Carriages and Wagons.

GENTLEMEN:

I DESIRE TO ANNOUNCE that I have taken over the Carriage and Wagon making business lately carried on by Mr. Moore, and am now prepared to fill all orders in my line to your entire satisfaction. Having lately added to my sixteen years' experience in the business a nine months' training in one of the best carriage shops in the city of Detroit, where I succeeded in carrying off a first class recommendation, ought to be a sufficient guarantee that all work will be done in a first class manner. I manufacture Wagons, Buggies, Cutters, Sleighs; in fact everything in the carriage line. Wood and lumber taken in exchange. Kindly give me a call.

D. BLAIR, Flesherton.

Next door to McTavish's blacksmith shop.

I have also on hand a stock of heavy sleighs, pleasure sleighs, market sleighs and skeleton sleighs. All I ask is a call, and judge for yourselves.

Thanking my many friends for their past favors, I remain, yours truly,

From our own Correspondent.
The entertainment given by the Sons of Temperance last Thursday evening was a grand success. Notwithstanding the very dark and gloomy appearance of the weather, there was a large audience. An excellent program was rendered, and enjoyed by all. The special features of the evening were club-swinging by Miss Annie McKechnie and calisthenics by Miss Carlyle, Flossie and Edith Hartley. Miss McKechnie's club-swinging eclipsed any performance in that line ever given in this village. Very beautiful and pathetic solos were sung by Misses Squair and Annie James. A reading by Miss M. McKechnie was well received. Appropriate recitations were given by Misses A. McKechnie and Maudie Watson and Master Leo. Grier, Frankie Aussem and Henry Watson. The Rev. Mr. Hartley delivered an instructive and interesting address on the reasons why the temperance question should concern us, and dealt with the subject in a very logical manner. The orchestra and glee club acquitted themselves in a very creditable manner. Mr. Robt. McLachlan, W. P., occupied the chair.

In a short time Dr. Hutton's office will be situated on Main Street in the building formally occupied by him.

From our own correspondent.

Our picturesque little town has been almost as quiet lately as the defunct Hoop and Vencer "Perfection."

Last Sunday being such a spring-like day, many resumed their accustomed walks and surveyed the natural beauty of the falls, rocks and valley. The falls, with the grove adjoining, is a very enticing place in spring and summer time for the young and pleasantly disposed, and those imbued with a love of natural scenery. It is doubtful if Ontario presents such another piece of beautiful rustic scenery.

Mrs. Purvis, we are sorry to announce, has been taken ill with another serious attack of biliousness. We hope she will soon recover her former strength.

That most delicious of all sweets, maple taffy, is being partaken of freely. Some greedy fellows stole a march on one of our good citizens last Sunday and appropriated a few gallons of maple molasses. Pretty mean trick.

We hear that the Morrison v. Roger affair is postponed again.

For the weasel, you know,
Never suffers his foe
To catch him asleep.
He is up and astir
When there's any spare fur
To be reaped.
