**A Kingston Orangeman.**

KINGSTON, April 17th.—Mr. James Blair of Napanee, whose case has been creating so much interest in that locality, is well-known in the Limestone city. He was a resident of Kingston for fourteen years, and it was while he was engaged as cutter for Mr. Livingstone of this place, that he contracted Bright's disease of the kidneys. His Orange friends in Kingston are delighted to know that he is cured of this terrible disease, by using Dodd's Kidney Pills. Many of them who have been similarly troubled with back-ache, rheumatism, and kindred complaints, have started using Dodd's Kidney Pills, and several marvelous cures are already reported. Mr. Blair joined the Orange order in 1854, and is the oldest Orangeman in Napanee. He has been a delegate to the Orange grand lodge, and has held several important offices in the order. His friends considered his case as incurable, and are of course amazed at his wonderful recovery.
