Eugenia

From our own Correspondent.

At last the balmy breath of spring begins to make its invigorating influence felt and seen. We will soon be cheered by the discordant notes in the swamps of the Canadian string band. However, hat will be a pleasant change from the howling storms of the past winter.

The Methodist tea meeting was well attended. An excellent programme was prepared. Mr. Carr was chairman for the evening. The ladies had an excellent supper provided. The singing by the choir and the recitations by the children were very nice, especially the recitation by Master Willie Carr, of "Tommy Boy," which called forth shouts of applause. The speeches by the Rev's Barlow, Wells and Waddell, were well received, and everyone declared they had spent a very happy and pleasant evening. The proceeds amounted to nearly twenty dollars. The proceeds from the social on Saturday evening were six dollars.

Two of Mr. Duckett's children have been very sick, but are now some better.

Miss Esther Hopps has gone to Mayfield for the summer.

Whatever has happened to Mr. J. H. Duckett? His lime kiln seems deserted and his house empty. He must have gone to pasture, now.

There has been some pretty severe cases of grippe around. Mrs. Joseph Pedlar, Mrs. Hogg and Mrs. Woodburn have all been laid up with it, but are now on the mend.

Mr. D. Meldrum, who has been ill at his home here for some time, died on Tuesday at the early age of 25 years. The funeral takes place on Friday afternoon at 2 o'clock. The young man has been cut off in the prime of life by that insidious disease, consumption. Our deepest sympathies are extended to those who hold his memory dear.

Mr. Jake Williams is commencing to build a new shop.

Mr. Hiram Bowerman is about start to erect a new dwelling. That is a good sign of business, anyhow.

The salvation army meetings at Salem, conducted by Captain Hindle and staff, are still well attended. A great many seem very deeply impressed.

Mr. Wesley Pedlar has gone to Flesherton to learn the blacksmithing trade with Mr. Hunt.

Mr. Burgess, of Toronto, was up on a visit to see his friend, Mr. David Meldrum, the past week.

The protracted meetings conducted in the Methodist church by Revs. Waddell and Barlow were well attended.

Priceville.

From our own Correspondent.

Our blacksmith and carpenter shops are crowded with harrows, plows and other farming implements, which are being repaired in readiness for the spring work.

Mr. Neil McCannal, the popular teacher of the Boothville Academy, gave us a pleasant call the other day. Drop in again, Mac.

Messrs. Jas. Burnett and Neil McLeod of the South Line, left last Monday for Montana.

Miss Sarah Ector, of the P. S. staff, spent the holidays with her parents near Dushan.

Misses A. V. Ross and Fanny James, teachers at Stanton and Daybreak, respectively, were home for Easter holidays.

Mr. Walter Nichol and Miss Gerbie McLeod, of O. S. Collegiate Institute, are taking a few days of well-earned rest this week.

Wodehouse.

From our own Correspondent.

Wiley Eros, have put in a new water wheel this spring. Their mill is now in good trim and is doing good work. They are also putting in an edger, which will add materially to the mill.

Married—On Wednesday of last week,

Mr. D. Magee, of Artemesia, to Miss Lilley Clark, of this place. The bride was assisted by her sister, Miss M. Clark, while the groom was supported by Mr. Ed. Wilcox, Rev. Mr. Waddell, of Kimberley, conducted the ceremony. The wedding was a little out of the ordinary in this country, as the guests consisted chiefly of the heads of families and the pioneers of this neighborhood. However, on occasion was a very pleasant one. Our best wishes attend the happy pair. John and George Clark left on Friday last for Brampton.

A sleighing party passed through here last Monday. When they came to bare ground they quietly left their pesky old sleigh, and with their equipage and team marched along, no doubt wishing for a change of the moon.

Miss Allie Breadner is spending a few days with friends in Meaford.

Mrs. S. Loughhead was last week called to Meaford to see Mrs. Jas. Yelland, who is very ill and her recovery is very doubtful.

Mr. M. Richardson, of Flesherton, gave our village storekeeper a call last week.

Epping.

From our own Correspondent.

It's all over town—mud. April is here with its smiles and tears, some of our farmers have commenced plowing and others are thinking about it.

The sick folk are all recovering, we are glad to say.

Our charming little town is now represented in the "Meaford Mirror," so the young men and maidens will have to look well to their doings.

Assessor Devitt has finished his work. Mr. Wm. Eaton spent last week with his brother, J. E. Eaton, while looking after the disposing of his farm. We understand Messrs. Shore and Welsh rented the later.

Miss Maggie Black, of Meaford high school, spent Easter holidays at home.

Maxwell.

From our own Correspondent.

No news is better than bad news, so we are all right this time as we have none to send, or next to none.

The meetings were brought to a close on Friday the 24th.

Mrs. Kinghorn, who has been unwell for a time, is improving.

BACKACHE

WILL CURE YOU

"Backache means the kidneys are in trouble. Dodd's Kidney Pills give prompt relief." "75 per cent. of disease is first caused by disordered kidneys." "Might as well try to have a healthy city without sewerage, as good health when the kidneys are clogged, they are the scavengers of the system." "Delay is dangerous. Neglected kidney troubles result in Bad Blood, Dyspepsia, Liver Complaint, and the most dangerous of all, Brights Disease, Diabetes and Dropsy." "The above diseases cannot exist where Dodd's Kidney Pills are used."

Sold by all dealers or sent by mail on receipt of price 25 cents, per box or six for \$1.50. Dr. L. A. Smith & Co., Toronto. Write for book called Kidney Talk.

Cures Others

Will cure You, is a true statement of the action of AYER'S Sarsaparilla, when taken for diseases originating in impure blood; but, while this assertion is true of AYER'S Sarsaparilla, as thousands can attest, it cannot be truthfully applied to other preparations, which unprincipled dealers will recommend, and try to impose upon you, as "just as good as Ayer's." Take Ayer's Sarsaparilla and Ayer's only, if you need a blood-purifier and would be benefited permanently. This medicine, for nearly fifty years, has enjoyed a reputation, and made a record for cures, that has never been equalled by other preparations. AYER'S Sarsaparilla eradicates the taint of hereditary scrofula and other blood diseases from the system, and it has, deservedly, the confidence of the people.

AYER'S
Sarsaparilla

"I cannot forbear to express my joy at the relief I have obtained from the use of AYER'S Sarsaparilla. I was afflicted with kidney troubles for about six months, suffering greatly with pains in the small of my back. In addition to this, my body was covered with pimply eruptions. The remedies prescribed failed to help me. I then began to take AYER'S Sarsaparilla, and, in a short time, the pains ceased and the pimples disappeared. I advise every young man or woman, in case of sickness resulting from impure blood, no matter how long standing, the case may be, to take AYER'S Sarsaparilla."—H. L. Jarmann, 33 William st., New York City.
