The foot-ball match on Friday evening last between the Eugenia and Flesherton clubs was one of the most hotly contested games ever seen here. An hour and a half's play resulted in a tie, no goals having been scored by either side.

Mr. Thos. Davis, a prosperous farmer of Artemesia, has decided to retire, and will go to Atchison, Kansas, and reside with his son Robert, who has been doing well over there for some seven years.—Standard.

"Is it hot enough for you?" is a silly question; but if you meet a man who complains of suffering from the heat, ten to one you will find, on inquiry, that he does not use Ayer's Sarsaparilla to tone up his system and free his blood from irritating humors.

Mrs. Harriet A. Marble, of Poughkeepsie, N. Y., was for years a martyr to headache, and never found anything to give her more than temporary relief until she began to take Ayer's Pills, since which she has been in the enjoyment of perfect health.

Travelers who visit us at this season of the year are unanimous in the assertion that Flesherton is one of the most picturesque villages in western Ontario. It sits embowered in green on several hills, something after the style of Rome (though of course not on quite so magnificent a scale) and at this season of year more particularly, when the new foliage is in its early beauty, is it pleasing and restful to the eyesight. N. B.—Tourists made welcome.

Since the burglary at Hopeville last week a careful watch has been kept in this village to frustrate any attempt which might be made here in that line. Suspicious looking characters have been noticed prowling around for a few days, but their actions have been closely watched. On Monday night an attempt was made to effect an entrance into a couple of places, but the marauders were alarmed and departed without having attained their object. A warm reception still awaits them should they return.

The Advance is happy to learn that Mr. S. Damude has dropped into a situation which promises well and is accompanied by a pretty good salary. He has been offered and accepted the inspectorship

of the Farmers' Loan and Savings Company. He has not disposed of his business here and will remain a citizen of Flesherton for some time, at least. Mr. Damude's friends, whose name is legion, all feel pleased at his promotion, and also feel that he is a competent man for the place.

The annual garden party of the Methodist Church will be held in Flesherton, on July 1st. Fuller particulars later.

Mr. James Osborne, of Nottawasaga, accompanied by Miss Ida and Master Fred Dinwoodie, visited friends in Flesherton.

A letter signed "Constant Reader" has been received from Eugenia but the writer does not send his name. If this is forthcoming the communication will be inserted next week.

Dr. Scott, of Maxwell, will leave in a few days to take a post graduate course in the hospitals of Chicago. Mrs. Scott accompanies him to Chicago, and after seeing the world's fair will visit her parents at Marla Park River, N. D. The Dr. leaves a competent man in charge of his practice in the person of Dr. Rutledge. We wish the Dr. and his good wife a pleasant and profitable holiday.

A sad event has occurred in this village lately by the death of Mrs. T. Wyvill, a young woman in the prime of life who has been called away, leaving a little infant three weeks old behind. Her death occurred on Monday of this week. The remains were taken to the home of her parents at Port Perry for interment. Much sympathy is expressed for Mr. Wyvill in his sore bereavement.

The presence of the Grand Chaplain of Ontario added much to the interest of the evening.

Reform Meeting. The meeting of East and Centre, and South Grey Liberals in the Town Hall here on Wednesday of last week was very meagerly attended. The prominent men of the party were mostly all here, but the rank and file were conspicuously absent. Farming operations occupied their attention too fully. The chair was occupied by Mr. Thorp Wright. The principal speakers were Dr. Landerkin, M.P., Gilbert McKenzie, M. P. P., Dr. Hunt, Mr. Cleland, W. H. Wright, P. McCullough and J. D. Morgan. The following delegates were chosen to attend the convention at Ottawa on June 20:—Dr. Hunt, of Thornbury; Mr. Cleland, of Meaford; W. H. Wright, of Owen Sound; C. Graham and J. D. Priceville.

From our own Correspondent. The Priceville football club have reorganized for this year. The following officers were elected: Hon. President, Dr. Hutton; President, James B. Atkinson; Vice President, John Simpson; Captain, W. J. Blackston; Sec.-Treas., R. T. Grier.

The boys on the South Line have also sent for a football, hence we may expect lively times this season.

Last week we examined Mr. D. K. McArthur's safe, at Hopeville, which was blown open by burglars. The robbers were no ordinary nimble-fingered thieves, as is evidenced by the clever and scientific way they did their nefarious work. The lining of the safe door was completely separated from the main part and weighed 123 lbs. Messrs John McArthur and J. D. Brown joined in the chase after the safe-crackers.

One of our citizens made an unprovoked attack on another one lately, which resulted in an unfriendly scrap and two damaged visual organs.

Mr. W. J. Blackston and Miss S. E. Ector, teachers of our public school, attended the teachers' convention held in Durham last week.

Miss Fanny Watson returned home last week after a considerable stay in Hamilton. The Rev. Mr. Husband and Mr. C. C. James have been attending conference in Owen Sound the last few days.

Mr. Richard Parelou was the guest of Mr. W. J. Blackston a part of last week.

Mrs. Jas. Watson is visiting at Inistigo. Misses Ella Hasband and T. Richardson drove over to our burg last week. They visited our famous academy and took in the principal sights of the town and captivated (perhaps) some of our young knights. Come again, ladies.

Mr. Wm. Watson, sr., visited his son in Walters' Falls lately.

Miss Menagh, teacher at Ventry, paid a brief visit to her sister, Mrs. H. Watson.

Miss Fanny James, teacher at Daybreak, spent a day or two at home lately.

CLAYTON'S

A Wonderful Medicine.

Read the following interesting testimonies:

South American Nervine, the great cure for Nervousness, Nervous Prostration, Nervous Headache, Sick Headache, Nervous Paroxysms, Nervous Chills, Nervous Choking, Hot Flashes, Palpitation of the Heart, Sleeplessness, Nervousness of females of all ages, Indigestion, Dyspepsia, Burning of the Stomach, Weight and Tenderness in the Stomach, Wind upon the Stomach, Catarrh of the Stomach, Frightful Dreams, Nightmare, Ringing in the ears, Vertigo and dizziness, Fainting, Impure and impoverished blood, Scrofulous Swellings, Consumption of the lungs, Female Weakness, General Debility, Broken Constitution, Chronic Diarrhoea, and Debility of old age, all these and many other complaints cured by this wonderful Nervine Tonic.

Clipped from Advocate, Greenville, Ala., Feb. 2, 1893.

For 27 years the ADVOCATE has published advertisements of various patent medicines, many of which were exceptionally good remedies for the diseases and ills for which they were recommended.

But we have not yet heard as good report of any as we have of the Great South American Nervine Tonic, a large advertisement of which we publish on our second page.

A lady subscriber in Louisville, Ky., wrote us some time ago asking to have Mr. Stewart, the druggist here, to send her a bottle for her husband. In a short time she wrote again ordering two more bottles and said it was doing her husband good. A few days since meeting one of our principal merchants who had been in bad health many months, we asked him how he was getting on: He said he was getting better every day, that he had found a patent medicine that he had taken several bottles of it and was going to continue it, for he says he would not take a thousand dollars for the good it has already done him.

Inquiring what kind of medicine it was, he told me it was the South American Nervine Tonic.

Hearing so much about this great remedy we interviewed Mr. Stewart, and he tells us that he can scarcely keep a supply on hand as it sells as fast as he can get it, and all those who use it speak in the highest praise of it. He says he has sent it to Advocate subscribers in Florida, Kentucky, North Albany, and other places.

This is no paid notice, we publish it simply as a tribute to a deserving remedy, and if it is doing good we are glad that it is in the reach of our sick and suffering people.

Has your constitution been wrecked by an attack of La Grippe? The GREAT SOUTH AMERICAN NERVINE TONIC will quickly restore your shattered nerves, strengthen and cure your digestive organs, regulate your Liver and purify your blood; and restore you to perfect soundness again. This great Tonic should be used after all sickness. Its powers to restore to health are simply wonderful.

Harriet E. Hall of Waynetown, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhaustive Stomach, Indigestion, Nervous Prostration and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it the best medicine in the world. I cannot recommend it too highly."
