The fine weather of late has greatly reduced the snow.

Wood bees are very popular here just now and large quantities of wood are being cut.

Wm. Silley and Archy Campbell have returned from Cockburn Island, where they have been spending the winter in the woods.

Wm. Carran has also returned from Michigan where he has been for two years. He intends to go back again in a short time.

D. C. McFarlane, from Muskoka, is visiting his mother here at present. The latter is in a very poor state of health and is thought to be nearing the end.

We are pleased to report that another of our young men, formerly of this place, but now of Floss, has left the ranks of bachelorhood.

Mr. Andy Potts was married on March 22nd to Miss Smith, of Floss. The ceremony took place in Stayner. We extend congratulations.

Malcolm McIntyre has moved from the gravel road, into the village.

Osprey Council.

The Council of Osprey met in McLean's Hall, McIntyre, on Monday, March 20th last. Members all present, the Reeve in the chair.

The clerk was instructed to write to the County Treasurer and ask him what amount, and for what years arrears of taxes are charged against lot 69, con. 1, S. D. R. and lot 26 con. 12 and to erase taxes charged against lot S. E. C. 10, con. 1 N. D. R.

The Clerk was also instructed to search the records of the township and find whether or not a deviation road has ever been established on 30th side road between concessions 8 and 10, and report at next meeting of council, also to write to the local agents and ascertain their price for furnishing Wilkinson steel road scrapers delivered at Flesherton station, freight paid, and to order 10 from the lowest.

By-law No. 308 to alter and amend By-law No 265, received its several readings and passed in Committee of the whole.

The following parties were exempted from paying taxes of 1892:—Flora McQueen, lot 20 con. 7, \$4.25 and Edward Rayner, lot E. 29, con. 13, \$3.20.

Orders were issued on the treasurer to pay as follows:—James Elliott, Duncan McInnes \$55.00, salaries as collectors and \$3.00 postage each, W. H. Thurston \$23.50, printing minutes and Auditors' report for 1892.

Council adjourned to meet at Maxwell on May 29th next as a court of revision.

Priceville.

From our own Correspondent.

Mr. Wm. Watson, Sr., dwelling house, and part of the contents went up in smoke last Friday night. How the fire started will remain a mystery as the family were away at the time. The fire was discovered before it had made much headway and could have been easily put out had there been plenty of buckets and water convenient. Nearly all the furniture, etc., of the lower story was saved, but the contents of upper rooms were destroyed. Fortunately both buildings and contents are insured.

While Mr. John McLeod was chopping in the bush one day last week his axe struck a limb and descended on his foot, making a frightful gash.

Mr. Donald Cameron also put a nasty cut in the side of his foot last Saturday at a wood splitting bee at Mrs. Robertson's.

Mr. Dave McMillan, of Toronto, paid a visit to Priceville last week on business.

Miss Bella Campbell, of Swinton Park, was the guest of Mrs. Marshall for a few days lately.

Miss Aggie Cockburn is home from Toronto owing to the distressing illness of her father and mother.

Miss Mary Parslow, of Swinton Park, who has been staying with her sister, Mrs. Blakeston, has returned home.

Eugenia

From a special Correspondent.

Mr. Editor—Strong indications of spring have reached us. The crows are here, the robins have come, their warbling notes are welcome in the early morn. The long unbroken season of sleighing is drawing near its close. The beautiful is dissolving rapidly under the strengthening rays of King Sol. The rivers are rushing full.

Business has been rushed by the plentiful sleighing of the winter and large stocks of logs have been placed in the mill yards.

Farmers are preparing for active operations on the farms now, yes spring brings to all bustling activities.

We learn the cheese factory industries engage the attention of a number of farmers of this section and Feversham and if Feversham folk do not succeed in planting a factory right away, our Mr. Hickling will push on his project as intimated in the Advance recently. By the way farmers, what about a creamery at Eugenia. Why not? Why not utilize the old gristmill stand for this profitable industry, to make it a monument of Patron vigorous progressiveness and prosperity? Why not?

Kimberley.

From our own Correspondent.

Mr. Henry Ellis has purchased an interest in a butcher shop in Powassan village, and Mr. Ellis and Master George Stuart took their leave of us on Friday last for that place.

Messrs. G. Gordon, of Toronto, and T. Thacker, who left Lincolnshire, Eng., on 2nd inst., reached this place 2 days ago, and are the guests of Mr. Geo. Turner.

Mrs. J. Myles is visiting friends in Orangeville.

Mr. T. Bradbury has leased his house to Mr. Jamieson, and has moved to Eugenia suburbs.

Irwin Stafford and David Thompson leave this week for St. Thomas, Dakota, for the farming pursuits. Success, boys.

Flesherton Station.

From our own Correspondent.

Miss Williams addressed a most instructive and edifying sermon to a large congregation here last Sabbath morning. Her text was taken from Matthew, 16 ch. 24 verse. This young lady has kindly given lectures in our hall on two or three different occasions, for which the citizens of this vicinity feel most grateful.

Rev. Mr. Tonge will preach here next Sunday at 3 o'clock p. m.

Mr. S. Thompson, of Proton Station, has moved to Flesherton and taken up his abode in the cottage formerly occupied by Mrs. Latimer.

Mr. Thistlewaite has removed with his family to the vicinity of Woodbridge where he intends to reside. Miles was a good neighbor and will be greatly missed around here.

Mrs. Morgan has been spending a few weeks with her daughter, Mrs. Egan.

Mr. Hogg is visiting with his family in Toronto.

Mrs. Will McNea has been dangerously ill during the past week but hopes are now entertained of her recovery.

Mr. Wilson McMullen has left the bachelor's ranks and taken to himself a bride in the person of Miss Wilson, of Singhampton. Congratulations Wilson. Hope the infection will spread.

Mr. House, of Hamilton, visited our town last week in quest of some poles for the Telephone Co.

Mr. and Mrs. Geo. Stone arrived home from British Columbia a few days ago. It appears Mrs. Stone had not been enjoying good health in her distant home.

The Station has already assumed a quieter appearance, consequent on the bad condition of the roads which prevents the usual traffic of telegraph poles, grain etc.
