 Eugenia, has on hand, and for sale shingles, saab, doors and lumber. Turning and planing done to order, Chopping in connection.
 March 29

John Conn of Heathcote.
 Formed an Acquaintance in Chicago.
 AND PAID \$75 FOR A LITTLE INSIGHT INTO THE WICKED WAYS OF WILY MEN—THE BUNCO STEERER AGAIN.

Mr. John Conn, an elderly man living about two miles south of Heathcote, started lately to visit his son in California. He arrived safely at Chicago, but before getting away from that city he suffered a slight inconvenience, which a despatch describes as follows:
 CHICAGO, FEB. 28.—John Conn, a wealthy fruit grower of Heathcote, Ont., arrived in the United States yesterday for the first time, on his way to visit his son in California. Conn got into conversation with those about him as he waited at the depot for his train, and told them of his trip. He was soon approached by a very smooth young man, who also stated that he was going to California. He said his trunks were at the Great Northern hotel, and asked Conn to accompany him there to get them. The old gentleman had three hours to wait, so took the walk. When near the hotel the young man was approached by another, who presented a bill and who seemed in a great hurry for the payment. The smooth young man said his money was in his trunk at the hotel and asked Mr. Conn to lend him \$75 until they could go into the hotel and get it out of the trunk. This Conn did. They went into the hotel and the young man left Conn sitting in the rotunda and walked out. Conn sat there an hour and then asked the clerk about his new found friend. He was informed that no such person was stopping there and that he had been buncoed. Conn proceeded on his journey, but it is safe to say that he will keep his eye on strangers all the time that he is in the States.

County and District.
 Warton is heavily encumbered. The actual debt of the town to-day is \$44,000 and they intend putting on an additional blister of \$3,000 more, bringing the public debt up to the handsome sum of \$47,000.

A fine live otter, captured in a trap by Mr. Aroh. Lamont, a few miles from here, is exhibited in a cage at Lamont's hardware store. The beautiful animal is becoming quite tame and is admired by large numbers every day.—Mt. Forest Representative.

Secretary Alex. Garvie might have had an attraction for the Derby fall show which would have been a drawing card. Last week one of his cows gave birth to three calves—all lively specimens of embryo beef. Wihont taking the exhibition idea into consideration, one of the herd was dispatched to a Arnour, it being considered that it is about as much as one respectable cow can manage to raise two calves of the same age.—Times.

Three head of young cattle, said to belong to Mr. Jeremiah Phelan, of Proton, went to a spring creek along the roadside to drink, on Friday last. It appears that the animal got wet, and in the intense cold which prevailed that day, were frozen to death. Their frozen carcasses, with feet sticking upwards, were found Saturday morning close to the spring.—Mt. Forest Representative.

Mr. John Nauer of Neustadt has invented and patented a contrivance for travelling on ice. A trial of it was given in the rink here Saturday evening. But one machine has yet been built, and under the favorable circumstances presented by the rink it appeared to work satisfactorily. It is in the shape of a small sleigh with wheels on the sides resembling buggy wheels. These have spikes in the tires to catch the ice. The machine is propelled by an endless chain like a bicycle, but the power is in the arms. Its easily turned and is under perfect control.—Walkerton Herald.

Mr. Jas. Campbell returned from a visit to Toronto on Tuesday. He had taken a Singhampton hotel-keeper down to the Deer Park sanitarium for treatment. He says the sanitarium is a splendid institution. He also visited the parliament buildings while the house was in session. Of course Mr. Campbell took his seat in the spectators' gallery on the Government side of the House, and what was his surprise to find on looking down, that Major Rorke had for the time at any rate, deserted the Opposition benches, and was busily writing alongside of some case hardened grit.—Thornbury Standard.

Thought it Was a Fake.
 A LETTER FROM A PROMINENT KINGSTON MAN—A STORY OF DEEP INTEREST TO EVERYBODY—TOLD IN HIS OWN WORDS DODD'S KIDNEY PILLS AGAIN.

"I would consider it a favor if you would allow me to add my testimonial to the many hundreds you no doubt have in praise of the wonderful cures effected by your Dodd's Kidney Pills.
 "I have been a great sufferer from kidney trouble and sciatica for the last 15 years, and have paid out hundreds of dollars for treatment, but to no effect. Seeing your pills advertised I thought it was a fake to catch the poor unfortunate, and took no particular notice of it. But when I saw the testimonial of Dr. Rose, a well known physician of good standing and whose reputation I am well acquainted with, I inquired of my druggist if there were any in our vicinity who had been cured by them. He named over several remarkable cures in Kingston and amongst others a lady whom I knew. I consulted her husband and he verified the statement. I at once secured six boxes which I found gave me relief I had not felt in years. I took six more boxes and I am now able to kick the hat off a man's head with the leg I could hardly drag along, and my back feels as strong as a board.
 I would consider I was doing wrong to you and the public if I were not to allow my name to appear in testimony of the worth of Dodd's Kidney Pills, and further, I will be happy at any time to answer any one who wishes to write with regard to the above.
 Sincerely yours,
J. H. BRICKWOOD,
 Fishery Inspector.
 Kingston, Jan. 4th.

Honor Rolls.
 The following is the standing of Maxwell school for February.
