We are sorry to learn of the death of Mrs. Blakeston, of Artemesia, formerly of Egremont. What little acquaintance we had with the deceased made a very favorable impression upon us.

Another death has occurred in our neighborhood, bringing sadness to the home which was made joyous a few months ago by the coming of the little one who has now been taken away. The child was that of Mr. and Mrs. Aldcorn. It was interred in St. Andrew's church burying ground.

At last the long winter is drawing to a close. The roads are pretty good yet, but a few more days of sunshine will leave the hills bare of snow. You don't travel far without seeing some upsets of cutters. It is a new well known sensation to find oneself sprawling in a snow bank.

There is a good deal of sickness around at present, something like la grippe, but not so severe. It is to be hoped a few days of good spring weather will put everyone right side up again.

Mr. John A. Fenwick has taken to himself a wife during the past week. The bride was Miss Lizzie Sloan, of Paisley, and is a young lady very highly esteemed in her own neighborhood. The young couple will reside at Eugenia. As John is a young man highly esteemed by everyone, we wish them a very happy future, and may their shadows never grow less.

Mr. Hiram Bowerman has been sick for some time. He is now some better. The Patrons' social was well attended, the proceeds being \$11.80.

Mr. Wm. Bennett has returned from the city. He will soon bring his family to Eugenia. It is said he will run a store at Mr. Duncan's old stand in connection with the Hoop and Veneer Co.

Mr. and Mrs. Woodburn are both laid up at present with a severe attack of la grippe or something akin to it.
