The Day school here was closed on the 22 of Dec. by a public examination which was attended by the Trustees and a large number of the parents of the children. Short speeches were given by the Trustees and others, all expressing themselves as being well pleased with the progress made during the year just closed. An excellent tea was prepared by the ladies present. Mr. J. Boland in behalf of the parents and others, read an address in which regret was expressed on account of our teacher Mr. Wickham leaving here to better his condition in another field of labor. He also presented him and his good lady with a coat stand and cake dish. Mr. Wickham made a suitable reply in which he stated that it was not because of not liking the people and school here that he was leaving, only on account of bettering his prospects for the future.

The Annual tea meeting in connection with the Sabbath School, was held in the Wesley church on the 28th ult. and was as usual a success.

Mr. A. Johnston was elected school Trustee at the annual meeting.

Mrs. Devin of Emery was up at her father's, M. W. Hutchinson, for the New Year turkey.

McIntyre.

From our own Correspondent.

A very successful teaming and entertainment was held here last Friday evening, tea being served in the old log church and the entertainment in the brick church. The Rev. Mr. Hudson and Rev. Long from Southampton were present, the former very ably presiding in the chair. Mr. Inkster made a very pleasing speech. Mr. Joseph Brown very ably assisted in making the entertainment a success. Miss Jack, the far-famed elocutionist, gave a number of recitations which were highly appreciated. The proceeds amounted to \$55.00. As usual the best of order prevailed.

Mr. Add and Miss Lizzie Leslie from Dromore, and Mr. John Hardy from Swinton Park, were visiting a few days at the Scott family.

Mr. James Patterson, from Swinton Park, gave a number of his friends a call.

Mr. Ed. Potts and Mr. Wm. Hayes have returned home from Parry Sound.

Mr. Neil McPhail is also home from Michigan.

Priceville.

From our own Correspondent.

There was very little excitement in the village last Monday over election. Nearly all are bent on making as much money as possible this fine winter weather, hence they haven't time to stand around the streets and in the shops jangling about Reeves, Councilors etc.

Mr. John McGowan had to keep the machinery of his grist mill running so steadily last week that the supply of water ran short, so he had to start the engine for the first time since 1892.

The annual school meeting of S. S. No. 12 A. & G. was poorly attended, only about thirteen or fourteen ratepayers were present, Mr. Dugald McCormick was appointed trustee.

The S. O. S. will have a grand supper on January 17th at the Crown Hotel. An appropriate entertainment will be provided in addition to the supper.

The Methodist S. S. anniversary held last Friday evening was a decided success. The night was fine and the sleighing grand, thus resulting in a good turnout. The excellent programme rendered was appreciated by all. The Dromore choir was present and treated the audience to some very superior selections. Proceeds \$30.

The old year was closing the year of Terrors again entered the home of Mr. John McCrae, taking with him this time little Norman, aged 7. The funeral took place last Monday. The bereaved family have the sympathies of the community.

Mr. Thos. Menagh is visiting at his brother in laws, Mr. Herb. Watson.

The following teachers have gone to their respective schools, viz: Misses Gussie Husband, Culloden; Fanny James, Hopeville; Alice Ross, Stanton; Emma Husband, Lindsay.

Mr. Geo. Earn, a student of Knox College, is visiting at his grandfather's, Mr. Henderson.

Union prayer meetings are being held every night this week alternately in the Methodist, Baptist and Presbyterian churches.

There is a rumor afloat that it is likely the school will be closed for a short time owing to a prevalence of whooping cough in the section.

Mr. Whetstone, of Kintore, was the guest of the Rev. Mr. Husband last week.

Mr. Walter Nichol went to Owen Sound this week to attend the Coll. Inst. We wish Walter success.

Mr. and Mrs. Dan, McLeary, of Donald, B. C., paid a brief visit to Mr. W. J. Blakeston's last week.

Just as we were about to finish this budget word came to us that "Boland was in." At the announcement some tremendous cheering was done. If there wasn't much excitement in the village through the day (Monday) there was enough at night to make up for it.

What we would like to know: If W. W. ever intends to finish the bookcase for the library? It is time. What the Health Officer intends doing with the notice he received? If somebody is "sharpened" up pretty well now.

Mount Zion.

From our own Correspondent.

The rush of Christmas and New Years has left us behind with our budget of news, so we will begin by wishing you the compliments of the season.

Miss Mary McNally and cousins, of Toronto, are visiting with friends here.

The Misses Ferguson, of Swinton Park, are visiting with friends here.

The concert held in the school house by the Patrons of Industry was a decided success. The house was filled and everybody enjoyed themselves.

Mr. A. Holley's sale on the 20th was also a success.

Mrs. Colquh and Mrs. Crofford, of Osprey, have been spending a few days with their parents here.

A Friend

Wishes to speak through the Register of the beneficial results he has received from a regular use of Ayer's Pills. He says: "I was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me relief until I was induced to try the old reliable Ayer's Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are

In Need

of a laxative to try Ayer's Pills."— Boothbay (Me.) Register.

"Between the ages of five and fifteen, I was troubled with a kind of salt-rheum, or eruption, chiefly confined to the legs, and especially to the bend of the knee above the calf. Here, running sores formed which would scab over, but would break immediately on moving the leg. My mother tried everything she could think of, but all was without avail. Although a child, I read in the papers about the beneficial effects of Ayer's Pills, and persuaded my mother to let me try them. With no great faith in the result, she procured

Ayer's Pills

and I began to use them, and soon noticed an improvement. Encouraged by this, I kept on till I took two boxes, when the sores disappeared and have never troubled me since."—H. Chipman, Real Estate Agent, Roanoke, Va.

"I suffered for years from stomach and kidney troubles, causing very severe pains in various parts of the body. None of the remedies I tried afforded me any relief until I began taking Ayer's Pills, and was cured."—Wm. Goddard, Notary Public, Five Lakes, Mich.
