Alexander Scott, weaver of rag and woollen carpets, quilts, tweeds, flannels, etc., woollen mill, Flesherton.

Mr. Brown, jeweller, Markdale, acceptably filled the pulpit of the Methodist church here on Sunday morning.

The annual harvest home of the Presbyterian congregation at Eugenia will be held in the Orange Hall there on the evening of Thursday the 3rd Oct., 1895.

Mr. and Mrs. T. Hill were absent from town last week attending the funeral of the latter's father, Mr. Jonathan Fuller, of the town of Hastings, who died on the Saturday previous.

We have received a copy of Proton Agricultural Society's prize list, which was neatly printed at the Herald office. The fair will be held at Dundalk on Oct. 10 and 11.

Mr. Ed. Thompson, who has been employed with the meat packing company, Collingwood, enlisted under the banner of the benedicts last week. We have not learned the fortunate lady's name.

Meaford and Thornbury newspaper men are sour on each other. The quarrel is all over baseball matters, and each party appears to be dreadfully in earnest. "Let the old cat die," gentlemen.

The Durham Chronicle came out last week in a new and improved form. It is now a twelve-page five column paper. Bro. Mitchell is certainly giving to his subscribers the worth of their money.

W. Clayton has been appointed agent for the Dominion Money Order Express Company for Flesherton and neighborhood. This is the best and cheapest way for sending money by mail to any place in the world.

For sale on time or for cash. The undersigned has for sale a good serviceable horse, one good new democrat wagon, complete with pole (made by D. McTavish) two second hand buggies, one double sleigh and two cows. John W. Armstrong, Flesherton.

Ayer's Hair Vigor tones up the weak hair-roots, stimulates the vessels and tissues which supply the hair with nutrition, strengthens the hair itself, and adds the oil which keeps the shafts soft lustrous, and silky. The most popular and valuable toilet preparation in the world.

Mr. J. T. Best of the O.D.R. had three young horses killed on the railway track on Sunday morning, and one badly wounded. The animals were all living when discovered, but three of them had to be shot. It is thought the fourth will recover.

There is nothing to prevent anyone concocting a mixture and calling it "sarsaparilla," and there is nothing to prevent anyone spending good money testing the stuff; but prudent people, who wish to be sure of their remedy, take only Ayer's Sarsaparilla, and so get cured.

Although a large number have visited Toronto from these parts during the past week, the number has scarcely been up to that of last year. On Monday morning, the first day of the cheap excursions, 40 tickets were sold from this station. On the corresponding day of last year 48 were disposed of.

Was our Eugenia correspondent away to the fair all last week and this? An important metropolis like what Eugenia is becoming should have a live correspond-

ent. If our esteemed cor. out there does not wake up he will, we fear, find himself superseded some of these days by a more enterprising and loyal citizen.

At the annual meeting of the Woman's Missionary Meeting on Thursday last the following officers were elected: Pres., Mrs. W. H. Thurston; 1st Vice Pres., Mrs. Gjerdrum; 2nd Vice Pres., Mrs. W. W. Trimble; Rec. Sec., Miss Slack; Cor. Sec., Mrs. J. W. Armstrong; Treas., Miss Belle Christie.

All the local Forresters and their friends, accompanied by the band, drove over to Durham on Friday to attend the demonstration in honor of Dr. Oronhyatekba. The affair was a big success. Mr. J. Boyd of this place took second in the five mile bicycle race. A Walkerton man got first. There were five bands at the demonstration, and we are pleased to learn that our own played second fiddle to none of them.

The genus tramp is a frequent visitor in town these beautiful days. It is the same old tale: "Could you help a poor man a little. I can't get work." Why can't these gentry be original and get up something new in shape of a story? Most of them are strong, able-bodied men, and 95 per cent. of them have strong, able-bodied breaths when they arrive in our sanctum. Our wood pile, however, of about 50 cords, is rather enervating to the ordinary tramp.

Mr. John Hales had a narrow escape from a serious accident on Monday. While mounted on a ladder taking off cornices from Mr. Strain's residence, now under repair, he was struck on the temple by a board handed by another workman. The blow cut a gash in Mr. Hales' head, dazing him somewhat, but not quite sufficient to knock him off the ladder. Had the blow been a little more severe Mr. Hales would have measured his length on the ground and possibly The Advance would have had a death to chronicle.

Rev. Mr. Wilson, Presbyterian minister at Caledon and pastor of the Flesherton congregation a few years ago, is having some difficulty with his Alton congregation in the matter of salary. The Alton people owe Mr. Wilson about \$200 and appear to be in no hurry to settle. The secret of the trouble is said to lie in the fact that the preacher has made himself obnoxious to many of his parishioners by an aggressive political policy. Mr. Wilson is what is sometimes called a "red hot Tory." The matter was before Orangeville Presbytery on Tuesday week, when Rev. Mr. Bell of Laurel and Rev. Mr. Breckenridge of Caledon were instructed to interview the Alton Presbyterians with a view to effecting a settlement of the difficulty.

"I contracted a severe cold, which settled on my lungs, and I did what is often done in such cases, neglected it, thinking it would go away as it came; but I found, after a little while, that the slightest exertion pained me. I then

**Consulted a Doctor**

who found, on examining my lungs, that the upper part of the left one was badly affected. He gave me some medicine which I took as directed, but it did not seem to do any good. Fortunately, I happened to read in Ayer's Almanac, of the effect that Ayer's Cherry Pectoral had on others, and I determined to give it a trial. After taking a few doses my trouble was relieved, and before I had finished the bottle I was cured."—A. LEFFLAR, watchmaker, Orangeville, Ont.

**DUNDALK : PATRON : STORE.**

And why not from them as well as from other places of business, because they are selling at prices that bring the custom for many miles around.

The \$ and cts. are \$ and cts. with those that have buying to do this season.

It would be quite easy for us to quote 6 pr. ladies' hose for 25 cts., 36 yds. G. cotton for \$1.00,

25 large size handkerchiefs \$1, etc.,

but our aim is not to give you a lot of cheap goods for \$1, but to give you good goods which you cannot buy in other stores for the same amount of money.

Although Boots and Shoes have advanced wholesale 25% we still sell them at the old patron price. We are enabled to do this owing to a large stock being bought before the advance. You would do well to get your supply before the assortment is broken. Wonderful low prices for readymade and ordered clothing. Men's all wool suits for \$5.22, etc., etc.
