Characteristics of the Past Week Carefully Culled for the Curious

Fresh lime always on hand. J. H. Duckett, Eugenia.

One car load of shorts just in. F. G. Karstedt.

A number of fine young canaries for sale. W. Barnhouse, Flesherton.

The Advance will not be published next week. Announcement elsewhere.

25 lbs. granulated sugar for one dollar. F. G. Karstedt.

Mr. W. Trimble is confined to his bed with a bad case of inflammatory rheumatism.

A lot of good chop on hand, barley and wheat together, also peas and oats and corn. W. Barnhouse.

A large party of young people picnicked at Sullivan's grove in Glenelg on Saturday afternoon and report a pleasant time.

Quartely service was held in the Methodist church on Sunday morning and in the evening the usual monthly song service was held.

Mr. R. Thompson, who has been in Armstrong's jewellery store for some time, left on Saturday for Hamilton where has he secured a position.

Dr. Christoe has been quite seriously ill with inflammation during the past week, but we understand there is a change for the better.

W. A. Armstrong, the Flesherton jeweller, has improved the appearance of his store by putting in a 10 foot wall case in quarter-cut oak. The case is a beauty and shows his stock to advantage.

License Inspector Campbell of Clarksburg was in town on Tuesday. The jolly inspector just returned last Friday from his trip to Auld Scotia and admits having had a jolly good time while away.

Dr. Softly of Feversham was a caller one day last week while on his way to visit his parents at Grimsby. The Dr. says he attended 76 cases of smallpox during the late epidemic.

MONEY TO LOAN—At 4½ to 4¾ per cent Expenses low. Also a number of improved and unimproved farms for sale cheap. Apply to Geo. Rutherford, Shelburne, or Dundalk office Saturday afternoon.

A garden party will be held at the Methodist parsonage, Maxwell, on Wednesday evening, August 6, when Miss Eva Glassford, a graduate of Toronto Conservatory of music, will sing. Miss Glassford, will also sing at a concert at Providence on Tuesday, August 5, and at the morning service in the Methodist church, Maxwell, on Sunday, August 3.

The Advance is extremely sorry to learn that Mrs. Josiah Gamey, wife of the esteemed treasurer of Osprey township, had a paralytic stroke on Friday last which renders her helpless. We hope to be able to record a speedy recovery, and we are glad to state that the symptoms point in that direction.

Miss Carrie Sullivan left on Wednesday, this week, for Montreal, where she has secured a position in a telephone office. For the past two or three years Miss Sullivan has been in control of the central here and has given very general satisfaction by her bright and affable disposition, and The Advance believes that she has in her the material out of which success is made.

On Wednesday afternoon, August 6, a garden party will be held at the Eugenia picnic grounds, given under the auspices of the Ladies' Aid society of the Presbyterian church. The Rockvale and Eugenia foot ball teams will play a friendly game of foot ball during the afternoon. All are cordially invited, as a good time is expected. Tea served from five to seven. Admission to tea, adults 15 cents, children 10 cents.

Miss Pearl Badgerow, teacher of Eugenia Public School, and daughter of Mr. J Badgerow, this town, sent five pupils to the entrance examination, all of whom passed. This certainly is a record of which Miss Badgerow should feel proud. —Meaford Mirror.

A heavy hail and rain storm passed over the northern portion of Osprey township on Wednesday night of last week, doing a large amount of damage. The hail pounded some pea fields to a pulp. One farmer estimates his damage to crops at $200, another at $300, and so on. The hail stones could be gathered in pailfulls on the following morning where they had piled up off roofs. The storm caused the Beaver river to rise to an unknown height for this season of year, and the sight at Eugenia falls was quite imposing.

The Stayner Sun claims the smartest pupil in their inspectorate in the person of Miss Bessie Gartlan who made 913 marks out of a possible 1,100 marks at the recent examination. All the same it is difficult for outsiders to estimate her cleverness because we are not told her age or whether or not she had ever tried the examination before. We have two pupils in the Flesherton school who are probably the youngest that ever passed here—Master Fred Karstedt, aged ten years and nine months, and Arnold Thurston, ten years and ten months. The first made 612 marks and the latter 628.

The Chesley Enterprise has the following mention of an old Artemesia boy, who is evidently doing well over in Bruce :—"Geo. Thompson shipped 134 head of cattle from Dobbinton station. The highest price he received was $6 16 per cwt. for 26 head. In addition to 60 head weighing 79,370 lbs., raised on his own stock farm, he purchased as follows: 12 head weighing 16,180 lbs. from Wm. Calhoun, 16 head 22,280 lbs. from Arthur Clement, 24 head, 30,460 lbs., from John Gillespie, and 22 head, 28,930 lbs., from Jas. Clement. The cattle were shipped last Thursday."

The season of picnics is now on in full blast. On Wednesday of last week a large party of young people went up to Bell's lake for a day's frolic. The day was a long and exciting one, the chapter of accidents being unusually large. One of the young men fell into the lake and was fished out by a farmer living in the vicinity. A thunder storm came up in the evening after which a start was made for home. Before getting two miles on the way the wagon was upset over an embankment and damaged to the extent of about seven dollars, but no bones were broken. After getting the wagon tied together another very heavy thunder storm soaked the party through and through. Home was reached at 2 a. m. Every one of the party avers that they had just a lovely time!

The Advance has received an interesting private letter from Mr. Lou Walton, who is with the South African constabulary at Potchefstroom. The latter was written under date of June 27. We cull the following which will be of public interest: "We have had peace here now for nearly a month and we haven't had much to do, but 20 troop is moving to Ottoshoop, 18 miles east of Mafeking, in a few days. It will be about five days' trek, and our police duties will begin when we reach there. There is great talk here of the Canadians of the S. A. C. going home at the end of August but I don't know if it is true or not, but I rather hope it is as I am getting tired of this life and I am not the only one either. It is winter now but it is nearly as hot to-day as it generally is at home in the summer, but an overcoat and gloves could be worn with comfort this morning. The Depot Troop moved from Krugersdorp to Potchefstroom last Dec. and I was transferred to 20 Troop the 1st of Feb. I was sent to Durban the 8th of April with nine men for remounts. Nothing unusual occurred and we had about five hours in Durban and most of that was taken up at the remount yards, so we didn't see much of the town. I have never been in an engagement since I have been out here and of course won't be now. I would like to know what it was like, but it is not very safe. I hope by the time you get this that I will know whether I am going home in August. Perhaps you hear more about it than I do."

Cheap Excursion.

The A. O. U. W. will run a cheap excursion from Orangeville to Owen Sound and Balmy Beach on Friday, August 15, leaving Orangeville at 8 a. m. The fares will be: Orangeville, $1.20, Dundalk $1, Proton 95c., Flesherton 85c., Markdale 70c. Children half fare. The train will leave Owen Sound on the return journey about 8 p. m. See posters for further particulars.

Campbelton Hero to the Front

That famous Clydesdale stallion the Maxwell Company have will stand for mares at Maxwell hotel for season 1902 at $10 00. Is one of the greatest stock getters in the county, which is proven by his stock, G. R. GLASSFORD. 29a.

No Paper Next Week.

It is three years now since The Advance man took a holiday, and for a week we propose indulging in the luxury, therefore there will be no paper issued next week. The office will be open as usual for job work, in fact the job department will be kept on the rush, and anyone desiring to pay subscriptions, etc., can be accommodated. Personally we purpose taking a whiff of the ozone-laden air of the Georgian Bay for a few days, and hope to secure a few good fish stories for future reference.

Horse Breeders, Attention!

Having purchased the famous young Clydesdale stallion, Honour Bound, from Mr Wm. McClung, Euphrasia, I give notice to parties having mares to breed that he will stand at my stable, lot No. 21, con. 10, Artemesia, for service the balance of this summer. His color is dark bay with one white hind and one fore foot, with star on forehead. He has proven to be a very sure foal getter, and the 10 or 12 spring colts from him are of superior quality and all will be about the same color as himself. He was 3 years old last 23rd May. Terms:—To insure, $8 00, with reduction enough to pay parties time coming a distance. Inspection invited. Pedigree on application.

JOSEPH BUCHANAN.
