Referendum Vote.

A correspondent writing The Advance from Clinton says :

Friends of Temperance ! Friends of humanity ! Let us bear in mind :

1 That our vote is a trust from God. His eye is upon us

2 That we are our brother's keeper. Help to put temptation out of his way.

3 That in this case, if we stay at home, we shall be counted as against the measure.

4 That we are not voting on the act itself, but on the question of bringing into force the Act which has already been passed.

5 There is no time to lose—in a few days the opportunity will be gone by forever.

6 That if the vote fall short, there are those who will go into a drunkard's eternity, who might have been saved, and some loved one may be of the number.

7 Remember the words of Jesus Christ "Every plant which my Heavenly Father hath not planted shall be rooted up." And we are sure that the traffic is such a plant." "Have faith in God." Work with a will, and expect a glorious victory.

The Agonizing Pains of Rheumatism

Swollen, aching joints, muscles are stiff and sore, every movement accompanied by pain. The most potent remedy is Polson's Nerviline, which has five times the pain-subduing power of any other preparation. Apply the Nerviline copiously, rub it on well and then bind in a hot flannel bandage. This will cure the worst cases in a short time. Try Nerviline for rheumatism, neuralgia, sciatica or lumbago—it's all right and only costs a quarter.

Turning Down the Doctors

The marvellous cures of Catarrhozone are being much talked about. Thousands are daily recognizing the exceptional merit of this simple inhaler treatment, and instead of running to the doctor with their winter ills they protect themselves by Catarrhozone ; it kills colds in the head in ten minutes, quickly relieves catarrh, bronchitis, asthma, lung troubles, and cures even though all other remedies have failed. Catarrhozone is very pleasant, safe and convenient to use. Its best recommendation is its enormous sale ; try it to-day. Price $1.00, small size 25 cents, at druggists.

One Collingwood firm will just have the nice little sum of $1,057.04 to pay in taxes this year. Another will pay over $809, another over $763, another over $708, another over $586. Yet we have not heard that they are kicking.

While walking down Broadway, Orangeville's gravedigger noticed a couple of the town doctors walking behind him. He immediately stopped, let them pass, and then walked along behind them. The doctors noticed this, and, their curiosity being aroused, demanded the reason for his conduct. "Oh, I guess I know my place in this procession," said he.

The Northern Exhibition went behind financially this year. The whole trouble is that the directors do not know how to use printer's ink. They sent to Toronto and got a few lithographs of a little girl sitting on a fence looking at a windmill and on fair day wondered why the people did not turn out like they used to in former years. We didn't notice many people there from Toronto.- Bruce Herald

That there is money-making in good horses as well as cattle has been fully demonstrated by local breeders and by none more than by Mr. Robt. McBrine, who has made a Dominion reputation among horsemen during the last few years. When Mr. McBrine purchased his splendid pair of pure-bred Clydesdale mares three years ago a great many people were at a loss to see how he was going to get his money out of them ; but there is no longer a mystery. A year ago last June Mr. McBrine began to get results by the sale of a big year old colt to Mr. Wm. Magee, of Desboro, for which he received the handsome sum of $300, an investment which Mr. Magee has not regretted. Mr. McBrine's second sale was a handsome year old filly to Mr. Neil McElheron, the price of which was $250, a satisfactory investment for the purchaser ; but these sales were both eclipsed by one of last week. This year both of Mr. McBrine's mares had foals to Mr. M. E. Bebee's magnificent sire Barron Burgie, both of which took prizes at different fall exhibitions, one of them Barron King [3366] taking first prize at all of the shows and and sweep stakes at the Holland fair for the best Clydesdale any age. Mr. Magee, the owner of Gordon Macneilage, last week purchased Barron's King, aged six months, for which he paid the handsome sum of $450.—Chatsworth News.

CONSUMPTION CAN BE CURED

EDITOR'S NOTE.—The Slocum System of Treatment for the cure of Consumption, Pulmonary Troubles, Catarrh, General Debility, and nearly all the ills of life, is medicine reduced to an exact science by the world's foremost specialist.

By its timely use thousands of apparently hopeless cases have been permanently cured.

The **Emulsion of Cod Liver Oil** is needed by some, the **Tonic** by others, the **Expectorant** by others, the **Oxojell** by others still, and all **four**, or any **three**, or **two**, or any **one**, may be used singly or in combination, according to the needs of the case.

Full instructions with each set of four free remedies illustrated here. Our readers are urged to take advantage of Dr. Slocum's generous offer.

THE FREE TRIAL

The honor of thus effectively arresting the progress of this fatal malady rests with the wonderful system of treatment which has been reduced to an exact science for the cure of Consumption and for the cure of Catarrh and other prevalent conditions which pave the way for Consumption—that successful method evolved by America's greatest scientific physician, Dr. T. A. Slocum, whose great liberality, through his Free Trial Treatment, sent broadcast throughout this broad land, has contributed most to the rout of the most potent agency in the destruction of human life in this hemisphere.

His Free System of Treatment has arrested the hand of death in the cases of thousands of consumptives and has prevented the disease in countless instances.

The Slocum Treatment consists of four distinct remedies for the cure of Consumption, Weak Lungs, Bronchitis, Catarrh, and all pulmonary and wasting diseases, and is based upon principles essential to the correction of function, the rebuilding of the tissues, the overthrow of parasitic animal organisms and the establishment of health in all the departments of the human body.

The four preparations embody all the necessary elements of a complete treatment for Consumption—its cure and prevention—as well as for most of the chronic and wasting ills of life. Apparently hopeless cases are cured by their timely use.

These free remedies comprise the great curative forces discovered by the eminent physician, Dr. Slocum, they represent the acme of the pharmacist's skill and with them will be found explicit directions for their use in any case.

You are invited to test what this system will do for you, if you are sick, by writing for a FREE TRIAL TREATMENT and the Four Free Preparations will be forwarded you at once with complete directions for use.

Simply write to the T. A. Slocum Chemical Company, Limited, 179 King Street West, Toronto, giving post office and express address, and the free medicine (the Slocum Cure) will be promptly sent.

Persons in Canada seeing Slocum's free offer in American papers will please send for samples to Toronto.
