Comfortable dwelling in Flesherton. Apply R. J. SPROULE.

Epping.

From our own correspondent.

I greatly fear me that we are going to lose our sleighing, indeed it is on its last legs now as one might say. However, it has stayed a good long while and we cannot say but that Nature has been lavish with the "beautiful" this season.

We have been getting some new neighbors since last writing. Mr. Wright, of Proton Station, has removed his family to the old "Ball farm," which he has rented for a term of years, and Mr. Andrew Rogers, of St. Vincent, has taken possession of the farm which he has lately bought, being the property of the late Mr. Enoch Ball. We welcome these new neighbors to our midst, and hope their sojourn with us may be pleasant to all concerned. And while we welcome new neighbors we are also called upon to bid farewell to old ones. Mr. Allen Knott removed his family last week to St. Vincent, where he intends to reside, for a time at least.

Mr. H. Reid intends working his farm himself this season.

Mr. John Clugston had a wood bee on Thursday of last week and a party in the evening, both of which were well attended.

Mr. Abe Knott had a wood-bee Friday, also followed by a party in the evening, at which a pleasant time is reported, (at the party we mean.)

Mr. and Mrs. R. Howell, of Proton Station, visited at "Bee Burn Place" Sunday.

Miss Henderson, of Flesherton, is visiting her sister, Mrs. Wright.

Mr. Fraser Gilray is around again after his recent severe illness.

Eugenia.

From our own Correspondent.

Signs of spring are to be seen almost in every direction from this cozy little flourishing village. Some robins were seen last week in the gardens and among the apple trees. The public roads are a sort of nondescript consisting of snow, mud, sand and water; still teams are to be seen hurrying to and fro with the appearance of a rushing business.

All the mills here are running now.—The Hoop & Vener Co's., Sloan's and Wilson's. The village is receiving a veritable boom.

We have two stores belonging to Messrs. Hogg and Cairns, respectively, and another building is being renovated for a store to be run by a Mr. Osburn, and if reports be true there is still another storekeeper looking for a stand to build a large brick store and dwelling.

We are to have telephone connection, some of the poles have been taken out and placed in position, and an electric railway is the latest thing under contemplation. Enterprise seems the order of the day.

Mrs. Sloan, sr., who has been seriously ill for some time, is now recovering under the treatment of Dr. Carter.

The choir of the Presbyterian church have held a social in the hall. Proceeds over \$8.

Mount Zion.

From our own Correspondent.

A number of our citizens are moving away from this neighborhood, but our loss will be another's gain and we wish them prosperity.

Mr. John Clark and Mr. Henry Wright have moved to the vicinity of Rocklyn. Mr. James Blackburn to the line north of Proton Station; Mr. Geo. Pedlar to Mr. Somers' place; Mr. Amos Doupe, of Flesherton Station, is coming to Mr. Pedlar's place, and Mr. John Carr is moving to Maxwell with his family.

The social under the auspices of the league was, although not largely attended, a success. Proceeds about \$8.

Miss Lillie Ross is spending a few days at home this week.

LaGrippe, or a bad cold, has been going the rounds here lately and numerous have been the victims.

Master Fred and Earnest Murray attended the exams., re entry to Trinity College, last week.

Miss Sinclair spent a couple of days with friends here last week.

Our young men are beginning to seek other parts for work.

For Rheumatism.

A REMEDY THAT HAS SPRUNG INTO POPULARITY BECAUSE IT NEVER FAILS TO CURE.

DETROIT, Mich., March 25—People in this state are specially subject to rheumatism. The young and the old alike are attacked by it and until the introduction of Dudd's Kidney Pills a few months ago, no reliable cure for the disease was obtainable. But these pills have eradicated the disease in every case where they were used, and nobody need suffer from it while this remedy can be had from every druggist on the continent. The reason they cure is that rheumatism is due to diseased kidneys or impaired action of these organs. By making these organs whole, the cause is removed and the rheumatism speedily disappears.

The safe in the C. P. R. station at Brampton was blown open, but the crackers obtained nothing for their trouble.

Three prisoners under sentence in goal at Woodstock, awaiting transfer to the Central Prison, made a desperate attempt to escape. They threw Mr. Cameron, the gaoler, down, and got as far as the yard, where they were caught and overpowered.

The Durham-Chatsworth mail line has been let to Mr. George McFarlane, who formerly ran the stage to Flesherton Station. The contract price is somewhat in advance of the old figure, but the stage receipts have fallen off considerably since the extension of the G. T. R. into Owen Sound.—Chronicle.
