**Minneapolis Horror.**  
**HUNDREDS OF PEOPLE BURNED TO DEATH BY A TERRIBLE FOREST FIRE.**  
 St. Paul, Sept. 2.—Only the horrors which accompanied the historic Chicago fire, can be cited in comparison with the terrible scenes and experiences yesterday in the flames which swept Pine region of Pine, Kennebec and Carlton Counties of Minnesota and Burnett county, Wisconsin. At least 400 settlers' families and others were burned to death or suffocated before the flames reached them, and the death list may rise another hundred or more. The people of Hinckley, which was a prosperous town in Pine County, 67 miles southwest of Duluth are now dead or homeless and destitute. At a conservative estimate 250 men, women and children of this doomed town were unable to escape from the merciless swiftly advancing flames. They fell on the railroad tracks or on the old Territorial road, either to be cremated or to die the more merciful death of suffocation by the clouds of dense smoke and heat-laden atmosphere. The number of corpses already recovered from the blackened waste at and around Hinckley is 150, the majority being women and children who had not the strength to fight the destroyer, or escape by fleeing to a place of safety. So far as can be learned at this time from the devastated district the following towns have been destroyed and the following are dead in numbers: Hinckley, Minn., 1000 to 1200 inhabitants, 250 to 300 dead: 500 to 600 homeless. Pokegama, Minn., next station south west of Hinckley on St. Paul and Duluth road, 50 dead. Mission Creek, south of Hinckley, 10 dead. Sandstone Junction, Minn., next station north of Hinckley on St. Paul and Duluth road, 26 dead. Sandstone, second station north of Hinckley, on the Eastern Road, 50 dead. Cromwell, Minn., Carlton County, dead unknown. Sheel Lake, Barquette, Granite Lake, Cumberland, Pineville, Comstock and Forest City, lumber towns in Wisconsin, between Chippewa Falls and Superior and Spooner, Wis., partly destroyed. The number of dead in these Wisconsin towns and other parts of the country, through Chippewa Falls and Superior is estimated at 100 persons. The fire is raging violently over a territory 10 miles square. A later despatch says that six towns have been wiped out of existence by the fire and the loss of life has been something awful, the estimates ranging all the way from 400 to 4 00. One correspondent counted 312 dead bodies.

**SAM MURRAY, WHOM THE DOCTORS HAD PRONOUNCED AS INCURABLE, STILL ON DECK—NOW ACTING AS FOREMAN FOR A BIG LUMBER CONCERN.**  
 North Bay, Sept. 3.—Sam Murray's name is one that has often figured in newspaper columns during the past eighteen months because he was cured of paralysis and blood poisoning by Dodd's Kidney Pills, after half a dozen physicians had pronounced him an incurable. On the strength of physicians' certificates, Murray was paid his disability claim by the Grand Trunk. Since he was cured by Dodd's Kidney Pills, he has been accepted as a first-class risk by a leading life insurance company. About a year ago, he got a position as foreman for the big lumber concern of Davidson & Hay, of Toronto, and the fact that he was able satisfactorily to attend to the trying duties of such a position, is ample evidence of the permanency of his cure.

A Tey farmer has two acres of sweet peas in bloom. This is a new industry with "millions in it." The crop can be sold at a high figure.

Daniel Ritz, Proprietor and Publisher of the Hamburg, Ont., Independent says: "I was suffering from Dyspepsia and Liver trouble, I took a few bottles of Shiloh's Vitalizer, and it cured me. I can heartily recommend it."

Thos. Durkin, a Patron harness-maker doing business at Shelburne, was sold out by the sheriff.

Last Friday Thomson Elliott, a farmer living a few miles from Dandalk, lost his barn and contents through bush fire. There were about ten tons of hay and five acres of barley, we are told, in the barn at the time. Mr. Elliott has been very unfortunate. Only a few weeks ago he had his leg broken and is still confined to the house with it.—Herald.

Mr. Robert Smith, of Meaford, left at the Monitor office a sample of a new fruit named Primus-omnia, which really looks beautiful. It is a cross between a plum and peach, partaken of the qualities of both. Mr. Smith has several trees in his orchard with quite a crop for the age of the trees.—Monitor.

**A Boon to Horsemen.**—One bottle of English Spavin Liment completely removed a curb from my horse. I take pleasure in recommending the remedy, as it acts with mysterious promptness in the removal from horses of hard, soft or calloused lumps, blood spavin, splints, curbs, swellings, stifles and sprains. **GEORGE ROBB, Farmer, Markham, Ont.** Sold by W. E. Richardson, Druggist.

**AN EMINENT MINISTER**  
**REV. W. S. BARKER**  
**OF PETERBORO.**

Mr. W. S. Barker is a young minister of Peterboro who has by his great earnestness and able exposition of the doctrines of the Bible earned for himself a place amongst the foremost ministers of Canada. He, with his most estimable wife, believe in looking after the temporal as well as the spiritual welfare of mankind, hence the following statement for publication:

"I have much pleasure in recommending the Great South American Nervine Tonic to all who are afflicted as I have been with nervous prostration and indigestion. I found very great relief from the very first bottle, which was strongly recommended to me by my druggist. I also induced my wife to use it, who, I must say, was completely run down and was suffering very much from general debility. She found great relief from South American Nervine and also cheerfully recommends it to her fellow-sufferers."  
 "REV. W. S. BARKER."

It is now a scientific fact that certain nerve centres located near the base of the brain have entire control over the stomach, liver, heart, lungs and indeed all internal organs; that is, they furnish these organs with the necessary nerve force to enable them to perform their respective work. When the nerve centres are weakened or damaged the nerve force is diminished, and as a result the stomach will not digest the food, the liver becomes torpid, the kidneys will not act properly, the heart and lungs suffer, and in fact the whole system becomes weakened and sinks on account of the lack of nerve force. South American Nervine is based on the foregoing scientific discovery and is so prepared that it acts directly on the nerve centres. It immediately increases the nervous energy of the whole system, thereby enabling the different organs of the body to perform their work perfectly, when disease at once disappears. It greatly benefits in one day. Mr. Solomon Bond, a member of the Society of Friends, of Darlington, Ind., writes: "I have used six bottles of South American Nervine and I consider that every bottle did for me one hundred dollars worth of good, because I have not had a good night's sleep for twenty years on account of irritation, pain, horrible dreams, and general nervous prostration, which has been caused by chronic indigestion and dyspepsia of the stomach, and by a broken down condition of my nervous system. But now I can lie down and sleep all night as sweetly as a baby, and I feel like a sound man. I do not think there has ever been a medicine introduced into this country, which will at all compare with this as a cure for the stomach and nerves."
