Teacher wanted immediately for Eugenia public school. See advertisement.

Barkwell's Bronchial Balm will cure coughs, colds, bronchitis and asthma.

The Advance is very sorry to learn that Mr. Walter Leitch is in a precarious condition, and is not expected to survive many days.

The annual tea meeting of Kimberley Methodist Church will be held on Jan. 3rd. An excellent programme is promised. Admission 25 cents, children 15 cents.

We have had ideal winter weather during the past week. Friday, Saturday, and Sunday were cold enough to make an Esquimaux smile, but this week thus far has been mild and pleasant.

Rev. W. J. Waddell, of Kimberley, had the rather remarkable record of four weddings in one day last week, and had to drive over forty miles in order to transact the important business. Notices will be found elsewhere.

The question is frequently asked, "Why is Ayer's Cherry Pectoral so much more effective than other cough remedies?" The answer is, simply because it is the most skilful combination of anodyne and expectorants known to medical science.

A change has been made in the mail contract between this place and Epping. Mr. Mathewson, who has attended to his duties most faithfully during the past three years, steps down and out on Jan. 1, and Mr. J. W. Shore, of Epping, takes the contract.

People are wishing each other the compliments of the season and exchanging gifts. Did it ever occur to you to send an ailing friend a package of Ayer's Sarsaparilla? If not, do so now; and try this medicine yourself, if you need a first-class blood-purifier.

A grand New Year's concert under the auspices of the choir of the Presbyterian Church, at Eugenia, will be held in the Orange Hall, on the evening of Monday, Jan. 2nd, 1893. Concert to commence at 8 P. M. A first class programme is being prepared and the public may rely upon a splendid entertainment. For particulars see posters.

There was a bray from the donkey corral in a last week's contemporary but it fell too flat to invite any comment from us. We understand the party most interested has now engaged a scavenger journalist well known in these parts to do the dirty work which his own little brain is incapable of, and the screed may be looked for this week.

Rebecca Wilkinson, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nerve, which done me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy. I consider it the grandest medicine in the world." A trial bottle will convince you. Warranted by Richardson & Co.

The concert in the Orange Valley school house on Friday evening last was not a success financially, but the programme was a good one and was thoroughly enjoyed by those present. The bitter cold night prevented many from attending. Mr. Atkinson, the teacher, worked very energetically to make the affair a success, and deserved a better turnout. He expresses his thanks to those who took part in the excellent programme.

Itch, Mango, and Scratches on human or animal, cured in 30 minutes by Woolford's Sanitary Lotion. This never fails. Warranted by Wm. M. Richardson

A couple of Markdale's young men paid Flesherton a visit one evening last week. The horse, which belonged to Mr. Mathews, livery man, ran away and collided against a telephone pole. The pole was not knocked out but the horse was. It suffered a serious injury to one shoulder and had to be drawn home on a sleigh. We believe the animal is recovering.

The Flesherton Baptist Sabbath School anniversary sermons will be preached in the chapel on Sunday, Jan. 8th, by Rev. T. Watson, late pastor of the church. Sermons at 11 a.m. and 7 p.m. Collections will be taken in aid of school work. On the Monday evening following the annual teaming will be given, for which a good programme has been prepared. A cordial invitation is extended to all.

The Advance tenders once more its annual congratulation to Mr. Thomas Gamey for his continued and deserving popularity as evidenced by his return once again as Reeve by acclamation; also to the genial deputy, Mr. D.K. Preston. Mr. Gamey is the veteran father of Osprey township, and the people know that no more able or upright man could be appointed to the position.

An interesting entertainment was held on Friday last, 23rd inst., in S. S. No. 12, Proton, for the benefit of the lady teacher, Miss Smith, who has given up the school. The Messrs. McIntyre and Dean, and the Watson Bros., of Varney, together with some other outsiders, constituted a large amount of the talent, and the entertainment was a very pleasant affair indeed. The proceeds amounted to the large sum of \$30.20.

Though the soil of Virginia grows the best tobacco leaf in the world, it does not all grow equal qualities. The production even of adjoining counties is often quite different, the one producing leaf which at once deteriorates if grown in the other. The leaf of the "Myrtle Navy" is the product of the choice sections of the State, which, through some combination of local influences, produce a better quality than any others. This is shown by its always commanding a higher price than any other smoking leaf.

The Presbyterian Sabbath School anniversary on Monday evening was well attended and thoroughly enjoyed by the large audience. The programme was a very fine one, a rare treat being given by Miss Jennie Jack, of Kingston, a talented elocutionist. Miss Jack created a very favorable impression, and all spoke very highly of her performance. The home talent all did excellently, too, and the proceeds amounted to \$74, which ranks the entertainment financially as one of the most successful ever held in Flesherton, and will place the Sabbath school on sound footing.

Miss Sarah Lord Bailey, who will appear in the Town Hall on Wednesday evening of next week, is very highly endorsed by the press of the large cities where she has appeared. The Toronto, Hamilton and London papers are enthusiastic in her praise. It will be a rare treat, indeed, for Flesherton people to hear this talented reader, and the Ladies' Aid of the Methodist church are to be congratulated upon their enterprise in bringing her at a season of the year when entertainments are so numerous. We trust their enterprise will meet with a hearty response. See programmes, which are on view in the stores.

The annual school trustee meeting was held in the school house on Wednesday for the purpose of electing a trustee to take the place of Mr. Sinclair, the retiring member. The meeting appointed Mr. W. Barnhouse in that capacity. The financial report showed a balance on hand of \$289.26. The heating question was fully discussed by the gentlemen present, and it was unanimously decided to place a new furnace in the school at a cost not to exceed two hundred dollars. While this meeting was in progress the temperature of the room miraculously rose to 40 degrees, which forcibly impressed upon the meeting the necessity of immediate attention to the heating appliances.

**Christmas Visitors.**  
Mr. Charley Howard, of Collingwood visited his mother here on Christmas day.  
Mr. E. K. Richardson is home from university enjoying his holidays.  
Mr. F. Sullivan, of Toronto, is spending a few days with his parents.  
Mr. Tod. Vauduson, of the Chicago police force, is visiting the parental home.  
Mrs. Jas. Hartley and son, who have been visiting friends in Flesherton for

the past six weeks, returned home on Tuesday.

Mr. W. A. Milburn, formerly of this place, but now of New Westminster, B.C., is on a visit to old-time friends here. He notices a marked improvement in Flesherton since he left here four years ago.

O. S. Collegiate Institute pupils as follows arrived home for the holidays last week: Misses Lizzie Strain, Martha and Sarah Wright and Master Bert Armstrong.

Miss Mabel Clark, of Epping, spent Christmas day with her father, Mr. Wm. Clark.

**Eugenia**

From our own Correspondent.

A double wedding took place at the residence of the bride's parents, Mr. Henry Fenwick, last Wednesday afternoon. The contracting parties were Mr. Edwin Legard, to Miss Maria S. Fenwick, and Mr. Joseph Williams, to Miss Sarah Elizabeth Fenwick. The Rev. Mr. Waddell performed the ceremony. A large number of friends were present to witness the interesting event. Both of the brides received a great many very handsome and useful presents which showed the high esteem in which they were held. A grand supper was served in good style. After doing ample justice to the things prepared the remainder of the evening was spent in a jolly good wedding party frolic, which was kept up to the small hours next morning, when Mr. Legard took away his bride in triumph to his home, which he had ready for her. Mr. and Mrs. Williams will reside at Eugenia.

Mr. and Mrs. Hoath, of St. Vincent were visiting their friends at Eugenia the past week, also Mr. Noble Hoath, who accompanied them.

Everyone is regretting the change in the mail contract, as Mr. Mathewson and his son were the most obliging and faithful mail carriers who have ever carried the mail on that route. It's a pity to change such honest, sober men as they were from such a responsible office.

Mr. William Henry Fenwick, of Toronto, was up on a short visit the past week to attend his sister's wedding.

Mr. John A. Fenwick has gone to spend his Christmas at Paisley.

**Ayer's Pills**

Are better known and more generally used than any other cathartic. Sugar-coated, purely vegetable, and free from mercury or any other injurious drug, this is the ideal family medicine. Though prompt and energetic in their action, the use of the pills is attended with only the best results. Their effect is to strengthen and regulate the organic functions, being especially beneficial in the various derangements of the stomach, liver, and bowels.

**Ayer's Pills**

are recommended by all the leading physicians, and druggists, as the most prompt and effective remedy for biliousness, nausea, costiveness, indigestion, sluggishness of the liver, jaundice, drowsiness, pain in the side, and sick headache; also, to relieve colds, fevers, neuralgia, and rheumatism. They are taken with great benefit in chills and the diseases peculiar to the South. For travelers, whether by land or sea,

**Ayer's Pills**

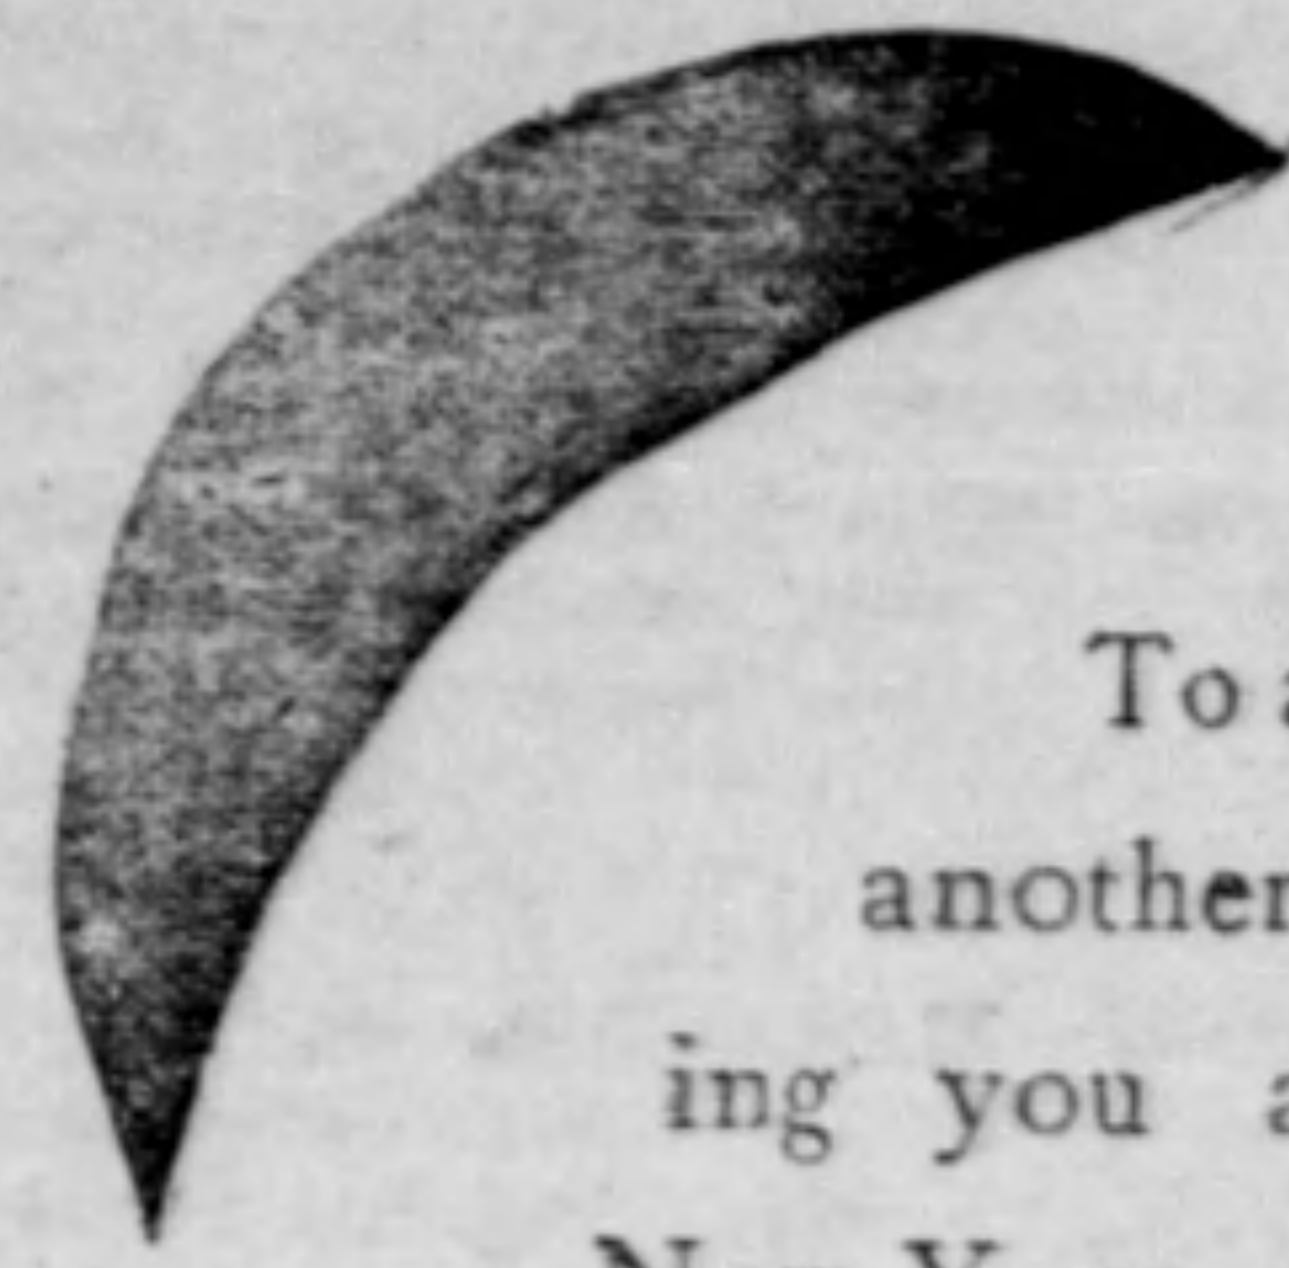

are the best, and should never be omitted in the outfit. To preserve their medicinal integrity in all climates, they are put up in bottles as well as boxes. "I have used Ayer's Pills in my family for several years, and always found them to be a mild and excellent purgative, having a good effect on the liver. It is the best pill used."—Frank Spillman, Sulphur, Ky.
