A bright little two year old boy, son of Mr. Jones Harriston, of North Egremont, fell into a pail of boiling water on Saturday and was so severely burned that he died a couple of hours afterwards. The suddenness and manner of the little one's taking have rendered the parents almost inconsolable.—Chronicle.

Itch, Mange, and Scratches on human or animals cured in 30 minutes by Woolford's Sanitary Lotion. This never fails. Warranted by Wm. M. Richardson

Petty swindlers have been working a new dodge in the neighboring towns. They claim to be introducing a new kind of soap, and in order to induce people to try it, offer 4 bars laundry, 3 cakes of toilet soap, a box of starch, a package of starch and a door mat for one dollar. The laundry soap looks like ordinary bar soap cut into chunks, and the toilet soap looks like bar soap perfumed and scented. The door mat is what catches the prudent housekeeper, in search of a bargain. Samples of fine rubber mats are shown, and it is represented that one of them will be given as an inducement to try the soap. When the sale is made the agent glibly informs the purchaser that the mat will be delivered at a future date, as he furnishes a mat containing the initials of the purchaser, and therefore cannot carry them with him. The mat, which was the inducement to purchase, fails to come, and the dupe finds himself \$1 out, with only about half a dollars worth of soap and an order for a mythical door mat to show for it.

Men have various ways of carrying money. Butchers, bakers and grocers carry it in crumple wad. Bankers in nice clean bills placed at full length in a morocco pocket book. Brokers all fold their bills once, doubling their money as it were! The young business man carries it in his vest pocket, while the sporting man carries it in his trousers pocket. Farmers and drovers carry theirs in their inside pockets whether it happens to be fifteen dollars or fifteen cents. Editors carry theirs in other people's pockets.

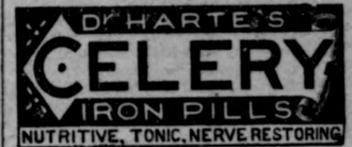

A farmer from Bentinck, named Welsh, was in the village on Monday, looking for a constable to hunt up eight head of cattle that were stolen from him on Tuesday night of last week. Two men and a boy were seen driving the cattle from Welsh's toward the Garafraxa road, but no further tidings of them can be obtained. The time for Mr. Welsh to have looked after cattle and the thieves was the day after they were stolen, as they are no doubt beyond recovery by this time. That daring cattle thieves infest the country is evident from the foregoing, and from the fact that farmer Craig, of Arran, recently had sixteen head stolen off his place in a similar manner.—Chateworth News.

Rheumatism Cured in a day.—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. Warranted by Richardson & Co.

They Don't Know What's Wrong.

BRAMPTON, Aug. 21.—A good many people in these days are evidently ignorant of what ails them. They use remedies for dropsy, rheumatism, sciatica or some such disease and after a time find out that disordered kidneys caused all the trouble. Here are some instances. James Crisp, a telegraph operator of this place, suffered from dyspepsia for a long time and could not find a remedy that would relieve him until he found Dodd's kidney pills. They cured him, as the primary cause of his dyspepsia lay, undoubtedly, in his kidneys.

A well-known lady wrote to the Toronto papers a short time ago stating that she had been cured of a womb disorder by means of Dodd's kidney pills. She did not think, until she was cured that disordered kidneys were the seat of the trouble. Valentine Fisher, of Collingwood, last year, was cured of sciatica of thirteen years' standing, by the same remedy. He too, found out at a late day that his kidneys had all along been the cause of his sufferings. These are only some of many like experiences that are daily met with.

The weakness peculiar to childhood extreme debility, and old age, resulting in non-retention during sleep, yields to a few doses of Celery Iron Pills. Then what will help will cure if persevered in. Druggists and dealers, or mail. Price 50 cts., or six for \$2.50. The Celery Pill Co., Toronto, Ont.

THE FACT

That AYER'S Sarsaparilla CURES OTHERS OF Scrofulous Diseases, Eruptions, Boils, Eczema, Liver and Kidney Diseases, Dyspepsia, Rheumatism, and Catarrh should be convincing that the same course of treatment WILL CURE YOU. All that has been said of the wonderful cures effected by the use of

AYER'S Sarsaparilla

during the past fifty years, truthfully applies to-day. It is, in every sense, The Superior Medicine. Its curative properties, strength, and flavor are always the same; and for whatever blood diseases AYER'S Sarsaparilla is taken, they yield to this treatment. When you ask for

AYER'S Sarsaparilla

don't be induced to purchase any of the worthless substitutes, which are mostly mixtures of the cheapest ingredients, contain no sarsaparilla, have no uniform standard of appearance, flavor, or effect, are blood-purifiers in name only, and are offered to you because there is more profit in selling them. Take

AYER'S Sarsaparilla

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; Price \$4; six bottles, \$5. Cures others, will cure you
