Mr. James Beach, a respected resident of Nottawasaga, died very suddenly on Wednesday last. He was at Glen Huron in the forenoon, transacting business and making arrangements to go to Collingwood next day. He returned home for dinner and shortly afterwards complained of being cold. He was induced to lie down though protesting that nothing serious was wrong with him. Fearing illness the family sent for Drs. Bolster and Stephen, who arrived at the house during the afternoon, and shortly afterwards on being summoned to his bedside they found him dying. Heart failure was the cause of death. Deceased was an ex-deputy reeve, and enjoyed the confidence of a large circle of friends.—Creemore Star.

**Rheumatism Cured in a day.**—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first-dose greatly benefits. 75 cents. Warranted by Richardson & Co.

D. P. Cameron, of Easthope, had a severe and prolonged conflict on the farm of his neighbor, Wm. Meze, with a collie dog. He was taking a short cut across the field toward Maze's house, when the animal rushed at him, attacking him in front. The dog jumped at his throat, and tore his vest and pants, but did not succeed in fastening upon him, although the conflict was kept up over an hour. It was only ended at last by Mr. Cameron slowly making his way, facing the dog all the time, to a stump some little distance where there happened to be a handspike. He got on the top of the stump and flourished the handspike, and the people on the farm, discovering his situation, and coming to him, the dog at length retreated. Mr. Maze promptly killed the dog.

Rebecca Wilkinson, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which done me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy. I consider it the grandest medicine in the world." A trial bottle will convince you. Warranted by Richardson & Co.

Amos Edmunds, the unfortunate victim of suicidal mania, who while confined in the jail here made several determined attempts at self destruction, was taken to Toronto asylum over a week ago. On the journey down he occupied the same seat with the guard, the insane man being next the window. As the train was nearing Dundalk he asked the officer to change places with him, which was done. The moment Edmunds found himself far enough from the window he flung himself headlong through it, the train running at full speed. The guard seized his legs as he hung half way out, and with the aid of several passengers succeeded in drawing him in again. He was badly but not dangerously cut with the broken glass.—O. S. Advertiser.

Henry Morrell, a young man 24 years of age, had his skull crushed by the limb of a falling tree on the farm of Jno. Elliott, near Marden, on Wednesday. With Mr. Elliott and another man he was engaged chopping in the bush. The limb of a falling tree broke and struck Morrell on the left side of the head. He was carried to the house and a physician summoned. Subsequently he was removed to the General Hospital where a careful examination revealed the fact that his skull was badly crushed. Several pieces of bone were removed. Morrell has been unconscious ever since the accident. The doctors have very little hopes of his recovery. His father and mother recently moved to this vicinity from the northern districts.—Guelph Herald, The injured young man and his parents formerly resided in Egremont, near Yeovil.

A good joke was played on the Town Council and a few of the leading citizens of Bowmanville on Saturday morning. A letter dated Oshawa, and addressed to John Lyle, Esq., chairman of the Manufacturers Committee, requesting him to call his Committee and the Council together in the council-room at ten o'clock for the purpose of receiving a proposition to establish a large manufacturing industry in the town. At precisely the hour named his Worship the Mayor and all the Council, and a goodly number of citizens, filed into the council chamber and filled the room. After an hour's anxious waiting it dawned upon some of those present that it was the first day of April. It is needless to say that the Council adjourned.
