Eugenia.

From our own Correspondent.
Last week our quiet little village was thrown into a state of consternation by a fire that broke out on the hill on the north bank of the falls. A gentle wind fanned the flames and the smoke became intolerable. For some hours fears were entertained for T. Wilson's mill and the veneer factory. All available help was soon on the ground and many precautions taken. Happily about noon the wind lowered, the fire abated and all danger disappeared. The hill which formerly was covered with hemlock and birch is now a bald looking spot.
Mr. and Mrs. Latimer of Toronto are paying a visit to the parental home here.
Mr. Matthews of Markdale was the guest of S. Osborne of this place last Sunday.
It is generally believed that the hay crop is a failure. Meadows look a shade brown.

Kimberley.

A number of people from this place attended the Patron picnic at Hewgill's grove, which is about seven miles from here.
We are sorry to learn that Mr. James Fawcett, son of Alex. Fawcett, has been obliged to send his 1-year-old son to the hospital. The little fellow had a severe illness in the winter and never recovered the use of some of his limbs. Much sympathy is felt for the parents.
A garden party for the church and a picnic for the Sunday school is being talked of.
We noticed in the Epping correspondence of last week in regard to the base ball match, the idea was thrown out that Epping would have come out even if not ahead of Kimberley only that Kimberley had one more innings than Epping. However, at an even innings the score stood 26 to 7 in favor of Kimberley.
Mr. Will Plewis has accepted a situation in the Clarksburg mills for the summer.

Priceville.

From our own Correspondent.
Quite a large number of cattle were offered for sale last Monday but only a few head changed hands as most of the animals were stockers for which there was no demand of any extent. Owners of fat cattle held out for high prices.
Last week Mr. Hugh McArthur's barn and stables were struck by lightning and burned to the ground. Most of the contents were saved. This is the second fire caused by lightning on the S. L. this spring.
The brick work of Mr. Butter's store was finished last week. The carpenters and tinsmiths are busy this week getting it ready for its occupant.
Mr. E. Waite is making extensive improvements on his residence at present.
The public school is poorly attended at present owing to the presence of that fell disease, diphtheria, in our midst. Two of Mr. Geo. Tryon's children are ill with it at present. We trust the precautions taken by our citizens will prevent it from becoming epidemic.
Mr. R. Parslow of Swinton Park and Mr. and Mrs. S. Lawrence of Durham were the guests of W. J. Blakeston this week.

DIED.—On Saturday, June 15, after one week's illness with diphtheria, Frank Aussem, the only boy of Mr. and Mrs. Aussem, aged 15 years. The blow to Mr. and Mrs. Aussem in the death of Frank can only be imagined. The deceased was one of the best boys in the village. His kind and gentlemanly conduct was noticed by everyone. How much he will be missed in his home can only be known to those who have lost their only child. Frank will also be sadly missed in the public and Sunday schools, both of which he attended regularly, but our loss is his gain. The funeral took place early on Sunday morning headed by a contingent from the S.O.T., of which deceased was a consistent member. Mr. Richard Watters preached a brief but very sympathetic and impressive discourse for the occasion. The bereaved family have the heartfelt sympathy of the whole neighborhood in their sad affliction.

Its Value Proved.

A STRONG FEELING IN FAVOR OF A CANADIAN PRODUCT IN THE STATE OF NEW YORK.
SYRACUSE, N. Y., June 10.—In spite of a strong sentiment prevailing throughout this state that nothing good can come out of Canada, a feeling is beginning to grow that there are certain notable exceptions and among them is classed the new specific remedy for all diseases of the kidneys and all complaints arising from a derangement of those organs, known as Dodd's Kidney Pills. The medicine has retieved a thorough test and is being prescribed not only by druggists but by physicians, whose well known reluctance to admit any virtue in a proprietary medicine makes their testimony to its merits still more remarkable.

Relief in 6 Hours.—Distressing Kidney and Bladder diseases relieved in six hours by the "Great South American Kidney Cure." This new remedy is a great surprise and delight on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of pain in passing it almost immediately. If you want quick relief and cure this is your remedy. Sold by W. E. Richardson, Druggist.
Welter and Hendershott, the Middlemarch murderers, were hanged at St. Thomas on Tuesday.
