman, Clay Centre, Kans.

## La Grippe

"Last spring I was taken down with la grippe. At times I was completely prostrated, and so difficult was my breathing that my breast seemed as if confined in an iron cage. I procured a bottle of Ayer's Cherry Pectoral, and no sooner had I begun taking it than relief followed. I could not believe that the effect would be so rapid and the cure so complete."—W. H. Williams, Cook City, S. Dak.
