From our own Correspondent.

A very successful Christmas Tree entertainment was given in the Orange Hall here on Friday evening last in connection with the Sunday School. The programme, which consisted of readings, recitations, dialogues and music by the children, also music by the Rocklyn String Band, was well rendered. Mr. T. J. Wallace, of Rocklyn, acted as chairman in his usual happy manner and enlivened proceedings by several witty stories which he tells so well. After the programme candies and apples were passed around and then came the most interesting part of the performance at least to the children, that of unloading the trees and distributing the prizes consisting of books and toys. The committee spared no pains to make the entertainment a success and were well pleased with the result. Proceeds amounted to something over \$14.00.

Mrs. Dally, who has been ill, is able to be around.

Mrs. Shore, who has been visiting near Markdale for a week, has returned.

Miss Mary J. Gilsey of New York State is at present visiting her grand parents at Brae-Burn Place.

Mr. E. Pentland, of Heathcote, spent Sunday with his uncle, Mr. G. Pentland of Epping.

Before another week Christmas will have come and gone. We wish everybody a very merry Christmas.

I. B. Lucas, barrister, Markdale has \$10,000 private funds to lend on farm mortgages within the next few months at lowest current rates. No commissions, no delays, expenses low. Apply at office in Markdale during the week or at Dundalk office on Saturdays.

Eugenia

The weather has been delightful for this season of the year. A little more snow will make excellent sleighing so that the young folks will have a merry time at Christmas.

Mr. Larson is now busy fitting up the machinery in the hoop and veneer factory. Logs are being hauled in, so the prospects are good for a rushing business being done pretty soon.

Mr. Joe Fenwick and Tom arrived home from Chingacousy where they had been spending the summer, the past week, Tom has been sighing for the girl he left behind him. As for Joe, well I won't tell on him.

Mr. Will Smart is home from Mayfield where he was for the summer.

Mr. Duckett has discovered some very valuable ore on his farm. Upon analysis it is shown to contain copper, iron and sulphur. There appears to be an unlimited supply hence it may yet be very valuable.

There is a grand opening for a cheese factory in this town. We have heard that a number of farmers intend to hold a public meeting to place the matter before the people. We see no reason why the scheme should not meet with success.

Sabbath last was communion in the Presbyterian church here. A large number were present and several new members were added to the membership of the congregation.

Miss Sarah Pedlar of Toronto is visiting her parents at present.

News has been rather scarce of late, nothing worth mentioning. Municipal matters are engrossing all the people's time at present. Once election day is over things will settle down to their old way for another year.

Miss Ester Uppas is home from Macville where she has been for some time past.

Mr. Thomas Betts is as proud as a young rooster with his first spurs. No wonder, it's a boy.

Mr. Charles Turner is rejoicing over the arrival of a little girl. What says Eugenia is a not growing place?

Uric acid in the blood is the cause of nearly all disease, it visits every part of the body and is liable to fasten disease on organ; the duty of the kidneys is to extract waters from the blood; a cold will stop this action, a pain in the back follows, and unless relief is obtained, permanent inability of the kidneys to perform their functions follows, which may terminate in liver complaint, dyspepsia, blood disease, dropsy, diabetes or Bright's disease. Doan's Kidney Pills assist the kidneys to natural work, and cure all complaints and results arising from same.

WARNING.

Notice is hereby given that a note dated on (or about) Oct. 13, 1892, drawn in favor of Thomas Miller, by Wm. McGee, for the sum of eighteen dollars, and due 1st April, 1893, is not negotiable, as the said Miller has not received value therefor, and payment will be refused.
THOMAS MILLER,
Eugenia, Dec. 15, 1892.

Cures Others

Will cure You, is a true statement of the action of AYER'S Sarsaparilla, when taken for diseases originating in impure blood; but, while this assertion is true of AYER'S Sarsaparilla, as thousands can attest, it cannot be truthfully applied to other preparations, which unprincipled dealers will recommend, and try to impose upon you, as "just as good as Ayer's." Take Ayer's Sarsaparilla and Ayer's only, if you need a blood-purifier and would be benefited permanently. This medicine, for nearly fifty years, has enjoyed a reputation, and made a record for cures, that has never been equalled by other preparations. AYER'S Sarsaparilla eradicates the taint of hereditary scrofula and other blood diseases from the system, and it has, deservedly, the confidence of the people.

AYER'S Sarsaparilla

"I cannot forbear to express my joy at the relief I have obtained from the use of AYER'S Sarsaparilla. I was afflicted with kidney troubles for about six months, suffering greatly with pains in the small of my back. In addition to this, my body was covered with pimply eruptions. The remedies prescribed failed to help me. I then began to take AYER'S Sarsaparilla, and, in a short time, the pains ceased and the pimples disappeared. I advise every young man or woman, in case of sickness resulting from impure blood, no matter how long standing the case may be, to take AYER'S Sarsaparilla."—H. L. Jarmann, 33 William st., New York City.

Will Cure You

STYLE IN READING.

Style means several things and they all apply to reading. Style means fashion; there are fashions in reading. Style means manners; there are manners in reading. Good manners and good manners in print may be as impudent as anywhere. Intelligent people prefer reading that approaches them like a gentleman—sensible, earnest, and to the point. A bargain is a magnet; uncover it and needles will head your way. We offer that bargain when we say to our patrons, Send us \$3.00 and it will pay for a year's subscription to both this paper and the Cosmopolitan Magazine. The offer is a genuine bargain, and those of our friends who are not now taking a first-class Magazine into their homes should see to it that they do not miss this opportunity.

ALL THE YEAR ROUND.

The greatest success hitherto attained in the Magazine field must be accorded to the Cosmopolitan, jumping as it has from 15,000 copies in 1881 to an edition of 150,000 copies for January 1893. That there is cause for this success goes without saying. No other publication, of any description, before the public makes the effort to give its readers the best of everything, and succeeds in doing it as does this monthly. Its illustrations lead the world; its literary merit is certainly of the highest order that money can buy or brains produce. Each month, from year's end to year's end, can be found inside its covers something to instruct and please every member of the household. In fact a year's careful reading of the Cosmopolitan means a progressive step in the education of any man or woman in the land.

WE OFFER YOU

the monthly visits of this popular Magazine for a year, if taken in connection with a year's subscription to The Advance, for only \$3.00. This we are able to do through a special contract made in behalf of our readers with the Magazine publishers. The price of the Cosmopolitan alone is \$3.00, at which price it is the cheapest of monthlies, giving as it does 1500 pages of reading matter, with over 1200 illustrations for a single year's subscription. Send your order to The Advance.
