Charlottetown, P. E. I. July 9—Allan Stewart of Springton, near here, says that Dodd's Kidney Pills saved his life, and he wants the fact to be known.

For thirty years he has had kidney disease and gravel. Hundreds of dollars spent on doctors and medicine failed to do good.

On July 14 last, Mr. Stewart had to take his bed, and everybody considered his case a hopeless one.

He heard of Dodd's Kidney Pills and began using them. He says he noticed an improvement from the first, and ten boxes cured him.

He is now free from all pain and enjoys excellent health.
