### Meaford Road.

*From our own Correspondent.*

Mrs. J. McManis from Shelburne is visiting at her brother's, Mr. John Boland.

Mr. James Brett, who taught school here some time ago, is visiting friends in this neighborhood.

Mrs. J. C. Buchanan, presented her husband with a daughter last week.

Mr. Geo. Trueman is laid up with a felon on his finger.

Mrs. James Johnston of Warton spent a few days last week visiting her friends here.

Mrs. Thos. Gilbert is visiting with her friends at Warton.

Mr. John Weber raised a fine large frame barn last week with a good stone foundation and stabling underneath. This barn is one of the finest in the country, being 50 x 50 feet.

Mr. Richard Smith is veneering his house with brick.

Mr. Clark, who resides in Meaford, spent Sunday with his daughter, Mrs. Geo. Pritchard.

The recent heavy showers are improving the pastures.

### Eugenia.

Mrs. Mary Kerr, mother of Mrs. H. M. Bowerman, died at the latter's residence here on Monday of a paralytic stroke at the age of 83 years and ten months. The remains were taken to Toronto for interment on the Tuesday evening train.

Building operations, which have been brisk for some time, are still progressing finely. The stonework of the new Presbyterian church is about completed and is a job which reflects much credit upon the contractor, Mr. Lewis. It is a handsome bit of work. Mr. Lewis also has the contract for the brick work. Your scribe notices that the Rev. Mr. Wells is keeping his fatherly eye over the work, and takes his coat off, too. That is the kind of an interested spectator we like to see.

Mr. Jake Williams will probably have the handsomest residence in town when it is completed.

The following young men left on Tuesday morning for the Northwest, their object being to help at the harvest and to look about with the prospect of settling permanently: W. Gilliland, Geo. Roy, Thomas Smart, Thomas Gregston, Sam Fisher and Thomas Genoe.

### Swinton Park.

*From our own Correspondent.*

During the past week a couple of very heavy thunderstorms visited our sections.

Mr. Wm. Stewart had a calf killed by lightning on Tuesday evening of last week.

Mr. Geo. Martin also had a sheep killed by lightning on same night.

Sickness is doing its work in our section at present. Quite a number of our citizens are ill at time of writing.

Mr. John Haw had a logging bee on Tuesday of last week, and in the evening a number of young people were present for the after pleasure, which they had in keeping time to the violin until the wee sma' hours of the morning.

Mr. John Ferris, sr., of Euphrasia spent a few days last week with friends here.

Mr. and Mrs. Hugh Smith and children, of Euphrasia, are the guests of Mr. D. McMillan.

Look out for the butchers with the white-faced horses, but not the one with the white faced horse and the black hands.

What we wonder: Which of the butchers is it that has to wash in the creek as he is on his journey. I suppose it must be the one with the fast driver. Who the young men are that look so lonesome since the visiting girls returned home.

### Flesherton Station.

Last Sunday afternoon it again became the sorrowful duty of the residents of this village and other places to follow another of their neighbors to the grave in the person of Mrs. McDowell, wife of Mr. Wm. McDowell, who died on Thursday the 8th, aged 70 years. In the death of Mrs. McDowell the family circle of seven persons is broken for the first time. The Rev. Mr. McLeod conducted the funeral services.

A fisherman named Granville was killed by lightning on Saturday while in his boat off Sauble beach near Southampton.

A despatch from Hepworth says:—While a few friends had gathered at the house of James Curry Friday night, four miles from here, lightning struck the gable end of the house, killing John Currie instantly and injuring two other young men named Wm. Hammond and Wesley Loucks. Currie was about 18 years of age. The other two will recover.

### Priceville.

*From our own Correspondent.*

The cheap rates on the C. P. R. has induced a number of our young men to take a trip to Manitoba. The following left for the Prairie province last Tuesday: Messrs. Thos. Nichol, Richard Watters, Robert McLachlan and Charlie Huddy. We wish the boys big pay and plenty of work.

One of the finest crops of turnips we have ever seen is growing on Mr. Richard
