**In Memory**  
 OF MATTHIAS WILLIAMSON, WHO DIED OCT. 27th 1904, AGED 16 YEARS, 9 MONTHS, AND 21 DAYS.  
 Our darling brother left us in this sad world alone, But we know that he is happy dwelling in his Heavenly home. He was so kind and patient And tried so hard to endure His pain without a murmur Although his death was sure. We long shall miss our darling, Each day we come across Some token of our loved one Whose absence is such a loss. We longed to keep our dear one But God sees more than we. He wished to keep our dear one From sin and Satan free. And so he took our brother And placed him there above Where all is pure and beautiful And bliss and Heavenly love. We know we should cease weeping And submissively should say Blessed be the Lord that giveth, Blessed He that takes away. Farewell to our little Mattie, For we now shall meet no more Till Christ shall call us to him To dwell on Canaan's shore.  
 MARY WILLIAMSON.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can brag of 159 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

**Goes to Europe for Treatment**  
 Suffering For Years from Insomnia and Nervous Debility—Prostrated, Exhausted—No Vitality—No Rest Until "Nature's Sweet Restorer." South American Nervine Tonic, Built up the Nervous Organism, and Gave Back to the Worn and Exhausted Nerve-Centres their Wonted Vigor.

ADOLPHE LABODIE, B.C.L., J.P., OF THE WELL-KNOWN LEGAL FIRM OF LABODIE & LABODIE, MONTREAL.

For four generations the remarkable family of LaBodie have been prominently identified with the legal and professional life of Montreal. A long line of active, intellectual men, whose ambition to rise to prominence meant, a constant drain upon the nerve forces and a tremendous demand for brain power. Mr Adolphe LaBodie, B.C.L., J.P., etc., has for seventeen years been actively engaged in the legal profession, living, as the duties of intellectual men of this fast age demand, beyond the reserve limit of natural nerve force, requiring more of the nerve centres at the base of the brain than they can possibly fulfil, which always results in nervous prostration, dyspepsia, hot flashes, insomnia, constipation, and attendant evils.

Mr. LaBodie spared neither time nor money to obtain relief, went to Europe for special treatment, all to no purpose. His attention being directed to South American Nervine Tonic, he concluded to try it. Result—immediate relief from insomnia, and a perfect and permanent cure from all other disorders, with but five bottles of the Nervine.  
 Mr. Adolphe LaBodie, under date of April 27th, writes from Montreal:—"I was suffering from insomnia and nervous debility; prostration and exhaustion, rather than rest, followed a night's experience. I took five bottles of South American Nervine, and am wholly recovered, and now enjoy restful nights. I have tried many remedies, have been treated in Europe, and can say with truthful emphasis that the South American nervine has cured me."  
 There is reason in all things: business reasons in business, truthful reasons in truth. Mr. LaBodie's statement herewith is the truthful reason why, if South American Nervine Tonic cured him, it will cure you. It is the nerve builder for brain workers. Brain and stomach cannot both work at the same time with healthful and happy issues. One must suffer. Intense intellectual activity produces indigestion because the brain is consuming all the nerve power. South American Nervine Tonic holds nature to a happy poise, and life and its duties swing to fruitful success.
