### Kimberley.

Our correspondence from Kimberley has not appeared in the Advance for a few weeks, we suppose it is owing to the state of the roads, people have been kept at home and therefore out of mischief. The sleighing is about all gone here while our neighbors on the surrounding hills have an abundance of snow yet.

Mr. Kidney, of Toronto, is spending a few days in Kimberley for the purpose of organizing a C.O.F. society.

Mr. Walter spent Sunday in Walter's Falls.

Mrs. Magee is taking up her residence again in her own house.

Mr. Thurston occupied the pulpit Sunday morning in the absence of Mr. Balfour.

We understand Mr. Balfour is spending a short time in the parental home for the purpose of recruiting his health after an attack of la grippe.

We are sorry to record the death of Mr. Will Fawcett's little four-year old son, the little boy was grandson of Mr. Alex Fawcett, of this place. The friends have our deep sympathy in this time of trouble.

### Eugenia.

From our own Correspondent.

Our much esteemed merchant, H. Cairns, is in Toronto on business.

Mr. Osborne is hauling in goods and in a few days we expect to see a display of real genuine dry goods and groceries.

C. Johnston, the young man who had his foot scalded in the veneer factory, is doing as well as can be expected. We hope to see him around in a short time again.

Several parties are hauling out manure in order to be ready for the expected early spring.

Our public school has been fixed up in good shape by Mr. Bowerman. Blackboards and seats repaired, a new provincial map and a globe. We understand the present teacher is giving good satisfaction. Some of the young men attending school during the winter months made good progress, they are now about to take practical lessons in agriculture and no doubt will turn out as successful as if they attended the Guelph college.

Mr. T. B. Covertures preached a very interesting sermon in the Methodist church here on Sunday evening.

Mr. Gibson, of Flesherton, addressed the Union Sunday School in the afternoon. We wish to hear him soon again.

We understand the young folks had an apple paring bee one evening this week, and I venture to say there was pairing, too. All animated nature at this season of the year is in harmony with the above law of pairing, and your correspondence is much gratified in seeing the youths enjoy themselves in these innocent, lively pastimes.

### Markdale.

From our own Correspondent.

At the annual meeting of the Markdale base ball club, which was held on the 27th ult., the following officers were elected: Hon. President, J. E. Marsh; President, I. B. Lucas; Vice President, Dr. A. Ego; Sec. Treas., A. Macpherson; Manager, A. Plewis; Managing Com., R. L. Stephen, A. Plewis and W. Dundas. The meeting was largely attended and the greatest enthusiasm prevailed. This club never had better prospects of securing the championship, Georgian Bay league, than in the coming season. Every arrangement is being made for the success of the club.

Mr. I. B. Lucas is attending the non jury sittings of the High Court in Owen Sound this week.

Miss McFarland is visiting friends in Owen Sound this week, and Miss Lucas was the guest of her uncle, in Dundalk, last week.

Mr. Hol's popular milliner, Miss Wilcox, has returned, where she intends to remain for the season. And Mr. Carnaghan has disposed of his tailoring business and returned to Thornbury. Mr. C. has been but a short time in our village, but though his stay was short he has shown himself to be a good citizen and his many friends regret his exit from our midst.

Mr. Ben Rae, son of Markdale's putlar tree, has also removed from our midst. Mr. Rae will be much missed by the young people, not only of Markdale, but also by the surrounding burgs. We believe that he intends becoming a citizen of Hamilton, where he takes with him the well wished of his many friends in Markdale.

The King of Terrors has again entered this community, taking with him this time on Saturday the 23rd inst., the beloved wife of John McLean, of the north line. The funeral, which was largely attended, took place on Monday at the Pricville Cemetery. The bereaved family have the deep sympathy of all in their sad affliction. The deceased was a sister of Mr. John McEneaney.
