C. E. Wright's Case.

HE WAS A DOUBTING THOMAS—DID NOT THINK DODD'S KIDNEY PILLS WOULD CURE HIS BACKACHE, BUT THEY DID.

PENETANGUISHENE, MARCH, 19.—If any person in this neighborhood had any doubts as to the curative properties of Dodd's Kidney Pills, the case of Mr. C. E. Wright, the well known butcher here ought to dispel such doubts. Mr. Wright was troubled for some years with a severe pain in the back and kidney disease. He was reluctant to use the pills but was finally persuaded to do so. Today he is cured of his kidney trouble and is loudly singing the praise of the remedy that did so much for him. Dodd's Kidney Pills are manufactured by Dr. L. A. Smith & Co. and are sold by all dealers, or will be mailed on receipt of price; fifty cents per box, or six boxes for \$2.50.

The Meaford motor is simply bristling with single tax and Henry George these days.

The newspaper reports that Mr. John Conn, of Heatcote, was bunched out of \$75 by a slick young man of Chicago two weeks ago, are incorrect. The facts are that Mr. Conn was getting a five dollar bill changed at the money changing office in the depot, and he laid his purse containing \$75 on the counter. There was a big crowd in the place at the time, and someone grabbed the purse and was away in the crowd before Mr. Conn could turn around. The Thornbury Standard.

Post-office Inspector Spry was spry enough last week to catch and convict Miss Houghton of Collingwood for using second class postage stamps Fine \$10 and costs.

On Wednesday of last week, while Mr. Bert Dulmage, son of Mr. A. Dulmage, Merchant, of Lake's, was shooting in the woods, his gun discharged while he was climbing over a log, the whole charge entering his body. He was taken to the residence of Hugh Carson, where all that was possible was done to relieve his sufferings but he died on the Friday following the accident. Deceased was a nephew of Mrs. Clarke, of this town.—Mt. Forest Confederate.

A Hog Explodes.

St. Catharines Star.

To the Editor of the Star—A remarkable case of hog explosion occurred on my farm in Pelham last night. I had been using dynamite for the purpose of blowing several old stumps out of the ground. The dynamite was mixed with sawdust and gave out a very pleasant odor, which attracted the attention of two of my hogs feeding in the vicinity. The stuff when eaten by the hogs created, it would seem, a peculiar sensation, which annoyed one of them to such an extent that it entered the stable and began rubbing its side against a post at the mouth of a mules stall. The mule annoyed at the intrusion, gave the hog a terrible kick in the side. A tremendous explosion followed, and after the smoke and dust had cleared away I ran over and found my hog in detached pieces, while an enormous hole marked the place where it had stood. The mule received a tremendous shock, but was still intact and full of life. The other hog is still running at large to the terror of the entire neighborhood.

borough. Can any of your readers account for this extraordinary explosion, and what am I to do with the other hog? Yours truly, David Jackson.

Once more we are reminded that spring is here, by the chirping of the robin and the pathetic song of the frogs. Yet while we are almost loath to part with winter yet for a while still we extend the hand of welcome to its successor, spring.

Mrs. R. J. Hodgins is still very low at present with that fatal malady, consumption.

Miss Maggie Neilson has returned to the city after spending a few weeks with friends and parents.

A couple of weeks ago Mr. Bert Thompson, of Toronto university, formerly pastor here, preached an excellent sermon in the Presbyterian church. As a favorite of the people Mr. Thompson is still to the front.

We learn that Mrs. Alex. Stewart, who recently went to one of the hospitals in Toronto to undergo a treatment for a tumor, is recovering under the skillful hand of a specialist.

Messrs. A. Sherson and J. Boyd paid a business trip to the city one day recently.

The social held at Mr. Wm. Parks, in aid of the church was a success, considering the roads and unfavorable weather.

Mr. A. Neilson was presented with a baby boy one morning recently. Archie is a fellow who can appreciate good gifts.

There are a couple of young men around here who, if you were to ask, could tell you any change in the planets from eight o'clock on Sunday night till four on Monday morning. We do not know if it is a gift or not, but it looks strange.

Priceville.

From our own Correspondent.

The cattle fair last Monday was a failure as far as prices were concerned. There was a large number of cattle on the grounds, but the buyers were not anxious to purchase, hence not many sales were effected.

As some of Mr. John McMillan's family were driving home from church last Sunday the horse slipped off the road and fractured his leg just above the hoof. The animal was shot next day.

Mr. McAulay, late of Holstein, arrived here last Thursday with a part of his machinery for the woollen factory which he intends having in operation by the 1st of May. Besides carding and weaving, we understand that he will manufacture church cushions, which will be a novelty for this hitherto quiet little burg. We welcome Mr. McAulay to our town, and trust that his business will be a prosperous one.

The interest in the revival meetings which are going on in the Methodist church are increasing.

Mr. Donald McLeod, formerly of the five brigades, Toronto, intends farming this year. He will work the old homestead.

Mr. Neil McMillan returned to Montana last week after spending a few pleasant months among friends in this vicinity. Messrs. D. McLean, Norman McDougal, Donald McDonald and Allan McLean arrived home from Uncle Sam's domains last week.

Mrs. McKay's sale was largely attended last Monday. Nearly everything was sold, and at a fair consideration. The family intend moving to Saginaw Co., Mich., in a short time.

The S. O. T. purpose giving an entertainment in their lodge-room to-night (Thursday). If this division keeps on booming during the rest of the year the way it has done during the past three months, Sir Oliver Mowat need not bother his perplexed brains about the prohibition question, so far as this community is concerned.
