For The Advance.

Dominion Day.

Through sunshine, shade and mystery
Which mark all things below,
Our country makes her history
While prospects better grow.
Content we dwell; this truth we tell—
Canadians love their country well.

In varied, rich complexity
Are her foundations laid;
Through simplified perplexity,
Her onward course is made,
And strong in nerve, her course to serve,
Her sons Dominion Day observe.

The ancient forest's density,
The prairie's vast expanse,
The north-land's grand immensity,
And Culture's rich advance,
These all unite, like beams of light,
To make our country's future bright.

May wisdom, strength and purity,
In all their power combined,
Lead up to that maturity
For Canada designed;
And may this land for ages stand
As Freedom's home, sublime and grand.

Through years of bright prosperity,
Held by a mighty hand,
For righteousness and verity
May she in all things stand;
May she be wise to win the prize,
And in the scale of honor rise.

Colborne, June, 1895. T. WATSON.

Flesherton Station.

From our own Correspondent.

We have to chronicle this week the death of Mrs. A. McMullen, of the west back line, who has been ailing for the last two years with that dreadful disease, consumption. She departed this life on Friday evening at half past five at the age of 29. She bore her sufferings patiently and assured her friends that all was well with her and her Maker. The Rev. Mr. Rupert preached a very interesting sermon at the house, which will be his last at this place. The remains were buried in the Priceville cemetery beside her mother and sister. The funeral was a large one, there being some 98 vehicles. Deceased leaves a husband to mourn her loss.

Mr. Vaudina of Owen Sound attended the funeral of his daughter on Sunday. Mrs. Moleum returned to her home in Collingwood.

Miss S. Yuirs of Trout Creek is spending a few days with her sister, Mrs. J. Dice.

Our football team went down to play the Proton Station team. The home team won. The game was well played on both sides.

The C. P. R. picnic took place on Saturday to Owen Sound and was one of the largest excursions ever held on the road, there being three trains packed full, being in all 47 coaches. Quite a number from this part took in the excursion and report having a good time.

McIntyre.

From our own correspondent.

Turnip and potato planting is a thing of the past here and the farmers are all anxiously looking for rain in order that they may exercise themselves at the hay, but we have come to the conclusion that they may look in vain.

Miss Nellie Campbell, who intended writing on a commercial course and junior leaving at the coming exam., is very ill, but we hope she may soon recover under the skillful treatment of Dr. Ball of Southampton.

Inspector Campbell visited our schools recently and seems to be well pleased with their progress.

Mr. Armstrong, our genial teacher, is about to leave us to spend his vacation at his home.

Mr. Hugh Lamont is having the stone foundation of his barn built by Mr. J. McConnell.

Miss Kate McDonald, of Toronto, is home.

Mrs. Turnbull and her niece, Miss Goldring, both of Toronto, are visiting at Mr. McDonald's and Mr. John McIntyre's.

Mrs. Bell, who has been visiting her niece near Priceville, has returned home. Our host at the Commercial witnessed something on Monday last that he was not aware of before; viz.—that it takes five men to equal the chat of one woman.

Proton Station.

From our own Correspondent.

Owing to the extreme heat and the scarcity of rain during the past couple of months, the outlook for an abundant hay crop is extremely poor. Other crops correspond.

The Sunday school picnic given by the school on the 20th was very well patronized by the community. The chief drawing card was the football contest between Flesherton Station and the home team. The score stood, when time was called, 1 to 0 in favor of the visiting team. A very exciting contest was displayed

recently between one of our athletes and a bushwhacker from Osprey. The contest was to settle once and forever who had the best right to a maiden of sweet sixteen with golden hair. Who was victor? Well, you should just see the athlete sporting the girl. He is as proud as a hen over her first chickens.

Messrs. Howell and Carson paid a visit to Mulmur recently. They report but two stations on the route, Achesouville and Johnstown.

Quite a number of the villagers took in the C. P. R. picnic to Owen Sound on the 21st.

Miss Lottie McKinley, of Toronto, is spending a few weeks with her uncle, Mr. Wm. Lockhard.

Mr. N. McLean has made creditable improvements to his hotel recently. He has also set up a set of weigh scales which will be a great accommodation to the public.

Messrs. Holley and McNea have given invitations for an enjoyable evening on the 25th, when the lads and lasses will display their agility by keeping time to the violin.

Mrs. Smith, of Hamilton, is paying a prolonged visit to her sister, Mrs. Freeman.

Mr. Freeman sails for London, Eng., on the 29th. We wish him a pleasant visit to his boyhood's home.

Meaford Road.

From our own Correspondent.

Reeve Boland, of Arismetia, and Deputy-reeve Davis attended County Council last week.

Mr. Will Kells had a stinging bee last week.

Mr. Alex. Carson, of Priceville, spent last Sunday with his sister, Mrs. G. Gilbert.

Miss Lizzie Shannon visited her brother in Owen Sound last Saturday.

Mr. R. Keefer conducted the services last Sunday in the absence of Mr. Rupert.

Priceville.

From our own Correspondent.

Owing to the multiplicity of duties devolving upon us at present; the items of this budget are of necessity very concise.

A week ago last Wednesday Mr. A. McFayden raised a fine bank barn for Mr. John McLachlan of the N. L. A large crowd was present. Messrs. Robt. McMicken and Allan McLean captained the affair for their respective sides, the latter winning easily by a number of rafters. The saddest looking man on the west side was J. B.

Tire-setting is the order of the day among the blacksmiths. Mr. D. McLean informs us that he has set over 200 this season. "It is an ill wind that blows nobody good."

A number of villagers took advantage of the cheap excursion to Owen Sound last Saturday. They report a good time. About 200 tickets were sold at Flesherton Station.

A monster gathering is expected at the C. I. Union Convention which is to be held in the Presbyterian church here on the 4th of July. Everybody is welcome.

Misses Flossie Hartley and Bertha James are visiting friends in Owen Sound and Holland Centre.

Mr. Brander and family moved to their farm in Ontario Co., near Brooklyn, last Tuesday. They leave many friends in this village who regret their departure very much. We extend a hearty welcome to Mr. Hogarth who takes Mr. Brander's place and trust he will be as successful in business as his predecessor.

The Kud of Terrors visited this community early on Sunday morning, taking with him Bessie, the eldest daughter of Mr. John McLachlan and Jennie, youngest daughter of Mr. Geo. Tryon. The latter, aged 6 yrs., died with diphtheria, and the former, aged 16 yrs., with inflammation of the stomach. The sympathy of the neighborhood is extended to the afflicted families in their deep trouble.

A Strong Protest.

To the Editor of The Advance.

DEAR SIR:—Kindly insert the following resolution which explains itself and which was unanimously carried at the last regular meeting of Priceville Div. No. 348, S. O. T., viz:—

"We, the members of Priceville Div. No. 348, S. O. T., deeply deplore the fact that too frequently of late noisy, drunken men have been seen on the streets of our village on Sunday; therefore it is resolved that if such disgraceful scenes continue we as a division will take steps to bring the offenders to justice."

Published at the request of division.
