Farewell Corner.

From our own Correspondent.

Mr. and Mrs. John Hornsby, who were visiting friends in Alma, returned home last week.

The Rev. Mr. Husband intends holding revival meetings at the Greenside Hall. Last Tuesday was the evening appointed but being so stormy they have been put off until the weather gets fine.

Mr. James Livingston, of Allan Park, who has been canvassing in this vicinity for some time as agent for Calder C. Livingston, of Durham, is at present stopping at Mr. Allan McKinnon's.

The Patron meeting at No. 13 school, Egremont, was largely attended last Friday evening. After the business was transacted they had an entertainment which passed off grandly.—[Too late for last week.—Ed.]

Hopeville.

From our own Correspondent.

The late storms blockaded the roads badly in some places but the farmers turned out with their teams and re-opened some of them.

Though the winter has been a severe one yet apparently it has been a healthy one especially among old people.

Mr. Parslow was quite sick but is, we hear, able to be around again.

Thos. Parslow jr. and Mrs. Brown, of Bentinck, were the guests of Mr. Thos. Parslow last week. The storm protracted their visit somewhat but on Monday they determined to return, Mrs. Brown being anxious about her family.

Miss Brown, of Normanby, is visiting some friends in the village.

Quite an extensive quilting bee was held at Mrs. Robt. Parslow's where the young ladies acquitted themselves admirably and had a pleasant time besides.

Mr. Wm. McLaren, sr., is very sick. Mr. Wm. McLaren, jr., son of Mr. Thos. McLaren is very low also.

Feversham.

From an occasional Correspondent.

DEAR EDITOR.—As there has not been a correspondent to the Advance from this part for some time I thought I would send you a few items, hoping I may not be intruding too much.

It has been very stormy here of late but on Friday last it got down to business and blew great guns, and the way it piled the snow on to the roads one would think it meant it. Nevertheless George and the "Coon" got to town on Saturday, though they got into snowdrifts going home.

Business has been very dull of late, yet The Farmers' Mill keeps humming away. We may expect great things of this mill, as our miller, Mr. Pearsoll, is turning out first-class flour and beside being a first-class miller he is a jolly obliging fellow. The order of business in connection with the mill is giving better satisfaction since our postmaster, Mr. A. McGirr, is giving out orders for the good thing. I guess I had better stop for fear we may be like a story we heard of two men who were going to have a fistie encounter. Before starting to fight they made an agreement that the first to get enough was to holler sufficient. After fighting for about an hour and a half one of them hollered "sufficient." The other immediately threw up his hands saying, "Praise the Lord for that! I've been trying to think of that word this last half hour." So for fear you can't think of the word, I will close, wishing the Advance success. There was a rumor started by some designing person on Saturday last that our miller had skipped out. This we are happy to deny, as Mr. Pearsoll was at his post again on Monday.

Flesherton Station.

The station is still in the same place, Mr. Editor, although news from it has been such a scarce commodity, of late. Our little village is, as usual, quite lively. Grain, telegraph poles, and timber, are the order of the day.

Our grain buyers report a very large amount of grain, pork, &c., purchased during the winter, and this week seemingly will run above the average. Our market is, and has been, all season, ahead of most of the surrounding towns, although reports to the contrary have at times been afloat. These reports, however, were proven false, and some of our farmers, who credited them, and went elsewhere to try their luck, returned, quite crest fallen, having received poorer prices for their produce than they could command nearer home.

The citizens of this place seem to have for their maxim business before pleasure, and there are very few social events worthy of note. Mr. Wm. McMullen, of Kelvin, is spending a few weeks among his old friends and acquaintances in this vicinity. What is the other attractions around here Will?

Miss McKenzie is visiting here with her sister, Mrs. Sangster Hemphill.

Mrs. A. McLeod removed from our town a few weeks ago, and joined her husband in Michigan.

Mrs. D. McLeod, sr., has been on the sick list for the past few weeks, but we are glad to hear that she is convalescing.

The many friends of Mr. Wm. Wordsworth, formerly of this place, will regret to hear of the loss he has sustained in the death of his youngest son, James Carson.

Rev. Mr. Tonge, of Flesherton, will preach here next Sabbath, at 10.45 a. m.

Eugenia.

From our own Correspondent.

Mr. Editor, not seeing Eugenia represented for some time past in your paper, I came to the conclusion that your correspondent had got snowed up. I send you this, and if not acceptable consign it to the waste basket.

Such storms as we have had this last few weeks! It beats the record of other winters all hollow. There is snow enough on the ground now to please any grumblers. Unless a thaw comes soon the roads will be in a bad condition as they are completely filled up. No way for teams to pass.

The hoop and veneer factory is now turning out some good work. The stormy weather is keeping them back some, as the river is so frozen at present. Once a thaw comes they will have plenty of water for all purposes.

Mr. Rutherford and family, of Barrie, has become a resident of our town. We extend to them a hearty welcome.

Captain Hindel and staff are holding revival meetings in Salem church. They expect to get it for a Salvation Army barracks.

The new mail carrier, Mr. White, has had pretty rough weather to encounter since he started to drive the mail, but he struggles through the drifts and manages to make good time.

Mrs. J. R. Hogg has gone to Clarksburg for a few days to visit her sister.

Mr. Woodburn's health still keeps very poorly.

Our town so far this season has not been visited with any cases of serious sickness.

Mrs. Hadley is very poorly. She has gone to Kimberley to reside with her sister, Mrs. Thurston.

Miss Kerr, of Toronto, is visiting at Mr. Woodburn's at present.

Mr. and Mrs. Richard Park have the sympathy of all in their hour of sorrow for the loss of their little daughter.

Mr. McKenzie Duncan and family have moved to Owen Sound.

The Union Sabbath school tea meeting is to be held in the Orange Hall on Thursday evening, the 23rd inst. A grand programme is prepared. This is expected to be the best entertainment of the season.

Mrs. Plant has gone to Toronto to visit her sister for a couple of weeks.

Miss Hattie Smith, of Toronto, is visiting at her brother's, David Smith's.

Miss Sarah Pedlar has returned to the city after a pleasant visit to her many friends at Eugenia.

THE FACT

That AYER'S Sarsaparilla CURES OTHERS OF Scrofulous Diseases, Eruptions, Boils, Eczema, Liver and Kidney Diseases, Dyspepsia, Rheumatism, and Catarrh should be convincing that the same course of treatment WILL CURE YOU. All that has been said of the wonderful cures effected by the use of

AYER'S Sarsaparilla

during the past fifty years, truthfully applies to-day. It is, in every sense, The Superior Medicine. Its curative properties, strength, effect, and flavor are always the same; and for whatever blood diseases AYER'S Sarsaparilla is taken, they yield to this treatment. When you ask for

AYER'S Sarsaparilla

don't be induced to purchase any of the worthless substitutes, which are mostly mixtures of the cheapest ingredients, contain no sarsaparilla, have no uniform standard of appearance, flavor, or effect, are blood-purifiers in name only, and are offered to you because there is more profit in selling them. Take

AYER'S Sarsaparilla

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; Price \$1; six bottles, \$5. Cures others, will cure you
