Grey County's Biggest Store

STILL GROWING

It may please you to know that the June sales gained greatly in dollars, how many we don't tell, but you can get some notion of how the business is growing by this statement—The June sales for 1901 were several hundred [illegible] larger than any preceeding June

The business increase for May and June has been well deserved. We've worked hard for it.

Years of conscientious work has made this store a synonym of good quality no matter what the purchase. We're trying to conduct the business along the old lines as near as possible and have hammered away at the one idea—

The Biggest DOLLAR'S Worth of GOODS For 100 Cents.

We're working to create ground for confidence, trying to make ourselves and our methods known, instead of being willing to escape responsibility worth observation. Success marks the satisfaction we aimed for and nerves ambition to still greater achievements.

The Wareham Methodist Sabbath school celebrated their annual garden party last Thursday evening at the residence of Mr. J. Anderson The evening was remarkably fine. Every one came expecting a good time and were not disappointed Mr. McDonald of Dundalk entertained the company with the bagpipes in a way that was a credit to his native land. His music warmed our hearts to dear old Scotland and every one felt it an honor to be a Scotchman, and we who were not Scotch told how our fathers, grandmothers, were of Scotch descent. Mr. Jamieson of Heatherton was present and delighted the ladies by the announcement that he was not married yet. Mr. Inkster occupied the chair in a very business-like way, and the entertainment throughout was a grand success. Among those present were Rev. Mr. Fleming of Maxwell, Rev. Mr. White of Eugenia, Messrs. Richards, VanDusen and Gibson of Dundalk.

Advice to Mothers.

If your little boy or girl comes home with a sore throat, the first thing to do is to rub the throat and chest with Polson's Nerviline. Don't be afraid to use Nerviline freely—a whole bottle full wouldn't burn nor blister the tenderest skin. Rub it until all taken up by the pores, and just before the child goes to sleep give him a glass of hot water into which 30 drops of Nerviline has previously been stirred. This is a sure, pleasant and speedy cure. Large bottles 25 cents.

After twenty-two years of unbroken faithful service, Mr. Alexander Stephen, Clerk of Sullivan township, has been granted two month's leave of absence. Mr. Stephen will leave on Tuesday on a visit with numerous relatives and friends in Manitoba and the Northwest territories.

Rev. E. T. Douglas of Maxwell, who has been stationed on this circuit for the past three years, preached his farewell sermon here a week ago Sunday to a crowded congregation, previous to taking departure for his new circuit. While here Mr. Douglas endeared himself to his people as an energetic and sympathetic Christian worker, and spared no labor towards assisting any object he considered would be for the benefit or welfare of his people.

A very successful picnic was held on Wednesday afternoon, last week, in Mrs. Long's bush, in aid of our Sunday school, as a result of which the financial condition of the school is improved. A collection was taken up at the supper table and the proceeds of the afternoon amounted to $13.
