Markdale

From Our Own Correspondent

A large number of townspeople and a sprinkling from Flesherton and Dundalk gathered on Monday evening to witness a skating race between James Lakin of Dundalk and Robert Bush of Markdale. The start was taken coolly with Lakin in the lead until the 26th round, when Bush spurred ahead with much ease and continued there throughout the remaining ten laps, but on the 34th Lakin jockeyed, throwing Bush behind, still he came in ahead at the finish. The race was very close and was disputed but the judges awarded Bush the race.

Important to Athletes.

Mr. Mack White, the well-known trainer of the Toronto Lacrosse Club and Osgoode Hall Football Club, writes: I consider Griffiths' Menthol Linctament unequalled for athletes or those training. I have used it with the best success, and can heartily recommend it for stiffness, soreness, sprains and all forms of swelling and inflammation. All druggists, 25 cts.

Mr. John Perrin, a highly respected farmer residing at Lorne, about four miles from Kincardine, died on Tuesday under distressing circumstances. He went to the bush to get some wood. The horses, returning without him, some of the family went to the bush to find out the cause. They found him lying dead with a huge wash in his foot from the axe with which he was working. His death is supposed to have resulted from the shock and loss of blood. Mr. Perrin was about sixty years of age and leaves a widow, four sons and two daughters.—O. S. Sun.

Don't Waste Your Money on Worthless Catarrh Cures.

JAPANESE CATARRH CURE CURES and is the ONLY GUARANTEED CURE.

The proprietors of Japanese Catarrh Cure are daily receiving many letters of gratitude from the catarrh-afflicted in all parts of Canada. During December and January we sent out over three thousand free sample boxes and in 90 per cent. of the cases the people tell us that even the small sample has done them more good than many dollars' worth of so-called cures. Japanese Catarrh Cure is the result of a prescription perfected by years of experimental study, by one of America's most successful specialists in treating this disease. It is a pomade prepared from stainless compounds of Iodine and Essential or Volatile oils. The natural heat of the body melts it, and the very act of breathing carries it to the diseased parts; it reaches every diseased portion from the orifice of the nose to the innermost recesses of the middle ear, curing invariably all forms of catarrh of the nose and throat, and all forms of catarrhal deafness. Japanese Catarrh Cure is guaranteed to cure any case of catarrh or money refunded. Sold by all druggists. Price, 50 cents; six bottles with guarantee to cure, \$2.50. A free sample sent to any address. Enclose 5-cent stamp. Address: The Griffiths and Macpherson Co., 121 Church Street, Toronto.

RELIEF IN 10 MINUTES! Every sufferer from catarrh who reads these lines will find in them a message of hope. No matter how severely he may be afflicted, no matter how many so-called remedies he may have tried, no matter how many physicians have experimented upon him in vain, no matter how completely he may have despaired of ever ridding himself of his disgusting and distressing malady—he can be cured! Hundreds upon hundreds of cases as bad as his have been fully and permanently cured by DR. AGNEW'S CATARRHAL POWDER. This wonderful remedy never fails if taken before catarrh has developed into other necessarily fatal diseases. Don't put it off—go at once to your druggist and get a bottle. It will relieve you in 10 minutes—it will place you on the road to full recovery immediately. It cures cold in the head, sore throat, tonsillitis, asthma, hay fever, loss of smell and deafness. Here is an interesting letter from the Rev. James Murdock, of Harrisburg, Pa.: "When I know anything is worthy of recommendation, I consider it my duty to let my friends know it. I have used Dr. Agnew's Catarrhal Powder for the last two months and am now completely cured of catarrh of five years standing. It is certainly magical in its effect. The first application benumbed me within five minutes. I would not be without it in the house if it cost \$5 a bottle, as it will cure any slight cold I may have, almost instantly." At all druggists. Dr. Agnew's Cure for the Heart relieves heart disease in 30 minutes. Dr. Agnew's Liver Pills—25c. for 40 doses—are the best. Dr. Agnew's Ointment relieves in a day eczema, tetter and all skin diseases. Copies please in 2 to 3 nights. 25c.

MR. WANNAMAKER'S ADVICE.

Tonkins. "Good morning, Mr. Wannamaker, I have called to see if you can give me a position in your establishment. I can turn my hand to almost anything." Mr. W. "No, we are full in every department, and you are the twentieth man I have refused to-day. Why don't you take up a line in which there is less competition and better pay?" Tonkins. "I'd only be too thankful if you can put me on track of such a position." Mr. W. "When I was twenty years of age, I was a stranger in a strange land, with neither work nor money, when a friend of mine, a lawyer, advised me to take a book agency, saying he had educated himself by canvassing; like drowning men grasp at a straw, I took his advice, and in five years saved \$5,000, and with this sum started my present business. It is just fifty years ago to-day that Mr. Bradley, the founder of the present firm of the Bradley-Garretson Company, Limited, of Toronto, sent me my first book prospectus, and to his beautiful letters and good advice, I owe much of my present success. Yes young man, if you have anything in you there is just as good a chance for you to-day with this old established House as there was for me." Write them and see what they have to offer." Tonkins. "I have seen the advertisements of this firm, for agents, for years back, and have often thought of writing them, but have never done so. I will write to-day; and I am very thankful to you Mr. Wannamaker for your good advice."
