Pricerville

From Our Own Correspondent

Empire Day was fittingly celebrated in our public school. A very interesting entertainment was given by the pupils in the afternoon, consisting of patriotic songs and recitations. Rev. J. Matheson delivered a very instructive address on "The extent and resources of Canada." He gave the pupils a clear idea of the vast extent of our country, which is about the size of Europe. As Mr. Matheson has travelled a great deal through the west he dwelt particularly upon the resources of that part of Canada. Mr. C. C. James made a neat little speech on "The unity of the British empire." In the course of his remarks Mr. James expressed the opinion that Empire Day would tend to inculcate a stronger feeling of patriotism for the British empire in the hearts of the school children.

A number of Pricervilleites and O.D.R. -ites picnicked at Eugenia on the Queen's Birthday.

Mr. John McPhail has changed his mind regarding the erection of a concrete house. He now intends building a solid brick domicile. We think he made a wise change. Concrete houses are not adapted to this part of Ontario.

It is hard to suit everybody. The warm, wet weather of the past week is welcomed by farmers whose land is light and lilly, while on the other hand those who have farms somewhat level and low are beginning to fear that their crops will be drowned out.

Mr. Robert Reiley arrived home last week from Petrolia, where he has been working during the last year and a half. He intends starting out for British Columbia this week. If migration to B. C. goes on for the next six months from this vicinity as it has done since spring opened we will soon have a respectable colony in the far west. We might also add that the young men who have left this community for the west will, we are sure, be a credit to any place in which they may settle.

Mr. James Morrell of Guelph spent a few days of last week with Mr. A. Hincks. Mr. R. Humphreys, who has been visiting friends in Guelph, returned home last week.

Miss Martha Watson, accompanied by her two little nieces, left on Tuesday for a visit among friends at Georgetown, Rockwood and Cheboygan, Mich.

We are glad to report that Miss Bertha James has almost entirely recovered from her very severe illness.

Kimberley

From Our Own Correspondent

The annual election of officers and teachers of Kimberley Methodist Sabbath school was held last Friday evening. Those elected were: Superintendent, J. D. Watson; Secretary, G. Burrett; Treas. Miss M. A. Thurston; organist, Miss Mary Knott; teachers, A. Armstrong, Misses H. and L. Walton, Mrs. Barritt, Mrs. Ellis, Miss Ethel Camack, Miss Soul and Miss Thurston.

The Epworth League held their election the same evening. Hon. Pres., Rev. J. V. Plunkett; President, A. Armstrong; Sec.-Treas., Miss M. A. Thurston; Vice Presidents, R. D. Carruthers, Miss L. Walton, Miss Soul.

Mr. Ned Hurlbut of Thornbury was a caller in town on Monday. The Queen's Birthday passed off very quietly in our burg, but on the lawn of Mr. H. Heard the Ladies Aid of the Methodist church held a successful garden party. The Eugenia football team came over and indulged in a friendly

game with the Kimberley boys. The proceeds amounted to \$37, which will go towards renovating the church.

The Misses Thompson of Flesherton visited friends here on the 24th.

L. O. L. 1340 of Kimberley was visited by a number of brethren from a distance last Thursday evening, among them being County Master Bro. Cook of Meaford and others from Meaford, Collingwood, Rocklyn, Griersville and Eugenia.

His Life Was Saved

Mr. J. E. Lilly, a prominent citizen of Hamhill, Ont., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into pneumonia. My lungs became hardened, I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble, 50 cts. and \$1, at any Drug Store; every bottle guaranteed.

Seeding is about over and the planting of the root crop will now be in order.

Victoria cheese factory began operations on the 15th inst. Mr. Stephens is assisted by Mr. Rob. Williamson. Mr. Geo. Ludlow, who learned the cheese-making here last year has, we believe, secured a position in Markdale factory.

The many friends of Mr. Howard Armstrong have been pleased to enjoy his society for a couple of weeks, while he has been home from Toronto. His singing in the church each Sunday of his stay was much appreciated. In fact our congregation have enjoyed more than one treat out of the ordinary live recital. On Sunday, May 21st, the pulpit was occupied by Rev. W. A. Hutchinson

of Colorado, who, with his wife and two children, spent a week with his mother, Mrs. W. Hutchinson. The sermon was on "The Transfiguration," and was full of practical lessons which, if applied to everyday life, must be helpful. The earnestness of the speaker showed him to be thoroughly at home in the work of his choice. The sermon was much enjoyed by all and perhaps more especially by those who remembered the preacher as a Sunday school and church worker at Inistioze a few years ago. Miss Hardy of Dundalk spent Sunday with Miss Minnie Watson.

When The Whistle Blows

It is a signal that the train is coming, and if you don't get off the track will run over and kill you. When you cough, it is a signal that consumption is coming, and you had better look out. The way to stop the cough is to take Shiloh's Cough and Consumptive Cure. 25cts., 50cts. and \$1.00 a bottle. Money refunded if it fails to cure.
