Health and happiness are relative con-
ditions; at any rate, there can be little
happiness without health. To give the
body its full measure of strength and en-
ergy, the blood should be kept pure and
vigorous, by the use of Ayer's Sarsapar-
illa.

Mr. Geo. J. Carter, of the firm of
Carter & Northmore, shoe merchants,
Deseronto, Ont., and son-in-law of Mr.
Joseph Watson, of Artemesia, has been
visiting friends in that vicinity the past
few days, prior to taking a tour of north-
ern Ontario.

Most coughs may be cured in a few
hours or at any rate in a few days by the
use of Ayer's Cherry Pectoral. With
such a prompt and sure remedy as this at
hand, there is no need of prolonging the
agony for weeks and months. Keep this
remedy in your house.

The Owen Sound Association of Bap-
tist churches, including Bruce and Grey
counties, will be held in Flesherton next
week, beginning on Tuesday. The prin-
cipal days, however, will be Thursday
and Friday. It is expected that a large
number of ministers will be present.

Markdale Citizens Band paid Flesh-
erton a fraternal visit on Thursday last,
and were accompanied by a large number
of Markdale citizens, half a dozen of them
on bicycles. A very pleasant evening was
spent. Markdale has a good band, and
the large number of pieces played on the
square was highly appreciated by the
Flesherton people. Come again, gentle-
men.

A few weeks ago Miss Anna White
left her home on the O. D. R., to visit
some friends near Markdale. Little did
she think, on leaving, that she would
never see her home again. Upon her ar-
rival at the residence of her friends, Miss
White was taken ill. Medical aid was at
once summoned, but she gradually became

worse until she breathed her last on Sat-
urday June 2nd. The funeral took place
on Monday last at the Priceville ceme-
tery and was largely attended. The be-
loved family have the sympathy of the
community.

While the Flesherton band with their
sweet strains of music were enlivening
the hearts of the station people, last
Wednesday night, it was not known that
a bride and groom had alighted from the
train and were wending their way towards
the house on the hill opposite the station.
Such is a fact nevertheless, for Gunner
Spicer, of the Royal Canadian Artillery,
had, on that day, taken unto himself a
wife from among the fair maidens of
Melancthon, and came to bid farewell to
his brother previous to his departure for
duty with his battery at Quebec. Had
their arrival been known at the time,
probably the boys would have greeted
the happy couple with a wedding march,
and very probably "the bould soger boy"
would have retaliated to the tune of a
V. for the benefit of the boys, but unfor-
tunately their coming was quite unex-
pected, consequently the good folks of
the station missed a bridal serenade, and
none would have enjoyed it more than
the jolly groom and your correspondent.
The happy pair left on the 5 p. m. train
the following day, the groom to resume
his duties in the citadel at Quebec; the
bride to share with him the vicissitudes
of a soldier's life. We trust that the cal-
amities of war may never mar their future
happiness, and may he never have occa-
sion to fire shot or shell, except at target
practice, but should the brave defenders
of our soil be called to face the foe, Gun-
ner Spicer will be found in his place at
his gun, ready to sponge, load, ram home,
run up, traverse, elevate, prime and fire
in defence of his native land.—Com.

Patron Picnic.

The weather for the past three weeks
was not manufactured for picnic weather
or out of door meetings of any kind.
However, "Star" lodge, No. 1569, P. O. L.,
decided to picnic on Thursday last in a
beautiful grove belonging to Councillor
George Thompson, 2nd E. T. & S. R.,
Artemesia, and when that resolution was
formed no aspect of the weather could de-
ter them from doing it. The sky was
cloudy, the air very chilling, and rain
came down in sufficient quantity to make
things damp and disagreeable, still about
200 people, young and old, gathered to-
gether and apparently enjoyed themselves
thoroughly. But then, when young peo-
ple get together they always do enjoy
themselves, rain, shine or snow. Exten-
sive tables had been erected in the grove,
and these were laden with a wealth of
cake and pie and sandwich in great variety
and of a superb quality. The ladies of
that district know how to cook and put
their knowledge to excellent use on this
occasion, and their productions were en-
thusiastically patronized by all. Mr.
Ganey was present and addressed the as-
sembly for about an hour on the burning
topics of the day. The amusements were
swings and dancing. The gathering broke
up about 7 p. m. Several other picnics
were announced in the surrounding town-
ships but the rainy weather has put some-
what of a damper on them.

A Boon to Horsemen.—One bottle
of English Spain Lament completely
removed a curb from my horse. I take
pleasure in recommending the remedy, as
it acts with mysterious promptness in the
removal from horses of hard, soft or cal-
loused lumps, blood spavins, splints, curbs,
sweeny, stifles and sprains.

Eugenia

From our own correspondent.

The Clarksburg Reflector has the fol-
lowing account the recent F. B. match be-
tween the club of that place and Eugenia:
"Their opponents on the field lusted
for the blood of the Clarksburg boys when
they gave a body check or scored a point."
This information evidently emanated
from the scrapper as it is wholly away from
the mark. In justice to the Eugenia boys,
a short recital of the facts should be pub-
lished. The first dispute arose over a
foul before the goal line. The scrapper
at once claimed a goal which was allowed
by the referee (B). The Eugenia boys
merely protested that the Clarksburg boys
should be awarded a penalty kick in ac-
cordance with the rules, when the scrapper
or at once informed us that we knew
nothing, and pitched into a history of
what he had done and could do and that
he came out of kindness to give us a les-
son. This would have passed, of course,
had not insulting remarks and blasphemous
epithets been interjected at intervals.
After giving more than sufficient provo-
cation to occasion a fistie encounter, he
would retire to a distance and rest upon
his dignity as a gentleman. At another
period of the game the scrapper kicked
one of our boys when down. This was too
much for a couple of the boys who order-
ed a stop to such rough proceedings, and
the scrapper, with some offensive remark,
retired again into his Pecksniffian shell.
Some Eugenia players received kicks on
the ankles and legs which almost disabled
them from further play, but they hung
manfully to it. I am sure the
worthy editor of the Reflector would have
resented such treatment to the extent
that he would have pounded the air into
infinitesimal smithereens. He is entirely
mistaken as to the "lust of blood," as all
that precious fluid flowed from the legs
and ankles of the home team. Kicking
and tripping were resorted to to offset
fair body checking. Much more could be
said, but we think the above a sufficient
answer to the charge laid.
C. W. Hartman, the Grit candidate,

will address the electors here on Friday
evening. Major Korke, M. P. P. is at
present addressing meetings in Osprey.
He is expected here ere long.

Mr. Robert Gorley is building a sub-
stantial dwelling. Mr. Karstedt, of
Flesherton, has just completed the stone-
work. Mr. J. Bowerman has the con-
tract of the carpenter work. Mr. Dan
McLeod has the contract of getting stone
for the bridge, which will soon be in ac-
tive operation.

Miss Sarah Coon has been visiting her
sister, Mrs. J. Bowerman. Eugenia is a
favorite resort for city visitors. Mr.
Thompson, of Proton Station, preached a
very able sermon in the Presbyterian
church here on Sunday last.
